S. B. SMITH,

Representative of Eureka Lodge, No. 4.

W. A. Bonynge, P. G. M., in behalf of Geo. W. Stockwell, P. G. M., addressed the Grand Lodge as follows, and on motion the Grand Secretary was instructed to make suitable acknowledgement:

Grand Master and Brothers:

During the twenty and more years that I have been privileged to meet with this Grand Lodge, I have never yet stood before you with the feeling that I was so inadequately equipped for the duty that has been assigned to me, as I do at this moment. I am here today to carry a message of greeting, of love and of fealty to this great Order, from one on whom fate has laid a heavy hand. From a brother who, while his body is confined to his home in Los Angeles, his heart and mind will be with this Grand Lodge in every moment of its deliberations, in every social pleasure or every fractional function that may be participated in during this Session. One year ago, at the meeting of the Grand Lodge in Los Angeles, Brother Past Grand Master, George W. Stockwell, stood foremost among those enthusiastic and loyal brothers who worked so strenuously and so faithfully to make every visitor feel that he or she was a special guest of the Odd Fellows of Los Angeles. With his heart and mind filled with those noble thoughts and feelings, he neglected for a moment a necessary precaution; he cranked his automobile, it started unexpectedly, passed over his body, and in a moment the strong, vigorous, enthusiastic Odd Fellow was laid helpless and broken. For one year he has now laid on his couch or in his sick chair, bravely and cheerfully battling for the return of health and strength. His one great hope and desire being that he would so far recover as to enable him to attend this Session of the Grand Lodge; but as the time for this meeting approached and he realized that he had not made sufficient progress to enable him to undertake the journey from Los Angeles to Santa Cruz, he requested me to convey to you his fraternal greeting, his regrets that he is debarred the privilege of being with you today, and to testify his great love and appreciation of this, our noble Order. His heart is filled with gratitude for the many loving acts and kind considerations that have so freely and constantly come to him from the members from every branch of the Order. He desires me to convey his thanks and appreciation to the many brothers and sisters who so faithfully and so consistently held him in mind during this long, trying year and the help that they have given him to bear his burden.

He tells you that he has received many rich gifts of fraternity from the members of this Order, and he constantly speaks of the one crowning gift of Odd Fellowship to him, namely, that grand and noble woman and wife whose acquaintance he first made around the altar of Odd Fellowship, and who has so faithfully, so loyally and so tenderly nursed him, guided and sustained him and ever upheld him in the path of his slow recovery.

He wishes me to convey to each and every one of you, his regrets that he is not permitted to be with you here today, to hear your voices, to look upon your faces and to feel the heart-warmth that comes with the clasping of your hands; and he desires me to express the great joy that will come to him when once more he can take his station amongst you and resume, with you, his labors in the great cause of Odd Fellowship.

The Grand Secretary forwarded the following response:

Geo. W. Stockwell,

Los Angeles, Cal.

Your message was received, through Brother Bonynge, and the Grand Lodge, now in session, extends greetings and best wishes for your speedy and ultimate restoration to health.

H. D. RICHARDSON,
Grand Secretary.

The following telegrams were read and ordered printed:

San Francisco, Cal., May 11, 1914.

H. D. Richardson, Grand Secretary, I. O. O. F., Santa Cruz, Cal.:

On behalf of Mr. Theodore A. Bell, express regrets at not being able to be present at meeting, on account of absence from State.

E. M. KEIG.

Jerusalem, May 5, 1914.

Grand Lodge, I. O. O. F., Santa Cruz, Cal.:

Greetings from Yeruho.

I greet you from this far-off land. This is the first session that I have missed since becoming a member. You don't know how I miss it this year. You have my most heartfelt wish for a harmonious and successful session of Grand Lodge.

W. M. AVIS, P. G.

The Grand Master arose and proceeded to read his annual report as follows:

ANNUAL REPORT OF THE GRAND MASTER.

To the Grand Lodge, I. O. O. F., of the State of California:

At the close of this communication of the Grand Lodge, I shall under the laws of our Order, lay down the gavel and surrender to you the authority with which, one year ago you clothed me as Grand Master of this Jurisdiction.

Flushed with the joy of success which came to me with my installation, I but slightly appreciated or comprehended the vast authority with which you had commissioned me, or the power you had placed in my hands. Now returning to you my commission of authority, I hesitate to think I have earned your commendation, but trust you will find the commission unsullied, and that you are convinced that to the best of my ability the duties imposed thereunder have been faithfully performed and the laws of our Order zealously executed.

There are few distinctions within the gift of any people greater than the one you conferred upon me, and many times during my term I asked the question, "Why was I selected for this great honor? Why was I singled out for this great office and endowed with this splendid prerogative?" The answer comes back to me that it was through your confidence in my integrity and your consideration for my limitations that you entrusted me with this authority. For your great consideration I wish at this time in returning my portfolio to thank you and each individual member from the bottom of my heart for this evidence of your confidence and esteem.

Since my appointment to the office of Grand Master, I have sought to find in the institution of Odd Fellowship its great purpose in the world and the true spirit of its teachings, and having as I believe discovered these things, I have sought to carry them to the members and to foster, promote and extend the scope of their influence. Always having been a disciple of the doctrine, "The Spirit of the Law," and never having followed blindly "The Letter of the Law," I have ever sought to find the purpose for which a law was enacted, and after having found that purpose, have endeavored to promote it by presenting its spirit rather than its letter.

There is within the realm of Odd Fellowship a great forceful purpose, and that purpose is the moral uplift of man and the advancement of the interests of the brethren. In carrying my message to the membership wherever I have gone, it has been my endeavor to disclose this purpose and to reveal in the best light possessed by me, the sublime object of Odd Fellowship and the great purpose of its existence.

Believing it to be the duty of the Grand Master to awaken an appreciation among the members of the duty of each to his lodge, to the Brethren of the Order, and to mankind, I have sought to carry this message wherever I have gone, and have exhorted the brethren to a higher conception of the spirit of our institution, and to an active interest in and advocacy of its advancement.

Upon entering upon my duties, however, I found a great organization with well defined purpose and equipped with efficient

machinery, working in smoothness and almost entire harmony throughout the jurisdiction. This machinery is so well attuned that the coming and going of a Grand Master makes but little impression upon its operation, and but slightly affects the progress or efficiency of its work. I found the great organization, and the thousands of officers and members throughout the State of California, actively working in the interests of the Order and ready and anxious to obey any suggestion I might make and to sustain and advance its principles.

My aim as Grand Master has been to keep in touch with conditions existing in the different lodges of the Jurisdiction with a view to the promotion of harmony, believing that efficiency can only come with harmonious action in the lodge. The misfortunes of fraternal work come with internal differences over unimportant matters. In one or two cases I have found this condition existing in the lodge to the exclusion of all work for its advancement.

In these cases I debated long as to my duty in the premises, trusting that events might change the spirit of the contending factions and heal the wounds thus produced. I am, however, fearful of the realization of my hopes.

I regard this condition when existing in a lodge to be absolutely subversive of the principles of Odd Fellowship and deserving only of censure and condemnation. No lodge should be permitted to exist as a breeding ground for hatred and violence and I deem it the duty of the Grand Master in such cases to take such action in the premises as will eliminate the evil.

The Order has increased some in membership during the past year, 2150 having been initiated. Its number is today considerably greater than it was one year ago, although at the end of 1913, 1724 members were suspended for non-payment of dues. The death roll has been large, and I regret to say that during my term many good brothers who have been active in the Order have crossed the silent river.

The I. O. O. F. Home.

My heart has been gladdened by the scene at the I. O. O. F. Home. It is a splendid institution and well managed. The Trustees have devoted themselves untiringly to its success and to the comfort and happiness of the members. The position of Superintendent is a difficult one, and one which requires the greatest skill and tact. Dr. Burgess is zealous and successful in the performance of his difficult task and is ably assisted by his kind-hearted and clear-headed wife. The aged brothers and sisters at home there are as happy as circumstances and surrounding conditions will permit. Many of them have been active and forceful men and women in life and restraint and inactivity weigh heavily upon them. This cannot be relieved and some complaint must necessarily be expected, but all in all a very satisfactory condition exists.

Orphans' Home.

The Orphans' Home at Gilroy is one that appeals to the best and most kindly impulses of mankind. It takes the innocent and helpless and provides the most pleasant home and surroundings and the most healthful atmosphere. The child of misfortune there finds

the home of the fortunate and the care of the most favored. God made the Matron, and He made her for that place. Sister Harris is a moulder of young men and women.

The Rebekah Branch.

I am greatly interested in the organization and work of the Rebekah branch of the Order, but my duties have prevented me from visiting their lodges as much as I would have liked. The President, Janie A. Bennett, is one of the most zealous, conscientious and intelligent workers in the cause I have ever known, and it is with admiration I refer to her splendid accomplishments.

Visitations.

I have visited nearly all the lodges assigned me and also many not upon my list. I found much difficulty in meeting with many of the lodges on their regular meeting nights, and have had to arrange special meetings or joint meetings to accomplish the end. The reason of this is that 44 of the lodges assigned me meet upon Saturday evening, including most of the lodges in the mountain counties. Altogether, 132 lodges meet upon Saturday evening, and visitations should be so arranged that not more than 33 Saturday night lodges be assigned to one Grand Master. I would also recommend that visitations be assigned to Grand Masters so that each outlying county have at least one visitation from each Grand Master. To accomplish this the list should be revised and rearranged by a special committee appointed for that purpose.

Circular Letters.

The Grand Lodge, I. O. O. F., of the State of California
Office of the Grand Master
San Francisco, Cal., February 28, 1914.
To all Subordinate and Rebekah Lodges under the Jurisdiction of
the Grand Lodge of the Independent Order of Odd Fellows,
of the State of California, Greeting:

The Grand Sire has, in accordance with resolutions adopted at the Sovereign Grand Lodge, sent out to all Grand Jurisdictions a circular letter which speaks for itself as follows:

"SOVEREIGN ODD FELLOW" PROCLAMATION

To Whom These Presents May Come Greeting:

Whereas, A. C. Veach, owner and editor of the "Sovereign Odd Fellow," published at Gravette, Ark., has for more than a year last past been filling the columns of said paper with violent attacks on a prominent religious denomination, accusing it of being a political organization whose operations are injurious to the community; and

Whereas, The Grand Sire's attention having been called to the articles in question, he wrote Brother Veach, courteously suggesting that their publication in a periodical purporting to be an Odd Fellows' paper was a violation of certain established principles of our Order, and asking that they be discontinued; and

Whereas, This suggestion was disregarded and the articles objected to increased in number and virulence; and

Whereas, The Sovereign Grand Lodge, at its session in Minneapolis last September (Journal pp. 336 and 337), fully indorsed and approved the action taken by the Grand Sire; and

Whereas, The special committee consisting of five Past Grand Sires and the Chairmen of the Committees on the Judiciary and Appeals, reported among other things, as follows:

"Every Odd Fellow knows perfectly well that with systems of faith or sects, religious or political, our Order as such has no affiliation. We not only have no controversy with any of them, but we are forbidden to enter into controversy about them. Religious and political debates under the auspices of Odd Fellowship are absolutely prohibited. On these matters individual Odd Fellows are entitled to hold whatever opinions they think the evidence will justify, and they have a right to all the freedom in expressing their opinions that the laws of the country in which they live may give them; but our Order is not in any way, directly or indirectly, to be made responsible for them, nor should they be discussed in an Odd Fellows' paper any more than in an Odd Fellows' lodge.

"To the Odd Fellow Press The Sovereign Grand Lodge has always extended sympathy and encouragement. Grand Bodies have even purchased copies for distribution in the lodges and encampments. But this has been done with the distinct understanding that while of necessity they are to some extent private enterprises, yet they are published in the interest of Odd Fellowship. We have no desire to curtail in the slightest freedom of utterance on the part of our fraternal press, but that freedom must be exercised in harmony with our law and with full recognition of our authority.

"Brother Veach claims the right to publish what he pleases, without any interference by the Grand Sire or The Sovereign Grand Lodge in his management of his own private enterprise. If his paper is a purely private enterprise, then he is violating the law which forbids the use of any titles or emblems of the Order in connection with a private enterprise. Let him change the name of his paper, surrender all claim to being an Odd Fellows' paper, and cease using our lodges to increase his circulation. Then he can preach his favorite doctrine without any interference by us."

And Whereas, Said report was adopted without a dissenting voice, and it was made the duty of the Grand Sire by the resolutions attached thereto to enforce the laws of the Order as to Bro. A. C. Veach, and the "Sovereign Odd Fellow;" and

Whereas, The said Veach in the October, November and December issues of said "Sovereign Odd Fellow" has not only continued said articles against said church, but has violently assailed The Sovereign Grand Lodge for its action in the premises, as well as the members of the Special Committee, and the brother whom he supposed made the original complaint about said articles, and has severely criticised the Grand Sire for performing his duty in endeavoring to carry out the mandate of The Sovereign Grand Lodge, and through the columns of his paper is trying to spread dissension and to incite the subordinate bodies of our Order to insubordination, and has, in a few instances, induced lodges, in violation of the laws of the Order, to discuss the subject of his articles in the lodge sessions, and to pass resolutions condemning The Sovereign Grand Lodge and the Grand Sire for enforcing the law;

Now, Therefore, I, C. A. Keller, as Grand Sire of the Independent Order of Odd Fellows, hereby enjoin all subordinate bodies of the Order from purchasing or subscribing for said "Sovereign Odd Fellow" for distribution in the lodges and encampments, and from permitting said papers to be received, read or discussed in the lodge room, and call upon all loyal Odd Fellows to remember their obligations to maintain and abide by the laws of The Sovereign Grand Lodge and to refrain from creating dissension and insubordination in our ranks.

The Grand Masters and Grand Patriarchs of each Jurisdiction are requested and directed to promulgate this proclamation to each of their subordinate bodies.

Done at the City of San Antonio, State of Texas, this 10th day of January, A. D., 1914, and of our Order the Ninety-fifth Year.

C. A. KELLER,
Grand Sire.

Attest: JOHN B. GOODWIN,
Grand Secretary.

The membership of California will be governed accordingly.

Grand Master.

PROCLAMATION

To all Grand Masters, Grand Patriarchs, and Presidents of Rebekah

Certain unprincipled publishers of spurious rituals and secret
work of the various Orders have recently become very active in

freely to carry on their nefarious business;

authority vested in me, do hereby admonish all members of the
Order to refrain from purchasing or having in their possession
any pamphlets or documents purporting to contain any part of the

directly or indirectly to encourage such illegitimate and fraudulent
publications; and all members of the Order are notified and warned
that under Sections 1962 and 2246 of Busbee's Digest, the penalty
for having any unauthorized work, purporting to be the written
or unwritten work of the Order, is expulsion.

All Grand Masters, Grand Patriarchs and Presidents of Re-
bekah Assemblies, are hereby requested to promulgate this procla-
mation to their respective subordinate bodies and to forbid them,
or their members, from purchasing, attempting to use, or having
possession of such unlawful and spurious work of every kind, and
to see that the law is rigidly enforced.

To Grand Secretaries, Etc.

Dear Sir and Brother: At the session of the Sovereign Grand Lodge held in September last, the following Resolution was adopted in special session and goes into effect January 1st, next:

RESOLVED, That all candidates for degrees in the Order shall be required to pass a satisfactory examination in the secret work and obligation of the preceding degree before being advanced to the next higher degree.

Inasmuch as the Resolution does not specify where it is to be placed in the Ritual, it is suggested it be pasted inside of the front cover of the Ritual, so that hereafter if it is amended designating where it should be placed, in the work of the Ritual, the same can be done.

To the Officers of Grand Bodies of the Independent Order of Odd Fellows:

In accordance with the authority given me by The Sovereign Grand Lodge at the Minneapolis session, you are hereby requested to call upon all Subordinate Bodies under your jurisdiction to take a collection of individual contributions for the purpose of erecting a "Peace Monument" at The Hague, and that your Grand Bodies make such contributions to said fund out of the Grand Treasuries as may be deemed expedient.

I trust that every Odd Fellow under the jurisdiction of The Sovereign Grand Lodge will consider it not only a duty, but a privilege, to contribute to this fund for the erection of the "Peace Monument," which will be an object lesson to the world in proclaiming that the tenets of our Order teach "Peace and Good Will to Men."

All contributions should be sent to the Grand Secretaries, Grand Scribes and Assembly Secretaries of the various Grand Jurisdictions and by them sent to the Grand Secretary of The Sovereign Grand Lodge.

REPORT OF DISTRICT DEPUTY GRAND MASTERS.

District No. 1.—Arthur L. Slee, Deputy. Dispensations granted: Yerba Buena Lodge No. 15, public installation July 9, 1913 and January 15, 1914. No decisions rendered. While the progress shown in District No. 1 has not been remarkable to any extent, in the District as a whole, some of the lodges have shown marked improvement, especially California Lodge No. 1 and Yerba Buena Lodge No. 15, the latter lodge having installed a first degree team, whose work ranks favorably with any similar team in the city. A beautiful new and appropriate paraphernalia was purchased and the lodge increased its membership by four members for the term. There seems to be a hearty, concerted movement in the lodges for the purpose of perfecting the degree work and securing additional members, that if continued, will show remarkable progress at the end of another year.

District No. 2.—John Hinrichs, Deputy. Dispensations granted: Harmony Lodge No. 13, joint installation with Hermann Lodge No. 145, July 17, 1913; Hermann Lodge No. 145, joint installation with Harmony Lodge No. 13, January 22, 1914. Decisions rendered: Decision on compulsory vote in Subordinate Lodge on a proposition for membership, and how to put the question, calling the members to vote. The first part rendered Louderback's Digest, Section 291, and in second part, advised the Noble Grand to leave out the words "who wish to vote." I have visited all the lodges in the District, and officiated at installation of officers in the first term. Harmony Lodge No. 13 celebrated their Sixtieth Anniversary with a banquet on June 21, 1913 and also Germania Lodge No. 116, their Fiftieth Anniversary on June 29, 1913. To improve the interests in four lodges and at the same time help to improve the financial standing of Teutonia Degree Lodge No. 4, a Christmas party was arranged by this lodge, as also two whist parties. A District meeting was held April 21, 1914; after the close of this a banquet was served. Vorwärts Lodge No. 313, Oakland, were our visitors. Germania Lodge No. 116 and Concordia Lodge No. 122 have made good gains in membership, while Harmony Lodge No. 13 and Hermann Lodge No. 145 are stationary, but all are in prosperous condition and working in harmony. During my absence in the south, P. D. D. G. M. Philip Grethel performed the duties in the second half term for installations of officers and represented me in the arrangements of the Christmas party. For all favors of the brethren, I express sincerest thanks.

District No. 3.—Chas. W. Martin, Deputy. Dispensations granted: Capitol Lodge No. 87, June 6, 1913, to elect Third Degree member to chair of Vice Grand, all qualified brothers refusing to serve; Florin Lodge No. 364, public installation with Rebekahs, July 9, 1913; Oak Park Lodge No. 5, public installation with Rebekahs, July 14, 1913; Elk Grove Lodge No. 274, public installation with Rebekahs, July 19, 1913; Phoenix Lodge No. 239, dance in name of the Order, December 31, 1913; Capitol Lodge No. 87, Sacramento Lodge No. 2, and Industrial Lodge No. 157, to hold joint public installation January 3, 1914; Florin Lodge No. 364, Oak Park

Lodge No. 5, and Granite Lodge No. 62, to hold public installations with Rebekahs, January 17, 19, and 24, 1914; Elk Grove Lodge No. 274, public installation with Rebekahs and Encampment, January 10, 1914; Eureka Lodge No. 4, to hold social party and dance in name of the Order, February 7, 1914; Eureka Lodge No. 4, to hold social party and dance in name of the Order, March 21, 1914. No decisions rendered. Many members in this District seem well versed in the laws of the Order. Visited the lodges in District frequently and found the officers, as a rule, efficient in the work. Would advise that District Deputies visit country Lodges as frequently as possible to lend assistance and encourage the workers. On September 14, 1913, caused investigation to be held in the case of Brother J. E. Contnuer vs. Phoenix Lodge No. 239. Matter was settled and facts will be presented to Grand Lodge. On October 29, 1913, a district meeting was held under the auspices of Eureka Lodge No. 4. There was a large attendance, all the lodges in the District being represented. Grand Master Thos. H. Salvage was present. The Initiatory Degree was conferred on several candidates in an excellent manner, by the Eureka Degree team. On February 14, 1914, a successful District meeting was held. All lodges in the District were represented. The First Degree was conferred on a large class of candidates from several lodges by the Degree team of Industrial Lodge No. 157. The Degree was exceptionally well done. Grand Master Thos. H. Salvage was present and made a short address. There is activity among all the lodges. New members are being taken in and I predict a substantial increase for 1914. All lodges seem to be in good shape financially.

District No. 4.—Wm. Nicholls, Jr., Deputy. Dispensations granted: Auburn Lodge No. 7, installation with Rebekahs, July 19, 1913; Auburn Lodge No. 7, installation with Rebekahs, January 17, 1914; Valley Lodge No. 107, installation with Rebekahs, January 8, 1914; Colfax Lodge No. 132, installation with Rebekahs, July 14, 1913; Colfax Lodge No. 132, installation with Rebekahs, January 12, 1914; Roseville Lodge No. 203, installation with Rebekahs, July 9, 1913; Roseville Lodge No. 203, installation with Rebekahs, January 10, 1914; Rocklin Lodge No. 337, April 22, 1914, to install Brother E. Chechettini, a Third Degree member to the office of Vice Grand, all others legally qualified having declined to serve, for the remainder of the term. I granted the request to the lodge, still at the same time, I think it would have been much better to have had some past officer serve, time being too short for the honors of the office.

There has been admitted by initiation in the District, 22, and a loss of the same number by deaths and suspensions, leaving the membership the same as at the commencement of the year. All the lodges are doing very well financially. Valley Lodge No. 107, at Lincoln has the best field for an increase in the future.

Auburn Lodge No. 7 is one of the oldest lodges in the State and there is no reason why it should not do better in the future and have a larger membership.

Olive Lodge No. 81 at Dutch Flat is located in an old mining town, being placer mining; it has been gradually going down for some time. The membership is gradually decreasing and the average age is over 55 years. Having a good treasury, it looks forward, however, to doing much good for many years to come.

Valley Lodge No. 197 at Lincoln, is located in a manufacturing and farming community and has a good field for increase in membership.

Coffax Lodge No. 132, is situated on the line of the railroad and should increase in the future.

Roseville Lodge No. 202, also on the line of the railroad, but is laboring under a serious difficulty, in my judgment. The lower story of the building in which the lodge holds its meetings is owned by a member of the lodge and rented by him for saloon purposes. This should be remedied, either by the lodge owning the property or seeing that the member rents it for other purposes. Roseville is a growing town and there is no reason why the membership should not increase.

Foothill Lodge No. 317, at Newcastle, is located in a fruit growing district, but does not seem to grow. Rumor of consolidating with Auburn Lodge No. 7, which, since installation, has taken in two or three of their members by Card.

Rocklin Lodge No. 237, also on line of the railroad, but the shops having been removed to Roseville, the place is quiet. It is, however, fixed very well financially and has some prospects of an increase in membership.

No District meeting has been held by me for the simple reason that there was no hotel accommodations in my home town to take care of the visitors.

The assets of the lodges on January 1, 1913, was as reported, \$72,841.62. On January 1, 1914, \$74,577.16, showing an increase in the assets of \$2,495.54.

Receipts.

The receipts for the year 1913, are as follows:

I have tried to impress on the lodges the importance of a more complete examination of the reports of the Finance Committee and have given to each lodge a simple method by which the reports can be verified. One of the lodges during the past two or three years hired an expert to check up its accounts and funds. I am pleased to say that the matter has been satisfactorily settled.

In conclusion, I would recommend that the Grand Lodge adopt some simple and uniform method of accounts for the lodges and further that said reports be copied and kept in the office of the Grand Secretary; this would do away with the present system of filing the reports and would at all times show the true condition of the lodges from year to year. The reports should be made to agree at all times, showing the increase or loss in membership and the true financial condition from year to year.

No decisions rendered.

District No. 6.—J. C. Ahern, Deputy. District in prosperous condition.

District No. 7.—E. W. Pierce, Deputy. Dispensations granted: July 11, 1913, Stockton Lodge No. 11, joint installation with Encampment; July 12, 1913, Sumner Lodge No. 177, joint public installation with Rebekahs and Encampment; July 24, 1913, Scio Lodge No. 102, joint public installation with Rebekahs; July 26, 1913, Farmington Lodge No. 296, joint public installation with Rebekahs; January 10, 1914, Sumner Lodge No. 177, joint public installation with Rebekahs and Encampment; January 14, 1914,

Charity Lodge No. 6, joint public installation with Rebekahs and Encampment; January 20, 1914, Farmington Lodge No. 269, joint public installation with Rebekahs; January 22, 1914, Scio Lodge No. 102, joint public installation with Rebekahs; January 24, 1914, Manteca Lodge No. 425, joint public installation with Rebekahs. No decisions rendered. The majority of lodges in this District are active, the result of which is a healthy growth of its membership. A great deal of pride is taken in the degree staffs, and the work is carried out second to none in the State. The installation meetings were well attended. The district meeting held in Stockton, April 2d, at the Auditorium was a success. The First Degree was conferred by a picked team under the directorship of Past District Deputy Grand Master J. Carl Tremain. Grand Master T. H. Selvage was present and entertained about 400 brothers with a pleasing address. Brother Byrd of Stockton gave a lecture on the First Degree, bringing out the beautiful esoteric teachings of this degree. The baby lodge of the District, Manteca Lodge No. 425, is progressing nicely. When less than two years old, they had the courage of their fraternal conviction and erected a brick building, which will total \$14,000. They are making good financially, fraternally and otherwise. On June 28, 1913, Grand Master T. H. Selvage, assisted by Grand Secretary H. D. Richardson, Grand Warden F. D. Macbeth, Grand Treasurer Jas. W. Harris, and District Deputy Grand Master E. N. Pierce, laid the corner stone of Manteca Lodge No. 425. Within a copper box was deposited a history of the lodge and the names of those officiating. After the ceremony, the Odd Fellows and Rebekahs retired to the Hall where Grand Master Selvage, and the other Grand Officers, addressed the audience. The occasion was an enjoyable one and much appreciated by the members of the Order. On November 7, 1913, the dedicatory ceremony was performed by a picked staff from the three Stockton lodges, Past Grand Master Geo. F. Hudson officiating, being appointed by Grand Master T. H. Selvage, he and the other Grand Officers not being able to be present. Great credit is due the Stockton lodges for the interesting and impressive manner in which the dedicatory ceremonies was performed. Each officer of the staff gave exemplary work and a profound impression was made upon every one present. After the ceremony Past Grand Master Geo. F. Hudson made an interesting talk. The dedication staff presented two silver-bound gavels to the lodge. The eloquent presentation speech by Past Grand Master Karl C. Brueck had the true Odd Fellow ring. Manteca Lodge No. 425 is under many obligations to the three Stockton lodges for the brotherly manner which they have at all times shown since the institution of the lodge nearly three years ago.

District No. 8.—Chas. P. Jones, Deputy. Dispensations granted: January 7, 1914, Tuolumne Lodge No. 21, to hold open installation with Gold Nugget Rebekah Lodge, on January 20th. No Decisions Rendered.

District No. 9.—Josiah Newton, Deputy. Dispensations granted: Grass Valley Lodge No. 12, to hold an open meeting after their regular meeting, December 4, 1913. No decisions rendered. Oustomah Lodge No. 16 doing good work this term, gaining several new members. Leonard Foot, who was a member of Fredonia Lodge No. 188, which was located at Smartsville, being a member

for forty years, but at the time said lodge surrendered its Charter was in arrears for dues. What standing has he, if any? He thinks he should be entitled to visit lodges and turn out at a funeral as an Odd Fellow, and when he dies be buried as an Odd Fellow. Have had a good term as District Deputy, it being a source of much pleasure to serve in that capacity.

District No. 10.—Frank Howe, Deputy. Dispensations granted: Lupyoma Lodge No. 173, to elect Noble Grand from the floor, July 26, 1913, and January 31, 1914, public installation; Clear Lake Lodge No. 130, for public installation February 4, 1914 and dance in name of Order, February 22, 1914; Friendship Lodge No. 125, for public installation, January 30, 1914. No decisions rendered. Odd Fellowship is in good shape and great interest shown in regard to team work, so can assure you that work comes up to more than average in this District. Upper Lake Lodge No. 241 held District meeting on April 25, 1914 with largest turnout ever had in District, as all lodges sent large delegations. Lakeport commenced building fund for hall of her own.

District No. 11.—F. E. Gauthier, Deputy. Dispensations granted: July 14, 1913, Mt. Tamalpais Lodge No. 399 and Marin Lodge No. 200, joint installation; January 7, 1914, Mt. Tamalpais Lodge No. 399 and Marin Lodge No. 200, joint installation. No decisions rendered. Found that joint installations were successful. Had a good time in general. Each Lodge has taken in a few candidates since our last report.

District No. 12.—Marshall Dunkum, Deputy. Dispensations granted: Morning Star Lodge No. 20, joint public installation with Leona Rebekah Lodge No. 30, July 10, 1913; Colma Lodge No. 27, joint public installation with Sutter Mill Rebekah Lodge No. 114, January 13, 1914; Memento Lodge No. 37, joint public installation with Georgetown Rebekah Lodge No. 64, January 15, 1914. Decisions rendered: An inquiry was received from a committee of Morning Star Lodge No. 20, as to whether badges could be worn in the lodge room in place of regalias.

Answer.—No; all members must wear the regalia prescribed by the Sovereign Grand Lodge.

District No. 13.—L. C. Remler, Deputy. No report.

District No. 14.—Fred. W. Jackle, Deputy. Dispensations granted: Calistoga Lodge No. 227, to install in public July 9, 1913; Napa Lodge No. 18, to install in public July 12, 1913; St. Helena Lodge No. 167, to install in public July 15, 1913; Calistoga Lodge No. 227, to install in public January 7, 1914; Napa Lodge No. 18, to install in public January 17, 1914; St. Helena Lodge No. 167, to install in public January 20, 1914. No decisions rendered.

District No. 15.—John E. Paulson, Deputy. Dispensations granted: Suisun Lodge, No. 78, to hold public installation of officers on the evening of January 10, 1914; San Pablo Lodge, No. 43, to hold public installation of officers on the evening of January 12, 1914. No decisions rendered. The Lodges of District No. 15 are prosperous and progressive, each showing an increase of members, particularly San Pablo Lodge, No. 43, which increased its mem-

bership by fourteen in one term. The I. O. O. F. Social Club of Vallejo is a good feature in Odd Fellowship. Their Club Rooms and monthly dance have a tendency to increase interest in the Order. Suisun Lodge has also started a Club, which will, no doubt, prove a social and financial benefit.

District No. 16.—J. H. Karsner, Deputy. Dispensations granted: Cherokee Lodge No. 92, joint public installation with Cherokee Rebekah Lodge No. 18, on the evening of January 31, 1914. No decisions rendered. Installed the officers of Oroville Lodge, No. 59, and Cherokee Lodge No. 92, and found them well posted in the work. Both lodges in good financial condition and working in harmony.

District No. 17.—Gilbert May, Deputy. No dispensations granted and no decisions rendered.

District No. 18.—Chas. Scheffer, Deputy. No report.

District No. 19.—L. Burke, Deputy. No report.

District No. 20.—R. R. McCallum, Deputy. Dispensations granted: July 24, 1913, Saratoga Lodge No. 428, joint public installation with Saratoga Rebekah Lodge No. 337; January 19, 1914, Cupertino Lodge No. 70, joint public installation with Philotesian Rebekah Lodge No. 145; January 21, 1914, True Fellowship Lodge No. 238, joint public installation with Santa Clara Encampment No. 32; January 22, 1914, Morning Light Lodge No. 42, public installation; January 23, 1914, Scandia Lodge No. 357, public installation. No decisions rendered. A few minor questions settled by reference to By-Laws or Digest. Held classes of instruction in unwritten work on Sunday afternoons commencing one month previous to first installation and continuing until the last in each term. These classes were well attended and were a source of pleasure and benefit. I am indebted to Santa Clara Lodge No. 23 for the use of hall on these occasions. I have visited the lodges frequently and exemplified the unwritten work. Harmony prevails in this district. All lodges active and filled with a strong determination to increase their membership. Monthly socials are being held, admittance by initiation. These socials are most enjoyable and beneficial as thereby many new members have been added. I am deeply grateful to Past Grand Max Kohner and Fred M. Merrill of True Fellowship Lodge No. 238 for auto favors. Without them, many enjoyable fraternal visits would have been missed. The age limit—why cannot we get it down to 18 years? Must we stand idle, year after year and see the best of young men in our neighborhoods taken in at the age of 18 years by other fraternities? I can't imagine anything more gratifying than to see these young men initiated into our Order and working their way through the chairs. Surely they are being deprived of a most useful and beneficial education.

District No. 21.—A. L. T. Ziehlsdorf, Deputy. No dispensations granted. I have installed or caused to be installed, all the lodges in this District. Sorry to state that times are dull up here and the lodges keep pace with the times. Nothing doing. Have answered a few minor questions of no importance except one which I might relate. Statement: A candidate in Mariposa Lodge No. 39, having been duly balloted for to become a member by initiation, and

during the week prior to initiation he changed his mind to become a member; he sent in a verbal announcement that he did not wish to be initiated.

Question.—Is it lawful to grant a release to the candidate.

Answer.—Yes. Initiation fee paid must be returned to him.

District No. 22.—Thos. Buscombe, Deputy. No report.

District No. 23.—Perry E. Condit, Deputy. Dispensations granted: Sharon Lodge No. 86, to hold public installation with Amicitia Rebekah Lodge No. 242, January 3, 1914; Hope Lodge No. 33 to hold public installation with Encampment, January 8, 1914. No decisions rendered. A District meeting was held April 3, 1914, at Murphys. We were fortunate in having Grand Master Thomas H. Selvage and Past Grand Master Geo. H. Hudson present. A pleasant afternoon and evening was enjoyed by those present. Two candidates were initiated by Sharon Lodge No. 86, and the First and Second Degrees were conferred by Hope Lodge No. 33. All lodges in this District are well officered and are in a thriving condition.

District No. 24.—Chas. F. Spenker, Deputy. Dispensations granted: July 9, 1913, Lafayette Lodge No. 65, joint installation with Rebekah Lodge; January 3, 1914, Mt. Horeb Lodge No. 58, joint installation with Rebekah Lodge; January 29, 1914, Oakdale Lodge No. 228, joint installation with Rebekah Lodge. Decisions rendered: January 14, 1914. Having installed the Noble Grand of Turlock Lodge No. 402 into the Past Grand chair, I found that the Noble Grand elect was not present. Decided that the Past Grand should hold the Noble Grand chair until the Noble Grand elect should be installed.

District No. 25.—Wm. N. Cunningham, Deputy. No report.

District No. 26.—F. C. Waters, Deputy. Dispensations granted: Gazelle Lodge No. 49, public installation July 12, 1913 and January 24, 1914. No decisions rendered.

District No. 27.—T. W. Patty, Deputy. No dispensations granted and no decisions rendered. I. B. Hershey, Noble Grand of Klamath Lodge No. 41 resigned and removed to Smith River. Brother Jas. R. McGrew, Past Grand elected to fill balance of term. Our lodge grows slowly. Many of our members live a distance away from the lodge and attendance is usually small. When our town is connected by railroad with other parts of the State, we hope for more rapid advancement.

District No. 28.—Lester M. Secor, Deputy. Dispensations granted: Paskenta Lodge No. 127, July 12, 1913, public installation; Red Bluff Lodge No. 76, January 6, 1914, public installation; Corning Lodge No. 305, January 8, 1914, public installation. No decisions rendered. District meeting was held at Corning, Monday, November 10, 1913, with large attendance from Paskenta Lodge No. 127 and Red Bluff brothers, about sixty in number, in a special train. The First Degree was conferred by Corning Lodge in fine shape. The Second Degree was conferred by Paskenta Lodge No. 127 who gave us a surprise in the good work they were doing in the different degrees. Between the first and second degrees the Rebekahs of Palm Lodge No. 250 invited the crowd to the banquet

room where they served us with roast turkey and all the trimmings. There were 107 at the tables. I think it would be for the good of the Order if the District Deputy was required to hold at least two meetings a year for the purpose of going through the work. In other words a school of instruction. I think it would be a good thing for all the districts. I know the lodges in my district need it and I think it is so in other districts.

District No. 29.—George S. Sams, Deputy. Dispensations granted: June 16, 1913, to Blue Lake Lodge No. 437, to hold joint public installation on July 14th with the Rebekah Lodge; December 8, 1913, to Humboldt Lodge No. 77, and Fortuna Lodge No. 221, to hold joint public installation on January 16, 1914, in the presence of the two Rebekah Lodges of that city (Eureka); December 16, 1913, to Blue Lake Lodge No. 347, for public installation on January 10, 1914, and December 11, 1913, Anniversary Lodge No. 85, to install in public on January 13, 1914. No decisions rendered. District meeting, held in Blue Lake on September 20, 1913, was well attended by all four of the lodges in the district, the work being put on in the First Degree by a picked team from Humboldt and Fortuna Lodges, the work of the Second Degree being put on by Anniversary Lodge team. All work was done in a creditable manner by both teams. About 250 members were present. All lodges seem to be doing nicely and are sound financially.

District No. 30.—Geo. T. Ireland, Deputy. Dispensations granted: East Side Lodge, No. 325, for a public installation held July 8, 1913; East Side Lodge No. 325, for a public entertainment held July 29, 1913; East Side Lodge No. 325, to permit the Boosters Band to hold a dance, November 11, 1913; East Side Lodge No. 325, to hold a dance in their hall, November 18, 1913; Highland Park Lodge No. 60, to hold a dance on December 6, 1913; Highland Park Lodge No. 60, to hold a public installation, January 21, 1914; Highland Park Lodge No. 60, to hold a social entertainment in the name of the Order, January 24, 1914; Highland Park Lodge No. 60, to hold a social entertainment in the name of the Order, February 28, 1914; East Side Lodge No. 325, to hold a dance and card party March 17, 1914; Highland Park Lodge No. 60, to hold a dance and card party on Saturday evening, March 21, 1914; Commercial Lodge No. 387, I. O. O. F., to hold an entertainment in connection with the Wallis School of Dramatic Art in Gamut Theatre, Los Angeles, April 27, 1914. All decisions have been rendered by the Digest. I wish to state that during my term as D. D. G. M., I have had a good time and have been received with the best attendances that the lodges could turn out. I wish to thank the lodges in their efforts as it gave me encouragement in my work. All the lodges in my district are working for the advancement of Odd Fellowship. Several of them have contests on for members. The winning side dines at the expense of the losing side. Golden Rule Lodge No. 160 made the largest gain in my term and is still taking in members. There is a good lot of hard-working Odd Fellows in that lodge and it would not surprise me that No. 160 will be the largest lodge in my district in a year.

District No. 31.—Francis M. Smith, Deputy. No dispensations granted: Decision rendered:

Question.—Is it the duty of the Outside Guardian to prevent the admittance of any one to the ante-room during the opening ceremonies.

Answer.—It is not the duty of the Outside Guardian to prevent the admittance of any one in possession of the Current Term Password to the ante-room during the opening ceremony. It is apparent from the reading of the declaration of duty of the Outside Guardian, that the rule is for the purpose of preventing any interruption or intrusion during the opening ceremony. It is not an interruption or intrusion for Brothers to enter the ante-room during the opening ceremony.

The lodges in this District are in a good condition, although the increase of membership is not as large as I would like to see. This is probably due to limited material. The District Meeting was held October 16, 1913, at Weaverville, but regret to state that Comet Lodge was not represented owing to the distance. Their members are scattered, and reported being busy at this time. Brother Detlef Hansen, of North Star Lodge No. 61, who wears Honorable Veteran Jewel No. 19, occupies our Chaplain's chair every meeting. He has only missed one or two meetings the past year.

District No. 32.—S. S. Bryant, Deputy. No dispensations granted and no decisions rendered. Both lodges holding their own.

District No. 33.—L. F. Sayre, Deputy. Dispensations granted: July 10, 1913, Boulder Creek Lodge No. 152, public installation, July 16, 1913; January 9, 1914, Parajo Lodge No. 90, public installation January 9, 1914; January 14, 1914, Boulder Creek Lodge No. 152, public installation. No decisions rendered. Held a successful District Meeting at Watsonville, February 26, 1914, Parajo Lodge No. 90, exemplifying the First Degree.

District No. 34.—Thomas W. Taylor, Deputy. Dispensations granted: Independence Lodge No. 158, public installation July 5, 1913, and January 3, 1914; West Point Lodge No. 299, public installation July 12, 1913, and January 10, 1914; Mokelumne Lodge No. 44, public installation July 17, 1913 and January 15, 1914; Valley Spring Lodge No. 417, public installation July 18, 1913; San Andreas Lodge No. 50, public installation July 19, 1913 and January 16, 1914; Valley Springs Lodge No. 417, to elect a Third Degree member to the office of Noble Grand, all qualified brothers declining to serve. No decisions rendered. A District meeting was held, all the lodges of the District being represented. It seemed to be the opinion of many of the brothers that the benefits derived from the meeting was not enough to justify the expense. The attendance was good, and I think some good was accomplished. Every lodge in the District is growing and in good financial condition.

District No. 35.—W. Wright, Deputy. Dispensations granted: Rising Sun Lodge No. 392, to hold joint public installation with Boyle Heights Rebekah Lodge, July 9, 1913; Atlas Lodge No. 391, to hold public social September 8, 1913; Rising Sun Lodge No. 392 to hold a public social September 17, 1913; America Lodge No. 385 to give a public entertainment in name of the Order in the Temple Auditorium, Los Angeles, Thursday and Friday evenings, November 13 and 14, 1913; Atlas Lodge No. 391 to hold a public social Novem-

ber 4, 1913; Watts City Lodge No. 412, November 29, 1913, to elect a Scarlet Degree member to the office of Noble Grand, all eligible members declining; Atlas Lodge No. 391, to hold a joint installation with Acme Lodge No. 303 at the hall of Acme Lodge, December 28, 1913. Decisions rendered:

Question.—Asked from Atlas Lodge No. 391. Is it necessary to have a dispensation for public entertainment when there is no admission fee charged?

Answer.—Yes.

Question.—Asked from West End Lodge No. 389. A member has been proven guilty of an offense against the laws of the State, and has been sentenced to the State Penitentiary. What is the proper action to take?

Answer.—Prefer charges; if proven guilty, the form of punishment (Fine, Suspension, Reprimand or Expulsion), to be decided by the Lodge. Upon investigating above case, I found that the member was a doctor and had been proven guilty of abortion and sentenced to three years at Folsom. Advised West End Lodge that the only punishment was expulsion.

Question.—Asked from West End Lodge No. 389. A man made application for membership by initiation and paid \$10.00 for same. The Lodge placed the \$10.00 in their general fund. The committee upon investigating reported unfavorably. The party seemed unworthy of membership. The By-Laws of West End Lodge state that a candidate before initiation must be examined by a doctor. The above applicant had not been examined. What is the proper action to take?

Answer.—Ask the Brother who proposed the party for membership (or any other member of the Lodge) to make a motion to withdraw the application, and that a warrant be drawn in favor of said applicant for \$10.00. Inform the applicant that his application is rejected.

Regarding Ritual No. 1575 which was lost from Semi-Tropic Lodge No. 371, the members of Semi-Tropic Lodge are unable to locate the lost Ritual.

I have frequently visited the lodges comprising the District during my term of office. Wish to thank the lodges for the good will, fellowship and support they have given me. Nearly all of the lodges have had candidates for initiation each month, and the District is on the upward grade financially, except West End Lodge No. 389, which on account of excessive sickness and deaths (their treasury being exhausted), have voted to consolidate with America Lodge No. 385. Installations were performed at beginning of term, July, 1913 and January 1914 by a team of efficient officers in an excellent manner. Instructed the Noble Grand and Vice Grand in their work, and pleased to report their efficiency.

District No. 36.—Jesse L. Sawyer, Deputy. No report.

District No. 37.—C. H. Werder, Deputy. No report.

District No. 38.—Theo. H. Behnke, Deputy. No dispensations granted and no decisions rendered. Installed the officers of Marion

Lodge No. 101 for the July and January terms, and delivered the unwritten work whenever occasion required its rendition.

District No. 39.—J. F. Ohaver, Deputy. Dispensations granted: Citrus Lodge No. 367, Glendora Lodge No. 404, and Covina Lodge No. 362, to hold joint installation with Rebekahs, July, 1913. No decisions rendered.

District No. 40.—Wm. E. Smith, Deputy. Dispensations granted: January 10, 1914, Sutter Lodge No. 100, public installation; January 23, 1914, Sheridan Lodge No. 312, public installation. No decisions rendered. Lodges in good condition and growing, Sheridan having added three new members since January 1st. Harmony is quite noticeable as there had been some discord with the change in lodges from District No. 4 to District No. 40, making four lodges in our district. I have great expectations for District No. 40. With good working members close enough to get together, we ought to wake up.

District No. 41.—P. A. Robertini, Deputy. Dispensations granted: August 8, 1913, Portola Lodge No. 427, to hold a public ball under the auspices of the lodge, and in the name of the Order. Decisions rendered: Greenville Lodge No. 252, in the case of Brother G. B. Gentilini, regarding a sick benefit, which I referred to Louderback's Digest, page 185, Section 505. This brother has been behind with his dues for six months, and during that period was taken sick. The By-Laws of Greenville Lodge No. 252, say that after one is thirteen weeks in arrears he is not entitled to receive benefits. Installed the Officers of Greenville Lodge No. 252, July 5, 1913; Portola Lodge No. 427, July 7, 1913; Mohawk Lodge No. 292, July 19, 1913; Indian Valley Lodge No. 136, July 26, 1913. Every lodge in District No. 41 is in fine condition and the brothers are all looking forward to a bright future. I appreciate the honor of being District Deputy, and have enjoyed my visits to the various lodges of the District.

District No. 42.—Chas. Stirn, Deputy. No report.

District No. 43.—E. B. Church, Deputy. Dispensations granted: White Pine Lodge No. 175, public installation, July 9, 1913. No decisions rendered. Am pleased to state that the lodges in this district have been gaining new members during my term. The smoking law has been strictly enforced.

District No. 44.—H. W. Lampkin, Deputy. No dispensations granted. Decisions rendered: March 23, 1914, San Mateo Lodge No. 265. Warrants drawn on Treasury to defray transportation expenses of brothers visiting Bay View Lodge, were illegal (San Mateo Lodge has but one fund, viz. General Fund).

District No. 45.—Walter R. Tavernetti, Deputy. Dispensations granted: Monterey Lodge No. 182, joint installation with Cypress Rebekah Lodge, January 28, 1914; Gabilan Lodge No. 372, to hold open installation August 4, 1913 and February 3, 1914, on account of no hall to hold regular installation. No decisions rendered. All lodges in good financial condition. Gabilan Lodge No. 372 is having plans drawn for a new concrete hall, to be erected immediately.

District No. 46.—W. A. Bailey, deputy. Dispensations granted: July 12, 1913, Tulare City Lodge No. 306, public installation; July

16, 1913, Lindsay Lodge No. 57, public installation; January 9, 1914, Exeter Lodge No. 308, public installation; January 10, 1914, Four Creeks Lodge No. 94, public installation; January 13, 1914, Dinuba Lodge No. 381, public installation; January 17, 1914, Tulare City Lodge No. 306, public installation; January 20, 1914, Porterville Lodge No. 359, public installation. No decisions rendered.

District No. 47.—Frank Marshall, Deputy. No report.

District No. 48.—C. A. Beaver, Deputy. Dispensations granted: Sawtelle Lodge No. 128, entertainment in name of Order, June 30, 1913; Sawtelle Lodge No. 128, public installation July 7, 1913; Seaside Lodge No. 369, public installation July 8, 1913; Seaside Lodge No. 369, entertainment in name of Order, July 12, 1913; Hollywood Lodge No. 353, entertainment in name of Order, December 2, 1913; Hollywood Lodge No. 353, entertainment in name of Order, January 2, 1913. No decisions rendered. All officers were installed in regular form in July, 1913, and January, 1914. The lodges are all prospering and there seems to be a good brotherly feeling throughout the District. On December 29, 1913, the lodges of District No. 48 assembled at Redondo Beach and held a District meeting. This proved to be a very interesting session and the demonstration given by all the lodges showed that the brothers had spent much time and study on their various parts. There were 350 Odd Fellows present and it was an instructive meeting.

Following is the program of the District Meeting. Motto: "Harmony"—"Efficiency"—"Expedition."

District No. 49.—R. G. Erskine, Deputy. Dispensations granted: Crockett Lodge No. 329, public installation August 9, 1913; Byron Lodge No. 335, to elect Scarlet Degree member Noble Grand, August 27, 1913; Eclipse Lodge No. 403, public installation, January 5, 1914; Byron Lodge No. 335, public installation, January 3, 1914; Eclipse Lodge No. 403, whist party, February 2, 1914; Twilight Lodge No. 119, public installation, January 31, 1914. No decisions rendered. Lodges of District No. 49 prosperous. Had splendid District Meeting on January 24, 1914, at Antioch. Grand Master Thos. H. Selvage and Grand Patriarch George F. Ward whose addresses were greatly enjoyed were present. Expect to have another lodge in this district about June, with twenty charter members. I think the Order should take some action regarding the Three Links, so that our new members would not confuse them with the Manchester Unity.

District No. 50.—Hans Peterson, Deputy. No dispensations granted and no decisions rendered. Installed the officers of Silver Star Lodge No. 135, January 8, and exemplified the unwritten work; installed the officers of Lassen Lodge No. 421, January 10 and exemplified the unwritten work; installed officers in Honey Lake Lodge No. 223, January 17, and exemplified the unwritten work. It gives me pleasure to report that the three lodges in District No. 50 are prospering and doing well.

District No. 51.—W. M. Clark, Deputy. Dispensations granted: December 2, 1913, Elsinore Lodge No. 326, to elect Third Degree member Noble Grand, all qualified brothers declining to serve; Beaumont Lodge No. 409, to hold social party in name of Order on December 31, 1913; San Bernardino Lodge No. 290, public installation of Officers on January 14, 1914. No decisions rendered. The attention of incoming lodge officers is called to the importance of the unwritten work. While in no case has it been poor enough to disqualify an officer, in a majority of cases there was much room for improvement. The weakest lodge in the district seemed to be entitled to most of my attention. Olive Branch Lodge No. 336 has lost steadily for years. I have visited them several times, once with A. S. Fox, P. G. of Redlands Lodge No. 341, and Edw. Walden, P. D. D. G. M. They have now increased over 50% and give promise of substantial progress. Following the example of many of my predecessors in this office, I urgently recommend a division of this district for the following reasons: There are ten lodges widely separated and five of them meet Tuesday nights. This delays installations and forwarding of reports promptly. Being so widely separated the lodges are deprived of the benefit of fraternal visits, which is an important feature. It is a hardship for a District Deputy to do his duty owing to the distance he must travel. I have made frequent trips to Elsinore Lodge No. 336, a trip of ninety miles, at considerable expense of time and money, but the results have been excellent. I could not at the same time visit other lodges that needed help for a lack of time. At present, a lodge has a district deputy once in ten years. Thus only one in every twenty past grands can serve in an office which many of them are capable of filling and anxious to serve. The office is an education in Odd Fellowship and service in it improves a brother's usefulness in his own lodge. Sentiment in a majority of the lodges favor the division. The best lines of division seem to be Nos. 190, 282, 336, 377, and 383 in one district, and Nos. 235, 290, 326, 341, and 409 in another district. I urge the serious consideration of this matter. This report covers six months, from September 30, 1913, to March 31, 1914, the unexpired term I am serving. District meeting was held April 18, 1914, at Elsinore.

District No. 52.—J. H. Converse, Deputy. No dispensations granted and no decisions rendered.

District No. 53.—Chas. H. Noyes, Deputy. Dispensations granted: Cuyamaca Lodge No. 423, June 27, 1913, to entertain publicly San Diego Canton. Decisions rendered: Payment of funeral benefits to a brother in arrears relative to sick benefits, but not suspended. Inquiry from Cuyamaca Lodge No. 423. My reply that benefits allowed by lodge in its by-laws should be paid. A feature of this year's work in District No. 53, has been a contest for a set of gold mounted gavels, presented to the lodges of the district by A. P. Johnson, Jr., D. G. M. The winner of the gavels to be decided by the greatest percentage of gain in membership during a term. The lodge to which the decision shall be given the third time to become permanent owner of the gavels. Cuyamaca Lodge No. 423 of La Mesa was the successful contestant for the term ending December 31, having made a gain of 25 per cent.

District No. 54.—George Robson, Deputy. Dispensations granted: Channel City Lodge No. 232, to give a card party on the

evening of March 31, 1914. No decisions rendered. Organized a District Committee at the beginning of term, five members from Subordinates, five from Encampments, and five from each of the Rebekah Lodges. We are doing good work getting in new members in all branches of the Order.

District No. 55.—Joseph Hurych, Deputy. No dispensations granted and no decisions rendered. My duties as District Deputy have been very pleasant. I wish to extend my sincere appreciation to the lodges for the many courtesies they have shown in my behalf. I cannot emphasize too strongly the good that could be derived if the lodges would exchange visits more often. On Friday evening, April 3, 1914, the Lodges of the District held a District Meeting. J. W. Harris, Grand Treasurer, F. D. Macbeth, Grand Warden, J. R. Aitken, Henry Newburgh and others were called upon for short addresses.

District No. 56.—Earl Field, Deputy. Dispensations granted: Merced Lodge No. 208, public installation July 12, 1913 and January 8, 1914. No decisions rendered. Installed officers of Merced Lodge No. 208 on July 12, 1913 and January 10, 1914 at public installation. Installed officers of Willow Lodge No. 121 on July 19, 1913 and on January 3, 1914. Held a District meeting in Merced on March 7, 1914. Merced Lodge No. 208 put on the Initiatory Degree and Willow Lodge No. 121 exemplified the First Degree. About 170 members were present and the Grand Master paid us an official visit. We lost several members by death the past year, but the Order is prospering and going ahead at the present time.

District No. 57.—H. A. Gowman, Deputy. Dispensations granted: August 11, 1913, to Chorro Lodge No. 168, San Luis Obispo, to elect a Third Degree member to the office of Vice Grand, the member not having served a majority of nights in an appointive office, and all eligible members having refused to serve. Decisions rendered:

A brother of Arroyo Grande Lodge was appointed the station of R. S. N. G. in Chorro Lodge, and served as such until the question was raised by one of the members of the Chorro Lodge.

Question—Can a member of another lodge hold an appointive office, regularly in a lodge of which he is not a member?

Answer—No.

Lodges in this district in good financial condition. Membership at a standstill. Cayucos Lodge No. 300, of Cayucos, is in splendid circumstances as far as finances are concerned, but their attendance is such that they hold but very few meetings during the term. This is due to the fact that they are in the center of a dairy community where early rising is the rule. Their membership is scattered, and at times the roads are impassible.

District No. 58.—J. F. Lichtenberger, Deputy. No dispensations granted and no decisions rendered. During my term of office, installed the officers of Donner Lodge No. 162 for July and January terms. This is the only lodge in my District

District No. 59.—H. J. Lewis, Deputy. Dispensations granted: July 9, 1913, Capay Lodge No. 230, public installation; July 12, 1913, Grafton Lodge No. 293, public installation; July 14, 1913, Winters

Lodge No. 414, public installation; January 9, 1914, Madison Lodge No. 287, public installation; January 17, 1914, Capay Lodge No. 230, public installation; January 15, 1914, Grafton Lodge No. 293, public installation; January 20, 1914, Woodland Lodge No. 111, public installation. No decisions rendered. I believe a lodge could be instituted at Broderick, Yolo County, and one at Rumsey, Yolo County.

District No. 60.—A. O. Carpenter, Deputy. Dispensations granted: July, 1913, Willits Lodge No. 277, for public installation; July 9, 1913, Willits Lodge No. 277, to elect Third Degree member Noble Grand, all qualified brothers having declined; July 12, 1913, Ukiah Lodge No. 174, for public installation; January 10, 1913, Cahto Lodge No. 206, to elect Vice Grand from the floor, all qualified brothers declining. Decisions rendered: Ukiah Lodge No. 174, having failed to elect officers at the stated constitutional date, decided it might elect at any date thereafter. At the present date, March 18, the lodges of this district are making satisfactory gains, though death and suspensions have made inroads on their membership during the past year. Cahto has taken in two, and Ukiah four new members.

District No. 61.—Chas. A. P. Ekstrom, Deputy. No report.

District No. 62.—P. W. Funchess, Deputy. No report.

District No. 63.—Geo. M. Boyer, Deputy. Dispensations granted: February 7, 1914, Etna Lodge No. 184, to elect Third Degree member to the office of Vice Grand, all qualified members declining to serve. No decisions rendered. Am pleased to state that more interest has been taken in our lodge work the past year than any time in the last ten years. A district meeting of the lodges of this district with all the branches of the Order represented on April 25, was held in I. O. O. F. Hall at Etna Mills. Brother Eli Barnum, 97 years old, and without doubt the oldest Odd Fellow in the United States, was with us. He has been an Odd Fellow since 1839.

District No. 64.—Arthur J. Sturgeon, Deputy. Dispensations granted: June 16, 1913, to Oakland Lodge No. 118, public whist party; June 22, 1914, to Oakland Lodge No. 118 and Enterprise Lodge No. 298, public meeting; June 28, 1913, to Oakland Lodge No. 118, public funeral of D. A. Price, P. G.; July 11, 1913, for public installation of Oakland Lodge No. 118 and University Lodge No. 144; August 30, 1913, to Oakland Lodge No. 118 for theatre party on September 24, 1913; October 15, 1913, to Oakland Lodge No. 118, for social and dance; October 15, 1913, to Porter Lodge No. 272, for dance; December 10, 1913, to Oakland Lodge No. 118, for dance; January 28, 1914, to North Oakland Lodge No. 401, for public installation; January 4, 1914, to Oakland Lodge No. 118, for public installation. Decisions rendered: I have rendered no decisions during my term except to answer questions that were plainly stated in the Digest. On June 22, District No. 64 joined with the Rebekah Lodges of District No. 70 in a public memorial service at the I. O. O. F. Hall at Eleventh and Franklin streets, which was very well attended. On June 24, Oakland Lodge No. 118 and Enterprise Lodge No. 298, were consolidated and the following Grand Officers were present: Thomas M. Selvage, Grand Master; H. D. Richardson, Grand Secretary; Jas. W. Harris, Grand Treasurer; J. F. Hottel, Grand Conductor, and Gen. J. K. Ritter, Commander of the Patriarchs Militant of California. On March 11, 1914, we held a joint

District Meeting at Porter Hall between the lodges of District No. 64 and the Rebekah Lodge of District No. 70, at which there were over 300 present and was a grand success socially. We are now making preparations for the laying of the cornerstone of our new temple which will take place on the 26th of April and we expect to make this a day never to be forgotten by the Odd Fellows of Oakland. While we have not made many additions to our membership, the past year, all the lodges of District No. 64 are in a good financial condition and since January 1st, all have been busy and the outlook was never better for a large increase in membership. I have visited all the lodges in my District regularly and conducted all the installations and can report that all the officers are well up in their work.

District No. 65.—F. X. Bouillard, Deputy. Dispensations granted: Durham Lodge No. 311, public installation July 11, 1913; Stirling City Lodge No. 178, public installation July 18, 1913 and January 17, 1914; Chico Lodge No. 113, public installation January, 1914; Beuna Vista Lodge No. 268, public installation January 10, 1914; Durham Lodge No. 311, public ball at dedication of new hall. Decisions rendered:

Question.—A brother died out of standing. Was the lodge liable for funeral benefits?

Answer.—No. But was liable for funeral expenses not to be less than \$30.00. By-Laws of lodge do not provide for funeral expenses, but provide \$65.00 funeral benefits. Lodge paid \$65.00 funeral expenses.

Question.—Can the lodge take from its general fund money to fit up, rent room, and defray expenses of a club room?

Answer.—No. Club room is not necessary and in keeping with our Order.

District No. 66.—Theo. Treyer, Deputy. Dispensations granted: Franco-American Lodge No. 207, to elect Third Degree member to office of Vice Grand, all qualified brothers declining to serve. The past term was the first in the history of Franco-American Lodge without initiating any candidates. No decisions rendered. Smoking law strictly observed.

District No. 67.—Ernest K. Little, Deputy. Dispensations granted: July 1, 1913, to Unity Lodge No. 131, of San Francisco, to hold public entertainment in honor of Past Grand Master William H. Barnes on his birthday. December 10, 1913, to Odin Lodge No. 393, to hold an entertainment and dance for the benefit of Brother Anton E. Lindstrom, Past Grand, to assist him during his seven months illness; January 7, 1914, Unity Lodge No. 131, to hold a special meeting for the purpose of having a joint installation with Odin Lodge No. 393. Decisions rendered: A member of Golden West Lodge No. 322 was elected to membership in a lodge in Michigan by transfer certificate. The certificate was issued by Golden West Lodge and forwarded to the lodge in Michigan. The Brother returned west before signing the Constitution of the Michigan Lodge and desired to be re-instated in Golden West Lodge. This lodge was desirous of holding his membership. Held that with the consent of the Michigan Lodge, Golden West could have transfer certificate returned and cancelled. A decision of

the Sovereign Grand Lodge covers the point in question. In lieu of a district meeting, District No. 67 paid a fraternal visit to Garden City Lodge No. 142 on March 28, 1914, conferring the Initiatory and First Degrees and partaking of a banquet with Garden City Lodge. About 160 members from District No. 67 were in attendance. On Sunday, March 29, 1914, District No. 67 made a pilgrimage to the I. O. O. F. Home, taking members of Garden City Lodge as their guests. Luncheon was served and a good time enjoyed by all.

District No. 68.—Harry L. Lloyd, Deputy. No dispensations granted and no official decisions rendered. On December 20, 1913, Sargent Lodge No. 368 was merged into and consolidated with Golden Gate Lodge No. 204. Grand Warden Frank D. Macbeth officiated for the Grand Master and was ably assisted by Grand Secretary H. D. Richardson, and Grand Treasurer James W. Harris. A large and enthusiastic gathering witnessed the ceremonies, and much was said that would be of great benefit to the reorganization. By this consolidation, the number of lodges in the District is reduced to five. On the evening of March 23d, a meeting of District No. 68 was held in Friendship Hall, Odd Fellows Temple, San Francisco, and attended by 114 Odd Fellows. Grand Master Thos. H. Selvage and Grand Scribe Wm. H. Barnes being present, both made eloquent and pleasing addresses. A review of the year's work in the district was had, and some new ideas effecting the membership of the Order and the attendance at lodge meetings were advanced and listened to with a great deal of interest. Our I. O. O. F. Brass Band, composed of sixteen pieces and originated in Fidelity Lodge No. 222, and known as Fidelity Band, appeared for the first time before an audience and gave several selections. This band, after a practice of about three months under the able leadership of Brother W. M. Mitchell, present N. G. of Fidelity Lodge, now bids fair to become in another twelve months one of the finest bands in the state of California. At the close of the meeting, all adjourned to the Banquet Hall, where an elaborate supper was partaken of, after which we scattered to our various homes, satisfied with what had been accomplished in the district during the past year and with the feeling that it is good for brethren to dwell together in Unity.

District No. 69.—W. W. Perry, Deputy. Dispensations granted: Fullerton Lodge No. 103, public installation, July 14, 1913 and January 12, 1914; Westminster Lodge No. 72, public installation, July 11, 1913, and January 16, 1914; Huntington Beach Lodge No. 183, public installation, July 15, 1913 and January 13, 1914; Orange Lodge No. 225, public installation, July 5, 1913 and January 9, 1914; Anaheim Lodge No. 199, public installation, January 6, 1914. No decisions rendered. Visited all the lodges in this District and find them improving. The members are working in harmony for the best interests of Odd Fellowship and the upbuilding of our Order. Most of the lodges doing excellent ritualistic work, especially in the Initiatory and First Degrees. The anniversary of the Order was observed by all the lodges in the District by holding a picnic at the Orange County Park on Saturday, April 25. Have enjoyed performing the duties of District Deputy.

District No. 70.—L. E. Ballagh, Deputy. Dispensations granted: July 30, 1913, Laguna Lodge No. 224, to elect a Third Degree mem-

ber to the office of Vice Grand, all qualified members having refused to serve. No decisions rendered. It is gratifying to state that all lodges in this district have taken in members. I have endeavored to create the spirit of fraternity among the different lodges, and am pleased to say that I have met with success. All lodges are prospering and working in harmony. Laguna Lodge No. 224 has just completed a fine, commodious hall and will dedicate the same in the near future.

District No. 71.—Chas. A. King, Deputy. Dispensations granted: July 17, 1913 and January 14, 1914, public installation Monroe Lodge No. 289. No decisions rendered.

District No. 72.—D. B. Peugh, Deputy. Dispensations granted: Cloverdale Lodge No. 193, public installation July 9, 1913; Geyserville Lodge No. 176, public installation July 15, 1913; Forestville Lodge No. 320, public installation July 17, 1913; Santa Rosa Lodge No. 53, public installation July 18, 1913; Osceola Lodge No. 215, public installation January 10, 1914; Redwood Lodge No. 281, public installation January 12, 1914; Healdsburg Lodge No. 64, public installation January 13, 1914; Sonoma Lodge No. 28, public installation January 20, 1914; Forestville Lodge No. 320, public installation January 24, 1914. No decisions rendered. Visited all the lodges twice, installed their officers and gave the unwritten work once during my term, and I wish to thank the lodges of this District for courtesies extended. It has been a pleasure to serve as District Deputy.

District No. 73.—R. E. Ranous, Deputy. Dispensations granted: July 5, 1913, Kern Lodge No. 202, to hold public installation; July 12, 1913, Delano Lodge No. 356, public installation; January 3, 1914, Kern Lodge No. 202, public installation; January 5, 1914, Taft Lodge No. 426, public installation. No decisions rendered. I am pleased to report a gain of 77 members for my district during the year ending December 31, 1913. Taft Lodge No. 426 shows a gain of 61. Kern Lodge No. 202 shows a gain of 17. While Delano Lodge No. 356 has lost one during the year ending December 31, 1913, they are now picking up a little. I think, a visit from some of the Grand Officers would be a great help to Delano Lodge. The support I have received from all of my lodges has been of the very best.

District No. 74.—G. G. Bouret, Deputy. No report.

District No. 75.—A. B. Massa, Deputy. No dispensations granted and no decisions rendered.

District No. 76.—I. C. Harris, Deputy (died in February). Dispensations granted: Meridian Lodge No. 212, to initiate and confer First Degree same evening, about middle of January, 1914. No decisions rendered. (Report furnished by C. E. Reische, Secretary Meridian Lodge No. 212).

District No. 77. D. J. Lynch, Deputy. No dispensations granted and no decisions rendered.

District No. 78.—C. A. Raker, Deputy. No report.

District No. 79.—Charles Welch, Deputy. Dispensations granted: January 3, 1914, Clements Lodge No. 355, for open installation with the Rebekah Lodge. The installation was largely attended and a general good time was enjoyed. January 8, 1914, Jefferson

Lodge No. 98, for open installation with the Rebekah Lodge. This was one of the largest installations that had ever been held in the District. No decisions rendered. Held one District meeting during my term, and it was largely attended. The Second Degree was put on by a picked team. Report all lodges in the District prosperous.

District No. 80.—James Borland, Deputy. Dispensations granted: July 7, 1913, to elect Louis Perry a Scarlet Degree member to the office of Vice Grand, all qualified brothers refusing to serve. No decisions rendered. There is only one lodge in District No. 80, Bodie Lodge No. 279, and the scarcity of employment has made it necessary for the members of this lodge to seek employment elsewhere, and while we have a membership in good standing of forty-three members, there is only three residents in town and three more living in Nevada about twelve miles from here, so it has been necessary for at least two members to come twelve miles to hold a meeting, so I am of the opinion that unless things improve it will be necessary for this lodge to consolidate with some other lodge.

District No. 81.—Richard A. Houck, Deputy. Dispensations granted: Columbia Lodge No. 40, July 9, 1913, to elect Third Degree member to the office of Vice Grand, qualified brothers declining to serve; San Leandro Lodge No. 231, December 16, 1913, to hold public installation January 10, 1914, jointly with Rose Rebekah Lodge No. 224, and Alameda Encampment No. 28; Columbia Lodge No. 40, December 17, 1913, to elect third degree member to office of Vice Grand; qualified brothers declined; Fruitvale Lodge No. 69, to give public dance on February 28, 1914, granted February 25, 1914; Fruitvale Lodge No. 69, to hold public installation January 14, 1914; January 1, 1914, to Elmhurst Lodge No. 384, to hold joint installation with the Elmhurst Rebekah Lodge on January 8, 1914; March 25, 1914, to Columbia Lodge No. 40, to give public whist party April 8, 1914. Decisions rendered: Columbia Lodge No. 40, Appeal of Brother Jas. Tait, P. G., from the ruling of the Noble Grand on January 28, 1914, that Brother Frank J. Smith, P. G., be fined one dollar for neglect of duty in failing to visit four brothers who were sick. The ruling of the Noble Grand sustained by the lodge—By-Laws relative thereto. Any member of the visiting committee neglecting to visit the sick shall be fined one dollar unless he gives a legal excuse. Brother Smith was a member of the visiting committee, and requested that he be fined. The basis of the appeal of Brother Tait was founded on Section 1398, Louderback Digest, which reads as follows: When the By-Laws of a lodge provide that each member of the visiting committee shall visit sick brothers once a week and provide a fine for neglect of duty, the neglect to visit each sick brother is a separate offense, and subject to a separate fine.—Eidenmuller vs. Harmony Lodge, 1861, Journal 163-187. Brother Tait contended that Brother Smith was subject to four separate fines of one dollar each, and not being sustained by the Noble Grand or by the lodge, he appealed the case. The appeal of Brother Jas. Tait, P. G., was sustained. Advised by the Grand Master that the By-Laws are not susceptible of the interpretation I have placed thereon, that the law is penal and must be strictly construed, that from a legal standpoint the law could not be construed to inflict a greater penalty than shown by its text. I reversed my decision and sustained the Noble Grand in

his ruling. Held district meeting October 21, 1913, in San Leandro Lodge No. 231. Principal topic: Suspension for non-payment of dues. Suggested remedy; universal benefits in all lodges regulated by an equalization fund in each Grand Lodge, or the Sovereign Grand Lodge. Held district meeting in Encinal Lodge No. 164, March 30, 1914. Principal topic: Admission to membership at age of 18. All present, except four members, favored a change. Committee appointed to draft resolutions, to be presented to Grand Lodge in May, 1914. Visitation by the Grand Master on January 28, 1914. He gave an interesting talk, and stated he favored admission to membership at age of 18. Endorsed by the district. Regret to report a loss in membership during my term. I expect the next report will show a gain.

District No. 82.—Ed. Zimmerman, Deputy. No dispensations granted and no decisions rendered. Installed officers in due form. Garcia Lodge is holding its own as to members and things in general are running along fine.

District No. 83.—Reese Copsey, Deputy. Dispensations granted: July 12, 1913, Romero Lodge, No. 413, I. O. O. F., to hold public installation; July 16, 1913, Santa Rita Lodge, No. 124, I. O. O. F., to hold public installation; November 24, 1913, Santa Rita Lodge No. 124, I. O. O. F., social party in name of Order; January 3, 1914, Romero Lodge No. 413, I. O. O. F., to hold public installation; January 7, 1914, Santa Rita Lodge No. 124, I. O. O. F., to hold public installation; January 10, 1914, Mountain Brow Lodge No. 82, I. O. O. F., to hold public installation; January 24, 1914, Oristamba Lodge No. 354, I. O. O. F., to hold public installation. Decisions rendered: Mountain Brow Lodge No. 82, I. O. O. F., on February 26, 1914, requested a ruling on the question of Physician's Health Certificate from a candidate by card from a lodge whose By-Laws were silent on the subject. I ruled that a lodge whose By-Laws were silent on the subject of Physician's Health Certificate, the requirement of a Health Certificate was optional with that Lodge.—Louderback's Digest, Page 462, Section 1783. But where a lodge whose By-Laws required a Physician's Health Certificate, that lodge had the right to require a Physician's Health Certificate from all candidates, whether by initiation, reinstatement or otherwise.—Louderback's Digest, Page 462, Section 1785. Our District Meeting was held at Gustine on November 15, 1913. The four lodges of the District were well represented. The Degree teams performed their work in a very creditable manner. The expenses incurred were met pro rata per membership by the lodges of the District. The benefits of this meeting were a friendly emulation of Degree work and a close fraternal feeling. All the lodges of the District are doing well.

District No. 84.—Henry J. Dellett, Deputy. Dispensations granted: Fort Bragg Lodge No. 360, to hold public installation July 5, 1913. Stellar Lodge No. 213 to hold public installation January 3, 1914. Both of the above lodges having requested the above dispensations by letter and deeming it for the good of the Order, the same was granted. No decisions rendered.

District No. 85.—Fred A. Ash, Deputy. No dispensations granted. Decisions rendered: In Cedarville Lodge No. 249, about July 25th, the secretary omitted a motion from minutes. Next

meeting the minutes were read and approved. Two meetings later about the same members being present, the matter of this omission was brought up and some brothers asked that the motion be placed on the minutes. Noble Grand and lodge asked me for decision.

Decision: As all members agreed that the motion was omitted July 25, I decided that they should enter it in minutes of any following meeting after minutes of July 25th had been approved. Installed officers of Cedarville Lodge No. 249, and Morilla Lodge No. 291 in July and in January. Cedarville Lodge No. 249 has had some friction and I think needs a visit from the Grand Master. Morilla Lodge No. 291 is in debt on account of building new Hall, but are working harmoniously and steadily growing.

District No. 86.—E. Anderson, Deputy. Dispensations granted: Lompoc Lodge No. 248, public installation of officers January 6, 1914. No decisions rendered.

District No. 87.—B. F. Gassaway, Deputy. No report.

District No. 88.—Roscoe Pratt, Deputy. Dispensations granted: Maxwell Lodge No. 361, joint installation July 14, 1913; Spring Valley Lodge No. 316, joint installation July 19, 1913; Grand Island Lodge No. 226, joint installation July 29, 1913; Spring Valley Lodge No. 316, joint installation January 10, 1914; Colusa Lodge No. 133, joint installation January 31, 1914; Grand Island Lodge No. 226, joint installation February 14, 1914; Spring Valley Lodge No. 316, social ball April 3, 1914. No decisions rendered. The District meeting of District No. 88 was held March 28, 1914, and six candidates received the four degrees. The lodges of District No. 88 are taking a great interest in Odd Fellowship. There is one Ritual missing in Central Lodge and to this date have not been able to locate it. I find it hard to enforce the smoking law, but it has been enforced to some extent. Some brothers refuse to attend lodge because they cannot smoke.

District No. 89.—M. C. Muldoon, Deputy. No dispensations granted and no decisions rendered.

District No. 90.—J. D. Murphey, Deputy. No report.

District No. 91.—E. A. Bovell, Deputy. Dispensations granted: Crown City Lodge No. 395, joint installation July 9, 1913, with Crown City Rebekah Lodge No. 325; El Monte Lodge No. 424, joint installation January 7, 1914, with El Monte Rebekah Lodge; Alhambra Lodge No. 217, joint installation January 9, 1914, with Hermosa Valley Rebekah Lodge No. 303; I Will Lodge No. 243, joint installation January 19, 1914, with Mayflower Rebekah Lodge No. 300; No decisions rendered. All questions satisfactorily answered by Digest. El Monte Lodge No. 424, is making a splendid growth, also I Will Lodge No. 243, is gaining in membership. Lodges in this District are working harmoniously and the spirit of Odd Fellowship predominates. I wish to thank the lodges for good fellowship and support they have given me.

District No. 92.—R. S. Clark, Deputy. Dispensations granted: July 19, 1913, Isleton Lodge No. 108, to hold public installation; January 3, 1914, Vacaville Lodge No. 83, to hold public installation; January 24, 1914, Montezuma Lodge No. 172, public installation; March 7, 1914, Vacaville Lodge No. 83, for social meeting celebrating

fifty-fifth anniversary of lodge. No decisions rendered. Lodges working harmoniously.

District No. 93.—Fred A. Jackson, Deputy. No report.

District No. 94.—William G. Smalling, Deputy. Dispensations granted: Nacimiento Lodge No. 340, to hold joint public installation with Natalia Rebekah Lodge No. 216, July 8, 1913; Nacimiento Lodge No. 340, to hold joint public installation with Natalia Rebekah Lodge No. 216, January 5, 1914; Santa Lucia Lodge No. 350, to hold joint public installation with Ysabel Rebekah Lodge No. 213, January 10, 1914. No decisions rendered.

District No. 95.—Geo. B. Miller, Deputy. Dispensations granted: June 5, 1913, Claremont Lodge No. 418, for the purpose of electing Brother Frank L. Miller to the office of Noble Grand, all qualified members refusing to serve; July 3, 1913, for public installation. No decisions rendered. The lodges are in normal condition. District meeting and anniversary held jointly April 25, 1914, in Pomona.

District No. 96.—T. A. Rogerson, Deputy. Dispensations granted: Evening Star Lodge No. 263, to elect Scarlet Degree brother to the office of Vice Grand, all Past Grands refusing to serve; February 26, 1914, to Berkeley Lodge No. 270, to hold a joint public entertainment with Berkeley Rebekah Lodge No. 262. No decisions rendered. Brother H. B. Ingersol, Vice Grand of Evening Star Lodge No. 263, disappeared on February 7, and has not been heard from since. His office has been declared vacant. Brother Herman was elected to succeed him. Smoking law enforced and the lodges are working in harmony.

District No. 97.—W. H. McIlmoil, Deputy. No dispensations granted. Decisions rendered: On January 5, 1914, at installation of officers of Dunsmuir Lodge No. 120, objection was made to installation of Secretary elect. On investigation, I found the election had been legal and the officer should be installed. He, however, volunteered to withdraw until the matter in dispute was settled. I declared him entitled to installation. On September 27, 1913, at request of the Grand Master, and being commissioned I instituted McCloud Lodge No. 423, with seven charter members, who elected officers and they were duly installed. With the assistance of Sis-kiyou Lodge No. 370 of Sisson, 35 members were given the degrees. This lodge has shown much enthusiasm and is a valuable addition to the Order. The true spirit of Odd Fellowship and harmony permeates all three lodges in this District.

District No. 98.—Frank E. Allan, Deputy. Dispensations granted: January 8, 1914, Bohem Lodge No. 138, joint public installation with Ocean Queen Rebekah Lodge No. 58; January 15, 1914, Long Beach Lodge No. 390, joint public installation with Del Mar Rebekah Lodge No. 275. No decisions rendered. Lodges in this district are in a prosperous condition. Many new members have been taken in. Long Beach Lodge is doing noble work in caring for brothers who come here for their health, as well as for their own members.

District No. 99.—J. D. Wetmore, Deputy. Dispensations granted: Brownsville Lodge No. 283, to hold Anniversary Ball, July 26, 1913, in the name of the Order. No decisions rendered.

District No. 100.—C. W. Stearns, Deputy. No report.

District No. 101.—A. Biscop, Deputy. No dispensations granted and no decisions rendered. Installed the Officers in both terms, and wish to state that the same have been working to better conditions and attendance. District should consist of more than one lodge. This would bring about more frequent and friendly calls and help the Order.

District No. 102.—C. E. Parkman, Deputy. Dispensations granted: January 2, 1914, Onward Lodge No. 380, to hold public installation with Rebekahs; January 8, 1914, Active Lodge No. 379, to hold joint installation with Ferndale Lodge No. 220; January 10, 1914, Eel River Lodge No. 210, to hold public installation with Rebekah Lodge; January 14, 1914, Loleta Lodge No. 56, to hold public installation with Rebekah Lodge; January 10, 1914, to Ferndale Lodge No. 220 to hold public installation; July 16, 1914, Loleta Lodge No. 56, to hold public installation with Rebekah Lodge; July 19, 1913, Onward Lodge No. 380, to hold public installation with Rebekah Lodge. No decisions rendered.

District No. 103.—William L. Kerr, Deputy. Dispensations granted: Morse Lodge No. 257, on August 6, 1913, to elect a Third Degree member to the office of Vice Grand on account of the Vice Grand, who was installed, resigning, all other qualified brothers declining to serve. No decisions rendered. Installed the officers of Morse Lodge No. 257, Western Addition Lodge No. 285, Presidio Lodge No. 334 in July and January in regular form. They are all in a prosperous condition and have efficient officers. Held a district meeting February 25, which was well attended. We were honored by the Grand Master being present, who gave an instructive address.

District No. 104.—D. W. Pitman, Deputy. No dispensations granted and no decisions rendered.

District No. 105.—C. C. Hudson, Deputy. Dispensations granted: January 5, 1914, to Mt. Campbell Lodge No. 374, to hold public installation; January 8, 1914, to Selma Lodge No. 309, to hold public installation; January 10, 1914, to Orangedale Lodge No. 211, to hold public installation; January 12, 1914, to Fowler Lodge No. 363, to hold public installation; January 13, 1914, to Sanger Lodge No. 375, to hold public installation. No decisions rendered. I can give no report of dispensations granted previous to December, as I was appointed in November, to succeed Brother T. C. Foster, who had resigned. I had my leg broken by an automobile on December 14, consequently had to secure the services of Past District Deputies E. E. Baird and J. S. Manley to attend to the January installations. I am just now able to get around to attend to my duties as Deputy County Assessor. I wanted to be an instrument in the organization of a lodge of our Order at Kingsburg as the conditions are favorable, but will have to leave that to my successor.

District No. 106.—S. C. Blackman, Deputy. No report.

Honored Dead.

Time, with its ceaseless round of activities has paused long enough here and there to take away loved ones from the home circle and our fraternal life, leaving vacancies hard to replace or to fill. During the past year, the following members of this Grand Lodge have been summoned by the hand of death and responded to the call. May the record of their worth be indelibly inscribed in our hearts.

Fraternal Press.

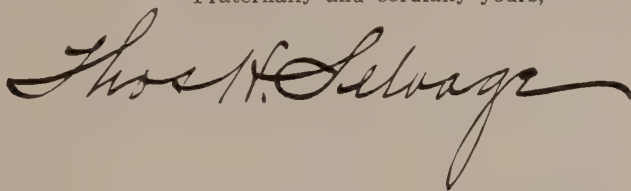

My observation teaches me that publicity of our work and accomplishments is of the greatest benefit to our Order, and the splendid work of our fraternal press is deserving of special commendation. The California Odd Fellow and New Age and the Triple Link are doing a splendid work for the Order and deserve therefor the patronage of our membership.

Conclusion.

On many occasions it would have been difficult for me to have found my way had it not been for the good offices of our mutual friends, Grand Secretary, H. D. Richardson, and his worthy assistant, U. S. G. Clifford. They are always at their post, receiving knotty problems from all quarters and unravelling the same, pouring oil on the troubled waters and casting a clear light over all. Their work is difficult and burdensome, but they toil on and make our pathway more pleasant and the hill easier to climb. God bless them.

Brothers, my task is nearly done, and upon our separation at the close of this communication I will lay down the baton of authority and become a humble member in the ranks. You have elevated me to the most exalted position within your gift and I would be ungrateful indeed did I not fully appreciate and express my appreciation of the honor you have conferred upon me. I do appreciate it and thank you as one to whom it has been given to see a great light and whose mind and vision have been so expanded that he can see and know its meaning. Before me I see a great, broad highway, where men and women climb to the summit of human accomplishments, and where they can look out over a glorious western sea and there behold reflected in a mirror of beauty the holy deeds of a well spent life, and descending the other side find the road smooth and even and the prospect beyond enchanting. I wish this road for you all. Your work in the Order deserves it, and you shall have your reward.

Fraternally and cordially yours,

Grand Master.

H. D. Richardson, Grand Secretary, read his report as follows:

REPORT OF GRAND SECRETARY.

To the Grand Lodge, I. O. O. F., of the State of California:

I herewith submit the following for your consideration:

I am pleased to state that no Appeals taken from the action of Subordinate Lodges have been received in this office for transmission to the Committee on Appeals.

The increase in the Subordinate Lodge members is 77. This is not owing to the fact that there have been no initiations, as the record will show 2,150 initiations; admitted by card or transfer certificate, 1,062; as Ancient Odd Fellows, 16; by dismissal certificate, 31; reinstated, 158; total, 3,423. Many lodges have been carrying along members liable to suspension for non-payment of dues, in hopes to have them continue their membership, until, in justice to the lodge, they have, after exhausting all means within the scope of the lodge, suspended them to the number of 1,724; withdrawn and transferred to other lodges, 873; resigned, 26; expelled, 27; died, 696; total, 3346.

The 407 Subordinate Lodges have 46,099 live, active brothers; there has been expended for relief of those entitled, including the maintenance of the Odd Fellows Home of California, \$375,185.73, and in carrying on the work of the lodges, including new buildings, etc., \$357,220.92; total, \$732,406.65. There are 337 Rebekah Lodges, comprising 22,557 sisters and 11,234 brothers, a total membership of 33,791, an increase of 171 over that of last year.

The gain in membership during the past year has not been so large as in former years. The same high standard in point of excellence of character of applicants for admission to lodges in this Jurisdiction has been maintained. The Reaper, whose name is Death, has made such inroads in some of the lodges that scarcely a month has passed without its Charter being draped in mourning. As high as seven, eight, nine, ten, eleven and twelve deaths have occurred during the year, in a single lodge alone. But comparatively few lodges, no matter in what section located, has escaped the hand of the never-failing marksman to touch the brow of the young man in the pride of his strength or the old man with the frost of time on his head. Within a few days of each other, and counting on attending the session of this Grand Lodge, at beautiful Santa Cruz, facing the broad expanse of the Pacific Ocean, three of our time-honored Brothers, who, for years served on Regular Committees, were stricken suddenly down by the hand of death as though shot by an arrow from an unseen foe.

Brother E. H. Sherman, Past Grand of El Centro Lodge, No. 397, with his Commission in hand to institute Gateway Rebekah Lodge, No. 374, at Calexico, but a step across the boundary line from Mexico, received an injury while riding in his auto, causing death the following day. Brother Sherman was a tower of strength among the lodges in Imperial County. Every Past Grand Master and the Grand Secretary, when visiting this most interesting and wonderful section of Southern California were received and taken throughout

the Valley, whether it be to the desert home of the famous novelist, Harold Bell Wright, or along the banks of the New Colorado river in the town of Mexicali, in Mexico, in the cotton fields and mills, or through the great enclosures of growing grain, fruits, vegetables and live stock, at lodge institutions or gatherings, by our worthy Brother stricken down in the prime of his life. He was but forty-eight years of age and nearly twenty-seven of those years had been spent in the work of Odd Fellowship.

Brother John S. Collins, Past Grand of Branciforte Lodge, No. 96, of Santa Cruz, for many years on the Mileage Committee in this Grand Lodge, and who, at its last session introduced the resolution that the present session be held here in 1914, was always an active member, looking to the comfort of either a brother at home or from abroad. He was made Chairman of the General Committee to make arrangements for the entertainment of the Sisters and Brothers of the Assembly here in Convention assembled, and while in the performance of his duties, without a note of warning, the finger of death touched him at the age of sixty-four years, with more than a third of a century to his credit as an active member of the Order.

The oldest member of this trio of good men, Brother George W. Minstrell, Past Grand of Lupyoma Lodge, No. 173, has served in this Grand Lodge for a great many years on various Committees, and for close on to half a hundred of his seventy-four years of life, he too, had been working in the fields of benevolence and charity, and at the time of his being stricken down he was standing at the gateway of his home in Marin County, talking Odd Fellowship matters with one of his Brother Odd Fellows. One of his last requests being that in case he passed away that he be buried by the Veteran Odd Fellows, and that Brother Barnes say a few words at the side of his coffin. Sunday morning, March 12, 1914, he was tenderly laid to rest under the auspices of the Veteran Odd Fellows of California. The eulogy pronounced by that matchless orator, Brother William H. Barnes, Grand Scribe of the Grand Encampment, and Secretary of the Veteran Association, was all that could have been wished for by Brother Minstrell had he been alive to hear it. Geo. E. Davis, Past Grand Patriarch and Representative to the Sovereign Grand Lodge, the President of the Association, presided as Noble Grand, and F. J. Smithson, Past President, officiated as Chaplain; the pall bearers being Past Presidents, H. D. Richardson, John Thompson, Jas. W. Harris, and Past Grand L. L. Remy, who had been talking to him at the gate when he assisted our good Brother into the house never to come out except in the narrow house, the last earthly home of man.

The above three named Brothers were typical Odd Fellows worthy of all emulation.

The various Lodge and District meetings have been well attended; the entire membership of California evincing much hope for the future success of California Odd Fellowship.

Amendment to Grand Lodge Constitution Approved by Sovereign Grand Lodge.

On October 16, 1913, I received a communication from John B. Goodwin, Grand Secretary of the Sovereign Grand Lodge, informing me, that at the session of the Sovereign Grand Lodge, held in Minneapolis, Minnesota, September 15-19, 1913, that the amendment to the Constitution of the Grand Lodge, I. O. O. F., of the State of California, had been approved by the Committee on Constitutions, and adopted. The Article and section approved as follows:

ARTICLE IX.

Sec. 6. Consolidation of Lodges. Whenever two Lodges desire to consolidate and form one Lodge, each for itself shall address a petition to that effect to this Grand Lodge or to the Grand Master, in case, at the time of presenting the same, it is more than three months before the annual session of the Grand Lodge, showing that the question of such consolidation was submitted to each of the petitioning Lodges, and carried by an affirmative vote of three-fourths of all members present in each Lodge at the time of the voting, and provided there are not five Third Degree members, in good standing in one of the Lodges, who object or protest against the same; provided a final vote on the question of such consolidation shall not be had in any Lodge until after the resolution for such Consolidation has been offered in writing and read at each successive meeting of the Lodge for one month prior to such vote, and provided further that the time for final action thereon shall be fixed at the time such resolution is offered. The petition shall show that the foregoing requirements have been complied with and shall also state which Lodge the petitioning Lodges shall be consolidated into, and the date at which the consolidation shall take effect. Upon receipt of such petitions, the Grand Lodge or Grand Master may grant or refuse the consolidation prayed; but if granted by the Grand Master it shall be upon the express condition that he grants the same conditionally and subject to the approval or disapproval of the Grand Lodge; and if granted, a warrant to that effect shall issue, signed by the Grand Master, and attested

by the Grand Secretary, under the seal of the Grand Lodge, and the consolidation shall take effect at the date fixed in the petition, unless otherwise fixed by the Grand Master or Grand Lodge. In cases of consolidation, all of the property of the Lodge which consolidates into another Lodge shall vest in the Lodge receiving the other Lodge and shall attach and incorporate into it the entire membership of such Lodge, as if it had gained the same by initiation.

**Action on Appeal of Grove L. Johnson, P. G. M., et al., from the
Action of the Grand Lodge of California, in the
Matter of John H. Wertz.**

To the Grand Lodge, I. O. O. F., of the State of California:

On August 6, 1913, I forwarded to John B. Goodwin, Grand Secretary of the Sovereign Grand Lodge, I. O. O. F., Baltimore, Md., by Wells, Fargo & Co.'s Express, charges prepaid, a package containing "the Appeal of Grove L. Johnson, et al. to the Sovereign Grand Lodge, from the action of this Grand Lodge, taken May 16, 1913, in refusing to adopt the report of the Committee on Appeals in the matter of Appeal and Communication by Brother John H. Wertz from the decision of the Grand Master concerning his rank as Past Grand.

The package contained 250 copies Statement on Appeal, 25 copies Brief for Appellants, 1 copy Journal of Proceedings Grand Lodge of California, 1913, 1 copy each, Wilson's (obsolete) and Louderback's Digest, 1905, 1 copy each, Grand and Subordinate Lodge Constitutions, of California.

On October 21, 1913, I received the following communication from the Grand Secretary of the Sovereign Grand Lodge:
Sovereign Grand Lodge of the Independent Order of Odd Fellows.

Office of the Grand Secretary.

Baltimore, Md., October 16, 1913.

To H. D. Richardson, Grand Secretary,
Grand Lodge, I. O. O. F., of the State of California,
San Francisco, Cal.

Dear Sir and Brother:

At the session of the Sovereign Grand Lodge, held in Minneapolis, Minnesota, September 15-19, 1913, the report hereto attached from the Committee on Appeals was considered and adopted:

Fraternally yours,

JOHN B. GOODWIN,
Grand Secretary.

Report No. 6. By Representative Staley, of Washington, from the Committee on Appeals.

To The Sovereign Grand Lodge, Independent Order of Odd Fellows:

SYLLABUS.

Honors of Office.

Requirements therefor prescribed by Sovereign Grand Lodge. Performance of required service is sole determining factor.

Rank of Past Grand.

Service in office as Noble Grand for majority of meeting nights, of term, unless excused for sickness, personal to himself, and until the end of the term, is necessary to entitle a member to the rank of Past Grand.

Your Committee on Appeals, to whom was referred the appeal of Grove L. Johnson, et al., from the action of the Grand Lodge of California, in the matter of Brother John H. Wertz, beg leave to submit the following report:

STATEMENT OF CASE.

The facts as presented in this appeal show that Brother John H. Wertz was installed as Noble Grand of Westminster Lodge, No. 72, I. O. O. F., in the month of July, 1911; that he served in such capacity until the end of the term, but that he did not serve in such capacity a majority of the meeting nights of said term; that at the installation of officers in January, 1912, the District Deputy Grand Master installed Brother Wertz as Past Grand of said Lodge; that such action was no fault of Brother Wertz, and that no objections thereto were made by the Lodge or any member thereof; that at said time the members of the Lodge knew that said brother had not served as Noble Grand a majority of the meeting nights of the term; that he was recognized by said Lodge and its members as Past Grand, and that no question was raised with reference thereto, until about six months thereafter when he applied for a withdrawal card; that by virtue of a decision thereupon rendered by the District Deputy Grand Master in July, 1912, to the effect that said brother was entitled to the rank of Past Grand, the Lodge issued a withdrawal card to him showing his rank as Past Grand; that on or about August 5, 1912, the Grand Master reversed the decision of the District Deputy Grand Master and decided that said brother was only entitled to the rank of Past Vice Grand, and ordered that the card be returned and that a card be issued to him with the rank of Past Vice Grand. From the decision of the Grand Master an appeal was taken to the Grand Lodge, and the Grand Lodge sustained the action of the Grand Master. From the action of the Grand Lodge an appeal is now taken to The Sovereign Grand Lodge.

OPINION.

It is contended by appellants that by virtue of the facts, the Lodge and its members are bound by their conduct and cannot now question Brother Wertz' rank; and, further, that by virtue of the action of the District Deputy Grand Master installing him as Past Grand, the Grand Lodge and the Grand Master are also bound and estopped from questioning his rank.

The presumption is that all parties concerned, including Brother Wertz, knew the law, and we can not therefore consider that the elements of estoppel are present in this case. Neither do we consider that the rule of estoppel could apply to render nugatory a fundamental law of the Order laid down by The Sovereign Grand Lodge, which Body is vested with the sole and exclusive right to prescribe the requirements necessary to have been complied with in order to entitle a member to the rank of Past Grand.

The Sovereign Grand Lodge has prescribed that in order to entitle a member to the honors of office he must have served a majority of the meeting nights of the term, unless excused on account of sickness personal to himself, and he must have served until the end of the term; except where a member has been elected or appointed to fill a vacancy in office, service for a majority of the meeting nights remaining in such unexpired term and to the end thereof, shall be deemed service for a full term in such office.

No declaratory act by a District Deputy Grand Master, or any installing officer, is necessary to constitute a member a Past Grand. He becomes a Past Grand by virtue of service in the office of Noble Grand, and only upon having served in compliance with the requirements of the law prescribed by The Sovereign Grand Lodge as in his opinion set forth. No tribunal other than The Sovereign Grand Lodge has power to prescribe those requirements, and no other tribunal and no officer can alter them. The sole determining factor is the performance of the service required therefor by the law as promulgated by The Sovereign Grand Lodge. It appears that Brother Wertz failed to fulfil the requirements necessary to entitle him to the rank of Past Grand.

We, therefore, recommend that the action of the Grand Lodge of California be affirmed.

Signed by the Committee.

Rep. Phelps, of California, not participating.

New Home Notes.

The issuance of the New Home Notes has involved a phase in bookkeeping new to the system which has been in use for many years.

While a special ledger has been maintained to care for these accounts, the certified accountants (Messrs. McLaren, Goode & Co.) contend that an account be also opened in the general ledger, showing these notes representing \$149,600 as a liability.

It will be seen that the liabilities would then appear as greatly in excess of the resources, unless an offsetting entry be made covering value of real estate, improvements, equipment and other holdings of the Grand Lodge.

I therefore submit the matter for your consideration, and should the recommendation of the accountants meet with approval, respectfully ask that a suitable committee be appointed to appraise the values of the various holdings of the Grand Lodge.

Unfinished Business from Session 1913.

The following proposed Amendments to the Constitution of Subordinate Lodges were presented at the Session of the Grand Lodge, held May, 1913, and laid over for action at the Session of May, 1914.

W. W. Phelps, P. G. M., presented Amendment to the Constitution of Subordinate Lodges, which was referred to the Committee on Legislation:

Amendment to the Constitution of Subordinate Lodges.

Resolved, That Section 1, Article V of the Constitution of Subordinate Lodges, which section reads as follows:

"Section 1. Degrees. Application for election to either the three Subordinate Degrees shall be accompanied with the amount required therefor, and presented to the Lodge, under the proper head, when the Lodge shall ballot upon the application, and if not more than two black balls or cubes are cast, he shall be declared elected; and if the Lodge does not confer the degrees upon its own members, a certificate shall be given the applicant, addressed to a he is a member of this Lodge, and has been authorized to receive them; provided, that no brother shall have conferred upon him a higher degree in the Order until he has been found proficient by Degree Lodge, or officer authorized to confer degrees, showing that examination in open Lodge, or by a committee appointed by the Lodge, in the secret work and the signs, passwords and grips of the highest degree he has attained."

The amended section to read as follows:

"Section 1. Degrees. All those who have been elected to become members by initiation and have received the initiatory degree shall be entitled to receive the three Subordinate Degrees of Odd Fellowship, and if the Lodge does not confer the degrees upon its own members, a certificate shall be given the member addressed to some other Subordinate Lodge, or to a Degree Lodge authorized to confer degrees, showing that he is a member of this Lodge, and is authorized to receive said degrees; provided, that no brother shall have conferred upon him a higher degree in the Order until he has been found proficient by examination in open Lodge, or by a committee appointed by the Lodge, in the secret work and the signs, passwords and grips of the highest degree he has attained; provided, however, that should the Lodge or any member of the Lodge receive information that said applicant for a higher degree has conducted himself in such a manner as to render him undesirable for membership in the higher degrees, any member of the Lodge may request in open Lodge a new ballot, and said Lodge shall thereupon ballot upon the application of such member for a higher degree, and if not more than two black balls or cubes are cast he shall be declared elected.

Be it further resolved, That Section 3, Article V, be and is hereby repealed.

And be it further resolved, That the subject matter contained in the proposed amendments be considered a matter of urgency and importance, and that the Committee on Legislation be requested to

report upon the same at this session of the Grand Lodge, and that action of this body be had thereon.

W. W. PHELPS, P. G. M., No. 282.

The Committee on Legislation presented the following report which was considered and adopted:

REPORT OF COMMITTEE ON LEGISLATION.

To the Grand Lodge, I. O. O. F., of the State of California:

Report No. 56.

Your Committee on Legislation to whom was referred the Amendments to Article V, Sections 1 and 3, by W. W. Phelps, P. G. M., No. 282, as found on pages 299-300 Journal Proceedings, 1913.

Would respectfully report that these amendments are of more than ordinary importance to the Order, and while the author of said amendments requests that they be declared a matter of urgency, with due deference to his judgment, we would beg to report that a matter of this importance ought to follow the provisions of our Grand Lodge Constitution and lay over until next session of this Grand Lodge for consideration of the whole Order, and your Committee so recommend.

H. F. G. WULFF,
J. J. CAIRNS,
J. K. RITTER,

W. M. AVIS,
G. E. DAVIS.

The Committee on Legislation presented the following report:

REPORT OF COMMITTEE ON LEGISLATION.

To the Grand Lodge, I. O. O. F., of the State of California:

Report No. 57.

Your Committee on Legislation, to whom was referred an amendment to Section 2, Article IX of Subordinate Constitution, as presented by the Representative of Eureka Lodge, No. 4, beg leave to report as follows:

Section 2, Article IX now reads as follows:

Sec. 2. This Lodge may provide in its By-Laws for the setting apart of a sum not exceeding five per cent of its annual income from all sources as a contingent or special fund, to be expended, in its discretion, in the payment of necessary and proper obligations incurred by the Lodge, not included in or provided for by Section 1 of this Article.

Your committee beg leave to amend by striking out the word "five" and insert the word "ten" which will then read as follows:

Sec. 2. This Lodge may provide in its By-Laws for the setting apart of a sum not exceeding ten per cent. of its annual income from all sources as a contingent or special fund, to be expended,

in its discretion, in the payment of necessary and proper obligations incurred by the Lodge, not included in or provided for by Section 1 of this Article.

Would recommend that this be made a matter of urgency

W. M. AVIS,
H. F. G. WULFF,
J. J. CAIRNS,

J. K. RITTER,
G. E. DAVIS,

Pending discussion, the report and proposed amendment were laid over until next session.

Change of Names on Records of Lodges.

In accordance with Article III, Section 8, Constitution of Subordinate Lodges, names of the following Brothers have been changed on the books of their respective Lodges, and all Subordinate Lodges in the jurisdiction of California are hereby so informed.

May 9, 1913—Golden Star Lodge, No. 166, I. O. O. F., at Grass Valley, changed the name of George Henry Fuchs to George Henry Fox.

September 10, 1913—Eureka Lodge, No. 4, I. O. O. F., at Sacramento, changed the name of John Gunderson, to his true name, John Gunar.

Transportation—Receipt Certificate Plan.

Various railroad transportation companies, hereafter named, on request from this Office, granted concessions to Representatives and Delegates to the Grand Lodge and to the Rebekah Assembly in their rates of transportation to and from Santa Cruz, on the receipt-certificate plan at a rate of one and one-third lowest first class fare per capita for the round trip, tickets being on sale for going trip, May 2 to 16 inclusive, 1914, certificates to be honored for return from Santa Cruz, May 12, to 21 inclusive, 1914.

To avail themselves of the reduced rates, all Lodges have been informed that Representatives or Delegates must have secured Certificates covering purchase of tickets signed by agents of transportation companies at place of purchase, and must be endorsed by me for the Grand Lodge, and by Mrs. Helen M. Cyrus for the Rebekah Assembly, showing that Representative or Delegate was in attendance at the Sessions of the Grand Lodge or Rebekah Assembly at Santa Cruz. This will enable the holder of a receipt-certificate to purchase a return ticket from Santa Cruz at the rate of one-third of the regular fare. If, through any fault of their own, Representatives or Delegates are unable to obtain benefit of the reduced fare, Transportation Companies will not consider any requests for refund.

The Southern Pacific Company, The Western Pacific Railway Company, The Arhison, Topeka and Santa Fe Railway Company, The Northwestern Pacific Railroad Company, The Northern Electric Railway Company, Sacramento Valley Interurban System, com-

necting with the California Transportation Company, The San Pedro, Los Angeles and Salt Lake Railroad Company, Nevada-California-Oregon Railway and Sierra & Mohawk Railway Company, granted the benefit of a reduced fare for the round trip on receipt-certificate plan.

The Pacific Navigation Company and North Pacific Steamship Companies granted special round trip tickets.

Thanks are due to the various railway and steamship companies for concessions granted, also to James W. Harris, Grand Treasurer for bringing about a reduced excursion rate from San Francisco to Santa Cruz and return.

Respectfully submitted in F. L. and T.,

JAS. W. HARRIS,
Grand Treasurer.

W. W. Phelps and Chas. L. Snyder, Grand Representatives, presented the following report:

REPORT OF GRAND REPRESENTATIVES.

To the Grand Lodge, I. O. O. F., of the State of California:

Your Representatives to the eighty-ninth annual Communication of The Sovereign Grand Lodge, I. O. O. F., present for your consideration this report.

The eighty-ninth annual session of The Sovereign Grand Lodge for 1913 was held in the city of Minneapolis, Minnesota, September 15th to 20th. The Odd Fellows of Minneapolis and vicinity were awake to the responsibilities of entertaining The Sovereign Grand Lodge, and from the moment the first Representative set foot in that wide awake city until the last one had regretfully said "Good-bye" nothing was left undone for their comfort and pleasure.

Report of the Grand Sire and Commander-in-Chief.

To The Sovereign Grand Lodge of the Independent Order of Odd Fellows:

With pleasure we again enjoy the hospitality of the loyal Odd Fellows of Minnesota during our brief sojourn in the "Flour City," in our eighty-ninth annual session. For the third time we meet within the Jurisdiction of Minnesota to hold our annual convention. The first time was at Minneapolis in 1884, and the second at St. Paul in 1907.

Our Order has made a wonderful growth in the twenty-nine years since our first meeting on Minnesota soil. Then we had 8002 Subordinate Lodges and 1066 Rebekah Lodges, with a total membership of 544,158; now we have 18,089 Subordinate Lodges and 9725 Rebekah Lodges, with a total membership of 2,121,921. Then our total annual receipts were \$5,350,041.47; now they are \$18,922,758.38. Then our total annual relief was \$2,015,843.52; now it is \$5,917,323.15.

There has been a greater change, however, in the personnel of this Grand Body. But few of the members who attended that session are now surviving. The only ones that have attended our sessions in recent years are Past Grand Sire Underwood, Past Grand Sire Campbell, Past Grand Representative James B. Blanks, of Virginia, and our Grand Treasurer, M. Richards Muckle.

With profound feelings of love for my brother Officers and Representatives, and the deepest gratitude for the honor conferred on me at your last session, I herewith submit an account of my stewardship.

General Condition of the Order.

The statistical tables furnished by the Grand Secretary, and which will be printed as a part of his report, makes it unnecessary for me to go into details as to membership, revenue and expenditures.

He who desires to be of service to our Order and to his fellow-men, will do well to carefully study these figures that he may understand the many valuable lessons they impart.

Our Membership.

December 31, 1911, we had 17,985 Subordinate Lodges, 3697 Subordinate Encampments, and 9543 Rebekah Lodges; and we now have 18,089 Subordinate Lodges, 3715 Subordinate Encampments, and 9725 Rebekah Lodges.

On December 31, 1911, we had 1,624 Subordinate Lodge members, 227,306 Encampment members, 687,039 Rebekah Lodge members, and a total membership (without duplication) of 2,080,894.

On December 31, 1912, there were 18,089 Subordinate Lodges with 1,645,369 members, and 3715 Encampments with 283,865 members, and 9725 Rebekah Lodges with a membership of 711,873, thus showing during the year an increase of 104 Subordinate Lodges, 18 Encampments and 182 Rebekah Lodges. There was a net increase in Subordinate members of 20,763, of Encampments of 4559, of Rebekah Lodges of 24,834, and a net increase in the total membership of 50,156.

Revenue and Funds.

The total revenue during 1912 amounts to \$18,922,758.38, being an increase over 1911 of \$619,547.52. The total expenditures were \$5,917,323.15, giving a surplus of revenues over expenditures of \$13,005,435.23.

During last year 143,601 brothers and 7653 widowed families shared in the distribution of relief which amounted to \$3,902,006.30.

The total invested funds of this Order amount to \$63,539,895.32, a gain of \$208,681.45 over 1911.

Subordinate and Rebekah Lodges.

The increase in both of these Lodges has been substantial and speaks well for the energy and enthusiasm of our members. However, for several years the Rebekahs seem to have been doing even better and more systematic work than the brothers.

Encampments and Cantons.

The membership in these two branches has not kept pace with the increase in the Subordinate and Rebekah Lodges. Something should be done, if possible, to increase the attendance and interest in the Encampment meetings, and if this could be done a substantial increase in members would speedily follow. The Cantons are dependent on the Encampments for members, and therefore more life must be infused into the Patriarchal branch if the Cantons are to continue to prosper.

Decisions.

NOTE—During the past year the following decisions which were made by the Grand Sire were submitted to The Sovereign Grand Lodge for approval, and we give here in digested form the decisions as approved by The Sovereign Grand Lodge.

Legislation Affecting Lodges.

1. When a Subordinate Lodge has two or more applications for same degree, the vote must be taken separately on each candidate.—(Journal 14, 291, 304.)

2. A Grand Lodge cannot pass a law allowing Subordinate Lodges where they have two or more applications for same degree to vote collectively.—(Journal 14, 291, 304.)

3. There is no law prohibiting the organization of a Lodge to meet on the ground floor, provided that no person is permitted to gain a knowledge of what is going on in the Lodge-room by approaching too closely.—Journal.—(14, 291, 304.)

4. The Transfer of Membership Law is not operative as between Australasia and Canada.—(Journal 14, 291, 304.)

5. A brother taking a Withdrawal Card from his Lodge, the card being dated November 12, and his Official Certificate showing his dues paid to December 1, and being killed on November 22, before he has a chance to deposit the card and before the expiration of the date to which his dues are paid, stands in the same relation to his former Lodge as with any other Lodge, excepting as to certain control over him for one year.—Journal 14, 291, 304.)

6. A Transfer Certificate should be issued the same night notice is received from a Lodge in regular form showing that the

brother has been elected to membership in another Lodge.—(Journal 14, 291, 304.)

7. It is legal for a printing company to use the emblem of the Order on an Odd Fellows' publication, provided the provisions of paragraphs 6 and 7 of Section 471 of Busbee's Digest are not violated.—(Journal 14, 291, 304.)

8. A Lodge or Encampment, with its principal officers, in a body can visit another Lodge or Encampment in the same Jurisdiction.—(Journal 14, 291, 304.)

9. A man who has been blind from birth cannot be admitted to the Order, even though he would not expect any benefits from any injury he might receive by reason of his blindness.—(Journal 14, 291, 304.)

10. A person giving his occupation as a druggist and residing in a city granting license to a druggist or pharmacist to dispose of intoxicating liquors not to be consumed upon the premises, is eligible to membership in this Order.—(Journal 16, 309, 324.)

11. The laws of The Sovereign Grand Lodge require the funeral expenses to be paid to the person by whom they were incurred, whether the brother was buried by or under the auspices of the Order or not.—(Journal 16, 304, 323.)

12. A Lodge without assets and with an indebtedness for funeral expenses accrued and unpaid, refusing to increase the present rate of dues, or to levy a special assessment for the purpose of paying the indebtedness, should be directed to levy a special assessment sufficient to pay the benefits it owes, and, if it refuses, the Grand Master should reclaim its charter.—(Journal 16, 291, 304.)

13. It is not legal under the minimum benefit law for a Lodge to provide by by-laws that when a member had received the sum of \$300.00 sick benefits he shall be entitled and receive only one dollar per week for any sickness which may occur thereafter.—(Journal 17, 330, 409.)

14. A Past Grand Patriarch may use his jewel in lieu of regalia in Subordinate and Rebekah Lodges, as well as in the Encampment branch.—(Journal 17, 291, 304.)

15. A Past Grand Master may use his jewel in lieu of regalia in Encampments and Rebekah Lodges as well as in Subordinate Lodges.—(Journal 17, 291, 304.)

16. It is not unlawful for a Lodge at the close of a special feature of Lodge business, such as an official visitation by Grand Officers or the conferring of a degree, to take a recess and the members to retire to the banquet hall for the purpose of partaking of a spread provided for the entertainment of guests and others, and to indulge in smoking, and the members after the social hour to return to the Lodge-room, conclude the business of the evening and close the Lodge in regular form.—(Journal 17, 291, 304.)

17. It is unlawful for a Lodge which has no room available for a spread or banquet except in its Lodge-room to take a recess and bring in tables and provide for the entertainment of guests in

the Lodge-room, and indulge in smoking during the supper and exercises forming a part of the social function.—(Journal 18, 291, 304.)

18. It is not unlawful for the members of a Lodge to indulge in smoking in the carriages going to the place of funeral of a brother, even though the Lodge is opened in regular form, and after the funeral ceremonies they drive back to the Lodge-room and close the Lodge.—(Journal 18, 291, 304.)

19. If the anniversary of our Order falls on Saturday and the members consider that a poor night for the celebration, it could be held on some other night.—(Journal 18, 291, 304.)

20. A Lodge should pay benefits to a brother who is a ward of a State asylum and being cared for by the State, first, for the relief of the personal needs of the brother, if any; second, for relief of the needs of his wife and minor children, if any; and any benefits belonging to him not thus expended to be held in a separate fund to be accounted for to him in the event of his recovery, or in the event of his death to be paid to his widow, orphans, or dependent relatives; if there be none such, said unexpended benefits to revert to the general fund of the Lodge.—(Journal 18, 329, 409.)

21. A man who is a subject of a foreign government, holding allegiance to said government, and not a citizen of the United States, nor having ever declared his intention to become one, is eligible to be initiated into a Lodge of our Order, provided he has been a resident within the Jurisdiction a sufficient length of time under the local law to make him eligible.—(Journal 18, 291, 304.)

22. It is illegal for a brother to publish a paper purporting to be in the interest of a Subordinate Lodge to advertise his business to the members of the Order, and it is a violation of the spirit, if not the letter of the law, for a member of the Order to have his card advertising his private business, published in such a paper with "Bro." prefixed to his name.—(Journal 19, 291, 304.)

23. The fact that a member previous to his initiation into the Order had been an inmate of an insane asylum, the two brothers recommending him being aware of this fact but concealing it from the Lodge, does not render his initiation and membership illegal, unless he was insane at the time of initiation, and cannot be expelled unless he was guilty of some fraud in gaining admission, and you cannot declare his initiation void unless he was insane when admitted. If his entrance was illegal, he is not entitled to any reimbursement for fees and dues collected; if legal, and declared a member in good standing, he is entitled to benefits, unless he was insane when initiated, and if he was passed by the examining physician, and it had been four years since he was discharged from the insane asylum, the brothers who recommended the brother, and the brother himself, were justified in concealing from the Lodge the fact of his previous detention in an insane asylum.—(Journal 19, 291, 304.)

24. A member who holds membership in one Jurisdiction and changes his residence to another Jurisdiction, taking his Withdrawal Card, and afterward applying for admission to a Lodge at his place of residence in his former Jurisdiction, should not be ad-

mited under the Transfer Law, but required to pay such fee as is provided by local law.—(Journal 20, 291, 304.)

25. A brother taken seriously ill and removed to a hospital for an operation, having a private room and private nurse, should receive what the by-laws provide for watchers toward nurse hire.—(Journal 21, 291, 304.)

26. There is no law permitting the contingent fund of a Lodge to be used for donations or subscriptions for public uses.—(Journal 21, 291, 304.)

27. Our law prohibiting smoking in the Lodge-room when in session does not deprive brothers of the privilege of smoking in any side room not an ante-room, or in the Lodge-room when the Lodge is not in session.—(Journal 21, 291, 304.)

28. It would be lawful for any Subordinate Lodge to pay sick benefits of \$10.00 per week to a member and also furnish a physician in addition, on a basis of \$12.00 per year dues.—(Journal 134, 239, 409.)

29. A Lodge cannot by by-laws provide that an assessment collected for the widow or children of a deceased brother shall only be paid to the widow if she shall have been living with the deceased brother at the time of his death, but if there is no widow it may provide that the assessment shall be paid to the minor dependent children, and such assessment should be charged against all surviving brothers immediately upon the death of the brother.—(Journal 135, 329, 409.)

30. It would be lawful for a Subordinate Lodge that under a constitutional provision enacts a by-law assessing a fine of one dollar for not attending the funeral of a brother, to also provide that attending the ceremonies or services at the house or at the church shall be considered as attending the funeral.—(Journal 135, 329, 409.)

31. The penalty for a Lodge taking a candidate who resides within the jurisdiction of another Lodge without obtaining permission would depend to some extent on local law, but the general rule is that no person can be admitted to membership in a Lodge other than the one nearest his residence, without the consent of such nearest Lodge. The punishment for this offense is the forfeiture to the Lodge having jurisdiction of the initiation and degree fees and of all dues received from said member while he shall retain his membership in such Lodge.—(Journal 135, 329, 409.)

32. A man of Arabian blood can become an Odd Fellow, if he is of the pure white Caucasian race.—(Journal 136, 329, 409.)

33. There is no law preventing an Odd Fellows' Lodge from leasing its hall to another Order or Society that uses beer as a drink at its banquets or suppers, as it would cease to be an Odd Fellows' Lodge-room during the time to other Order or Society was using it.—(Journal 136, 329, 409.)

34. As long as an insurance company uses none of the emblems of the Order and does not advertise as an Odd Fellows' insurance company, though it may advertise for Odd Fellows only, it is not a violation of the law, but it has no right to solicit insurance in a Lodge while it is in session, nor has any Grand Master

the right or authority to recognize it by giving permission to solicit or otherwise, as it might influence members of our Order to join, thinking it was an Odd Fellows' organization.—(Journal 28, 291, 304.)

Legislation Affecting Rebekah Lodges.

1. The Noble Grand of a Rebekah Lodge, unless removed by death, resignation, or direct action of the Lodge, holds her office until the election and installation of her successor. The mere expiration of the term must be accompanied or followed by the election and installation of her successor. She, of course, becomes by operation of law, a Past Noble Grand when she has served a majority of the meeting nights and to the end of the term for which she was elected, but she also remains in the office of Noble Grand until the election and installation of her successor.—(Journal 21, 292, 304.)

2. A person who has not received the Rebekah Degree can be a petitioner for a Rebekah charter.—(Journal 22, 292, 304.)

3. It is not necessary that at least five of the petitioners for a Rebekah charter hold live Withdrawal Cards.—(Journal 22, 328, 408.)

4. Persons holding expired Withdrawal Cards, Defunct Certificates and Dismissal Certificates may join in the petition for a Rebekah charter.—(Journal 22, 328, 408.)

5. A Past President of a Rebekah Assembly, out on a Withdrawal Card, cannot institute a Rebekah Lodge.—(Journal 22, 291, 304.)

6. The resolution referring to reports for the Rebekah branch being sent by Rebekah Assemblies direct to the Grand Secretary of The Sovereign Grand Lodge, is not mandatory.—(Journal 22, 422, 443.)

7. A degree staff at a district meeting can only exemplify the degree and cannot confer it by initiation. Candidates must be initiated in the Lodge electing them to membership, but such Lodge may invite the degree staff of another Lodge to confer the degree in the Lodge electing the candidate.—(Journal 23, 328, 408.)

8. A woman who has been initiated into a Rebekah Lodge prior to her husband's initiation in a Subordinate Lodge, her husband's application having been favorably acted upon and the Rebekah Lodge being aware of the facts in the case, is entitled to all the rights and privileges in the Lodge until her membership is terminated in a lawful manner.—(Journal 136, 329, 409.)

9. It is allowable under the laws of the Order for members of the Order, as individuals or combinations of individuals, at their own expense, to place a memorial window in a church, such window containing some of the emblems of the Order.—(Journal 136, 330, 409.)

10. A badge bearing the colors "pink and green" and also a "United States Flag" upon the same ribbon, is not the regulation badge prescribed by the Rebekah Code.—(Journal 136, 329, 409.)

11. A sister who has been in good standing in a Lodge for fifteen years, and entitled to wear a Rebekah Veteran Jewel, cannot be considered an honorary member and be entitled to the same privileges as accorded an honorary member of the Subordinate Lodge and thus render her exempt from payment of dues, as Section 905 of Busbee's Digest does not apply to members of the Rebekah branch.—(Journal 137, 329, 409.)

Extracts from Report of the Grand Secretary.

To The Sovereign Grand Lodge of the Independent Order of Odd Fellows:

Officers and Representatives: Herewith is presented the annual report of this office to the eighty-ninth annual session, showing the work of the various branches of the Order during 1912 and the condition of each at the end of said year (except as to the Patriarchs Militant, which appears in the separate report as Adjutant-General).

While there has been prosperity and growth in membership in each branch, the net increase has not generally been as large as in some recent years, on account of causes and conditions fully set forth in the correspondence part of this report by Grand Secretaries, Grand Scribes and Assembly Secretaries. Still substantial progress has been made and the Order is generally in splendid condition. The result accomplished will be given and compared with those of the previous year, 1911. Some Jurisdictions have had gratifying success while others have labored under difficulties mentioned in the correspondence, among which are short crops, etc. In most cases it is shown that the difficulties are disappearing and prosperous conditions and prospects returning.

The net increase in Subordinate Lodge membership in 1912 is 20,763, compared with 41,457 in 1911. The net gain in Rebekah membership is, sisters, 20,264, compared with 15,726 in 1911, and of brothers of this branch 4570, compared with 4076 in 1911. The total membership of the Order on December 31, 1912, was 2,121,921, of which the Subordinate Lodge membership is 1,645,369, and 476,552 sisters only of Rebekah Lodges.

The net increase in Encampment membership for the year is 4559, compared with 5809 in 1911. While the Encampment branch, as a whole, shows the net increase above stated, it happens that in this branch 26 Jurisdictions show net losses and the net increase is contributed from the other 29 Jurisdictions.

The total net gain for all branches, therefore, is 49,980, deducting a loss of 176 in the Patriarchs Militant, for the past year, compared with 68,253 for 1911.

The total expenditure for relief in 1912 was \$5,917,323.15, compared with \$5,854,271.64 in 1911. The receipts of Subordinates in 1912 amounted to \$18,922,758.38, compared with \$18,303,210.86 in 1911.

The total reported relief expenditure of the Order since 1830 has been \$148,469,984.87.

Business of the Grand Secretary's Office.

The total receipts of the fiscal year ending July 31, 1913, from the sale of supplies, Representative tax, and interest on deposits and securities of railroad stock, and city of Philadelphia bonds, were \$103,597.42, compared with \$100,264.08 for the preceding year.

Grand Representatives.

From certificates of Representatives received it appears that the number of Representatives to this session will be 208, which includes one from the Grand Lodge of Australasia, who, from recent advices received, will not be able to attend.

Sale of Official Certificates.

During the fiscal year ending July 31, 1913, the sale of Official Certificates reached 38,724 books of 100 each, as shown by separate report appearing elsewhere, which shows also the number sold to each Jurisdiction.

Necrology.

Information has been received that since the last session the following Grand Representatives have died: Frederick H. Seller, of Maritime Provinces; John E. Arnold, of Nebraska; George Hawkes, of Pennsylvania. These brothers rendered good and faithful service to The Sovereign Grand Lodge and the Order.

The Fraternal Press.

The publications in the interest of the Order are generally kept up to a high standard and some of them have recently been much improved in appearance and make-up. They continue indispensable aid to the Order and should be encouraged by the membership.

Relief to Flood Sufferers in Ohio and Indiana.

As the Grand Sire will cover this subject in his report, I will only refer to it briefly here to mention the appalling calamity that came to our membership in two of the great Jurisdictions of the Order and the suffering and loss resulting therefrom, as well as the profound sympathy felt by Odd Fellows everywhere. A call for relief was issued by the Grand Master of Ohio and also one by the Grand Sire, and later one by the Grand Patriarch of Ohio, and advices received indicate that general and liberal response was made in contributions for the relief of the sufferers of our Order. The Grand Master of Indiana made no call for relief outside of that Jurisdiction, but some contributions were sent also to Indiana, which were, no doubt, much needed, as considerable loss and suffering existed there on account of the floods at different places.

California's Appeal Case.

The appeal against Chas. L. Snyder, Grand Master, and the Grand Lodge of California, presented by the Committee on Appeals of the Grand Lodge of the State of California, as found on page 318, Journal of Proceedings of the Grand Lodge of California, 1913, was reported on by Representative Staley of Washington from the Committee on Appeals as follows:—

To The Sovereign Grand Lodge of the Independent Order of Odd
Fellows:

Syllabus.

Honors of Office.—Requirements therefor prescribed by The Sovereign Grand Lodge. Performance of required service is sole determining factor.

Rank of Past Grand.—Service in office as Noble Grand for majority of meeting nights of term, unless excused for sickness, personal to himself, and until the end of the term, is necessary to entitle a member to the rank of Past Grand.

Your Committee on Appeals, to whom was referred the appeal of Grove L. Johnson, et al., from the action of the Grand Lodge of California, in the matter of Brother John H. Wertz, beg leave to submit the following report:

Statement.

The facts as presented in this appeal show that Brother John H. Wertz was installed as Noble Grand of Westminster Lodge, No. 72, in the month of July, 1911; that he served in such capacity until the end of the term, but that he did not serve in such capacity a majority of the meeting nights of said term; that at the installation of officers in January, 1912, the District Deputy Grand Master installed Brother Wertz as Past Grand of said Lodge; that such action was no fault of Brother Wertz, and that no objections thereto were made by the Lodge or any member thereof; that at said time the members of the Lodge knew that said brother had not served as Noble Grand a majority of the meeting nights of the term; that he was recognized by said Lodge and its members as Past Grand, and that no question was raised with reference thereto until about six months thereafter, when he applied for a Withdrawal Card; that by virtue of a decision thereupon rendered by the District Deputy Grand Master in July, 1912, to the effect that said brother was entitled to the rank of Past Grand, the Lodge issued a Withdrawal Card to him showing his rank as Past Grand; that on or about August 5, 1912, the Grand Master reversed the decision of the District Deputy Grand Master and decided that said brother was only entitled to the rank of Past Vice Grand, and ordered that the card be returned and that a card be issued to him with the rank of Past Vice Grand. From the decision of the Grand Master an appeal was taken to the Grand Lodge, and the Grand Lodge sustained the action of the Grand Master. From the action of the Grand Lodge an appeal is now taken to The Sovereign Grand Lodge.

Opinion.

It is contended by appellants that by virtue of the facts, the Lodge and its members are bound by their conduct and cannot now question Brother Wertz's rank; and, further, that by virtue of the action of the District Deputy Grand Master installing him as Past Grand, the Grand Lodge and the Grand Master are also bound and estopped from questioning his rank.

The presumption is that all parties concerned, including Brother Wertz, knew the law, and we cannot therefore consider

that the elements of estoppel are present in this case. Neither do we consider that the rule of estoppel could apply to render nugatory a fundamental law of the Order laid down by The Sovereign Grand Lodge, which Body is vested with the sole and exclusive right to prescribe the requirements necessary to have been complied with in order to entitle a member to the rank of Past Grand.

The Sovereign Grand Lodge has prescribed that in order to entitle a member to the honors of office he must have served a majority of the meeting nights of the term, unless excused on account of sickness personal to himself, and he must have served until the end of the term; except where a member has been elected or appointed to fill a vacancy in office, service for a majority of the meeting nights remaining in such unexpired term, and to the end thereof, shall be deemed service for a full term in such office.

No declaratory act by a District Deputy Grand Master, or any installing officer, is necessary to constitute a member a Past Grand. He becomes a Past Grand by virtue of service in the office of Noble Grand, and only upon having served in compliance with the requirements of the law prescribed by The Sovereign Grand Lodge as in his opinion set forth. No tribunal other than The Sovereign Grand Lodge has power to prescribe those requirements, and no other tribunal and no officer can alter them. The sole determining factor is the performance of the service required therefor by the law as promulgated by The Sovereign Grand Lodge. It appears that Brother Wertz failed to fulfil the requirements necessary to entitle him to the rank of Past Grand.

We, therefore, recommend that the action of the Grand Lodge of California be affirmed.

Signed by the Committee.

Representative Phelps, of California, not participating.

The following communication from Representatives Phelps, Snyder, Colley and Pierce, of California, accompanied by the documents therein mentioned, was received and ordered spread upon the Journal:

To The Sovereign Grand Lodge of the Independent Order of Odd Fellows:

At the session of the Grand Lodge of the Jurisdiction of California, held in May, 1913, by a unanimous vote of its members, the Representatives of said Jurisdiction were authorized and directed to again extend an invitation to The Sovereign Grand Lodge to hold its session of 1915 in the city of San Francisco, California.

Accordingly, in compliance with our instructions, we take pleasure in extending to this Body such invitation on behalf of the Grand Lodge of California.

We also attach hereto invitations from the governing body of the Panama-Pacific International Exposition and the San Francisco Convention League. All of which we most respectfully submit for the future consideration of The Sovereign Grand Lodge.

W. W. PHELPS, F. E. COLLEY,
CHAS. SNYDER, FRED. E. PIERCE.

New Digest or Codification.

The new Digest or Codification of the Laws of the Sovereign Grand Lodge is promised for next year. The Legislation was:

"Your Special Committee on Codification of Laws report that considerable progress in the work of codification has been made. The research and analytical character of the same has made the task arduous and has required practically constant devotion of time. At one period during the progress of the work it seemed to your committee, by reason of the confusion of the many laws created and enumerated by the numerous committees of this Grand Body, that codification was not possible, but as the work advanced the difficulties were overcome and your committee are able to assure the Grand Body that the work will be completed and ready for presentation at the next annual session. Your committee, therefore, offer the following:

"Resolved: That leave be given the committee to continue the work and report next session, and that their report, together with the codification, be printed when ready, and placed upon the desks of the members of the Grand Body at the next session."

Permanent Meeting Place for Sovereign Grand Lodge.

The Special Committee appointed last year made the following report, and the report was adopted:

"Your Special Committee appointed at the last communication, with instructions to report on the feasibility of the erection of a Temple for the accommodation of this Grand Body, have had the subject matter of such reference under consideration during the past year and beg to report that we are of the opinion that the experiences of the past few sessions clearly indicate the desirability of having a permanent and commodious building for the transaction of the rapidly increasing business of the Order.

"While we appreciate the kind and liberal provisions made for us by the brotherhood at our various meeting places, we must all recognize the facts that it is an unwarranted burden on entertaining Jurisdictions and that the want of proper facilities seriously hampers the regular and orderly transactions of our business.

"It is further quite apparent that the extra cost of our sessions because of our nomadic habits is very large, in fact, so large as to easily pay a handsome return on a sum entirely adequate to build and equip a suitable building. Many other considerations might be suggested but we believe they are evident to all and need no enumeration here. We, therefore, recommend the following:

"Resolved: That a committee of five be appointed to ascertain the probable cost of a suitable site for such a building as will be needed and the cost and design thereof. Further, that said committee investigate as to the most suitable location of said building and make report of all their findings at the next annual communication."

NEW LEGISLATION.

Revision of Transfer Law.

The following revision of the Transfer Law was adopted:

"That a member of the Order in possession of an Official Certificate or Visiting Card changing his residence from the territorial jurisdiction of his Lodge or Encampment to the territorial jurisdiction of another and desiring to unite with a Lodge or Encampment at his new place of residence, upon making application for membership, accompanied by his Official Certificate or Visiting Card, showing his dues paid in advance, and being elected as provided by local law, upon notice being sent by the Secretary or Scribe to his Lodge or Encampment, said Lodge or Encampment shall, unless charges are pending against him, without ballot and without fee, issue a Transfer Certificate and send the same at once to the Secretary or Scribe sending for the same; and upon the receipt of the Transfer Certificate, the member shall be entitled to sign the Constitution and become a member of the new Lodge or Encampment without the payment of any admission fee; provided, that if a physician's certificate is required he must pay the expenses for the same.

"The Secretary or Scribe shall immediately report to the Secretary or Scribe of the Lodge or Encampment issuing the Transfer Certificate, the date of signing the Constitution of the new Lodge or Encampment, and he shall make a record thereof, and the old Lodge or Encampment shall immediately refund to the member all dues paid in advance of the date of signing the Constitution of the new Lodge or Encampment.

"The issuing of a Transfer Certificate shall sever membership in the Lodge or Encampment issuing it; provided, that if a member becomes sick or disabled, or should die before the date to which his dues are paid and before completing his membership by signing the Constitution of his new Lodge or Encampment, then said Transfer Certificate shall be cancelled and returned to the Lodge or Encampment issuing the same and said member shall retain his beneficial standing in his old Lodge or Encampment, the same as though the Transfer Certificate had not been issued.

"If a member fails to sign the Constitution of the new Lodge or Encampment within three months after the date of his election, the Transfer Certificate shall be cancelled and returned to the Lodge or Encampment issuing the same, and the member shall hold the same standing in his old Lodge or Encampment as though the Transfer Certificate had not been issued.

"Provided: That the foregoing shall not extend to or affect the Quasi-Independent Grand Jurisdictions."

Resolved: That the word "resident" be used instead of "inmate" as applied to the residents of our Homes.

Resolved: That the Grand Secretary be instructed to hereafter exclude from the revised Journal of Proceedings, all memorials relative to the decease of Past Grand Representatives, but to include in such Journal under proper heading the names, residence, place of birth and decease, age and years of service in this

Body, except that upon the decease of any Officer, Past Grand Sire or Grand Representative of this Sovereign Grand Lodge, extended memorials may be printed in such Journal.

Resolved: That when in the judgment of a Grand Master it will be to the interest of all concerned to hold such ceremony on Sunday, after satisfying himself that there shall be nothing done or attempted that will tend to desecrate the day, he may grant dispensation to lay a cornerstone or dedicate an Odd Fellows' Temple on Sunday according to forms prescribed by the Sovereign Grand Lodge.

Resolved: That Grand Bodies are hereby permitted by amendment to their Constitution to provide for the election of their Officers by Past Grands who are the duly accredited Representatives of the Subordinate bodies under the jurisdiction of said Grand Bodies.

Resolved: That after a member of a Rebekah Lodge has become sixty years of age and has been a contributing member for twenty-five consecutive years, his or her name shall not be dropped from the roll by virtue of his or her being more than one year in arrears for non-payment of dues, but he or she shall be retained as a non-contributing member, and as such shall be entitled to the pass words and fellowship of Lodges and shall have all the privileges of active members, and the Rebekah Lodge shall not be compelled to pay per capita tax on such members.

Such non-contributing members may be reinstated to full membership in the same manner provided for the reinstatement of dropped members, by the Constitution and By-Laws of the several Jurisdictions.

Resolved: That the Committee on Printing Supplies be authorized and empowered to have any or all of the odes now used and controlled by this Sovereign Body, sung into and placed upon record plates, so that the same may be obtained and used in the Lodges throughout the different Jurisdictions.

The proposition to establish a General Rebekah Assembly was debated at some length and the committee in charge brought in two reports, one embodying a per capita of not over $\frac{3}{4}$ of a cent per member to support a General Assembly, women Representatives thereto be paid their actual traveling expenses, the plan to be first submitted to State Assemblies for their approval. The other report opposed the establishing of a General Assembly and this latter report was adopted.

"A Grand Body may provide in its Constitution that Grand Representatives shall be recognized as elective officers thereof, but this shall in no wise render them ineligible to such Grand Body."

Legislation Not Adopted.

Under this head we give brief mention to subjects that were considered by The Sovereign Grand Lodge, as a matter of general information, feeling that it will give our membership a better idea of the work of the Sovereign Body.

A resolution authorizing Grand Bodies to make appropriations for the purpose of furnishing a fraternal paper to the membership, was defeated.

A proposition to poll the membership of our Order on the question of admitting to membership in Subordinate Lodges below the age of twenty-one was defeated.

A proposition to permit Third Degree members to vote for Grand Lodge Officers was withdrawn by the proposer.

A proposition permitting Subordinate Lodges and Encampments to declare a recess during good and welfare was not adopted.

A proposition to repeal the law requiring Subordinate Lodges to pay the one dollar per week minimum benefits after one year's illness or disability was defeated.

A proposition permitting all white women over eighteen years of age to become members of Rebekah Lodges, irrespective of the membership of their male relatives or marriage, was defeated.

A resolution making it unlawful for any of the branches of our Order to in any way or manner appropriate any of their funds for the purpose of entertaining The Sovereign Grand Lodge or the members thereof, or visitors at the place of the session of The Sovereign Lodge, was indefinitely postponed.

The proposed amendment to our Laws admitting to membership at eighteen years of age was defeated. The same amendment was re-introduced and will come up again next year for vote.

A proposition making Grand Lodges responsible for moneys advanced to sick brothers in another Jurisdiction, when the Lodge of which he is a member fails to pay, was defeated.

The proposition to appropriate \$10,000.00 from The Sovereign Grand Lodge treasury toward the cost of the Peace Monument at the Hague was defeated. Grand bodies were given permission to appropriate from their funds for the purpose.

An attempt to provide that Lodges may charge an admission fee for brothers coming to them by the Transfer Certificate, where they had been members for any length of time, was defeated.

Proposing a change in the "Book of Forms," as to dedicating of Odd Fellows' Halls, was defeated.

Notes of Session.

The entertainment started on Saturday, September 13th, with a complimentary excursion to Lake Minnetonka, returning to Lake Harriet where luncheon was served by the Rebekahs of Minnesota, while they listened to a band concert.

On Sunday, religious services were held at the Hennenpin Avenue M. E. Church, which the Odd Fellows attended in a body and listened to a sermon by Dr. Edward Gillies.

Monday at 9 a. m. the opening reception to the Sovereign Grand Lodge and visitors was held in the Unique Theatre, at which addresses of welcome were delivered by A. O. Eberhart, Governor

of Minnesota; Brothers Wallace G. Nye, Mayor of Minneapolis; A. W. Annes, Grand Master of Minnesota; S. A. Farnsworth, Grand Patriarch; August Hohenstein, Department Commander Patriarchs Militant, and Mrs. Mahala McGillivray, President of the Rebekah Assembly. Frank H. Castner, of Minneapolis, President. Grand Sire, Hon. C. A. Keller responded on behalf of The Sovereign Grand Lodge.

At 10 a. m. Monday morning, the Sovereign Grand Lodge held its first business session in the auditorium of the Hotel West. Business sessions were held here every day during the week. The National Military Council held its business sessions in the auditorium of the Hotel Andrews, the sessions being presided over by General Commanding A. R. Stocker. The National I. O. O. F. Home Association, which is made up of the officers of the different Homes throughout the United States, held their meetings every day at Fraternal Lodge, and the National Grand Secretaries' and Grand Scribes' Association held their meetings at North Star Lodge rooms. The Past Presidents' Association held their meetings in North Star Lodge rooms, and the meeting of the Fraternal Press was held in the parlors of the Hotel West.

At 6 o'clock on Monday, a complimentary banquet was given by Mayor W. G. Nye of Minneapolis for Grand Secretaries, Grand Scribes, members of the Fraternal Press and Past Grand Representatives at Elks' Club. Mayor Nye acted as toastmaster. Following the menu, responses were made by J. B. A. Robertson of Oklahoma for the Past Grand Representatives, Harvey J. Rice, Grand Secretary of South Dakota, for the Grand Secretaries, and Addison B. Parker of New York, President of the Fraternal Press, responded for that body.

From 8:30 to 10:30 a general reception was tendered the visitors by Minnesota Rebekahs at the Commercial Club on the tenth floor of the Radisson Hotel. In the receiving line were Grand Sire and Mrs. C. A. Keller, Mayor and Mrs. W. G. Nye of Minneapolis, and other Sovereign Officers and their wives. Refreshments were served throughout the evening, and two orchestras rendered music. The Misses Grace Davis and Alice Kolbot rendered solos.

Tuesday morning, business sessions of the Sovereign Grand Lodge and other national societies were held, and in the afternoon an automobile sightseeing tour of the city was given to the visitors. In the evening, at eight o'clock, the grand military ball was held in the Armory. It was attended by Patriarchs Militant in full dress uniform, and members of the Sovereign Body with their wives. The grand march was led by General A. R. Stocker, and was under the direction of Colonel Doyle of Chicago.

All day Wednesday business sessions of the Sovereign Body were held, and in the evening occurred the parade. The night parade was witnessed by 100,000 spectators, and 10,000 Odd Fellows marched three and one-half miles amid a blaze of lights that made Minneapolis downtown streets as bright as day.

Never had a bigger crowd turned out to witness a parade and never had more members of an Order traversed in a body the streets of Minneapolis. Seldom has there been a greater profusion of colored lights blending with the electric illumination.

Marching four abreast, the Odd Fellows formed a line that required more than an hour to pass a given point. In variety and brilliance of uniforms the pageant eclipsed anything ever seen in Minneapolis.

Leading the different divisions were General A. R. Stocker, Grand Marshal Harper Wilson, Grand Sire C. A. Keller, and Deputy Grand Sire Robert T. Daniel. Major J. P. Doyle of Chicago assisted Grand Sire Keller, as he has done for many years.

On the staff of General Stocker was Major-General W. C. Gurney of Binghamton, N. Y. The Staff was followed by Cantons, Encampments, Subordinate Lodges and Grand Representatives in automobiles.

On Thursday morning, business sessions of the different bodies were held, and in the afternoon at 3 o'clock an excursion was made to St. Paul, where the Odd Fellows were entertained by the members of the fraternity of that city. After visiting the State Capitol and other points of interest in St. Paul, a banquet was served at 6:30, at which Oscar Holman acted as toastmaster. Addresses were delivered by Judge Jugo Hanft, Deputy Grand Sire Robert T. Daniel and Frank L. Powers. The return trip was made to Minneapolis at 9 p. m.

Business sessions of the Sovereign Grand Lodge were held on Friday, and in the evening at 8 o'clock the Grand Decoration of Chivalry was conferred on a class of twenty-five candidates by General A. R. Stocker. The drill prizes were also announced.

The most important legislation during the session was the defeat of the law changing the age limit for admission to the Order from twenty-one to eighteen years. This legislation was indefinitely postponed.

The proposition to establish a national Rebekah Assembly was also defeated.

A special committee was appointed to revise and rewrite the Patriarchs Militant ritual. The committee was appointed as follows: A. B. Parker of New York, Chairman; Representative Bradford of Washington, D. C., and Past Grand Sire Alfred S. Pinkerton of Worcester, Mass.

The Big Parade.

The parade which took place Wednesday night, was the best in the history of the Order and by far the largest ever seen in Minneapolis. There were 10,000 men in line and it took two hours for the parade to pass a given point. There were 1,000 men clothed in the glittering uniform of the Patriarchs Militant, and all of those in the line of march were clothed in the regalia of the Order. There were also many floats in the parade and the Rebekahs rode in automobiles. At some points of the town the streets were so densely crowded that the paraders could scarcely get through, and the countermarching movements were found to be impossible of execution.

There were many unique representations in the parade. The delegation from La Portage La Prairie, Canada, was headed by a Scotch Highlanders' band in costume, followed by the Winnipeg

Lodge with a woman robed in white and carrying a sheaf of wheat. The Lodge from Calumet, Michigan, was represented by a group of miners, garbed in the working clothes of the miners with the head-lanterns gleaming from their hats.

St. Anthony Lodge, No. 40, had a float carrying an illuminated illustration of St. Anthony falls. Minnehaha Lodge of Minneapolis was represented by a float showing a group of Indian maidens in Indian garb, and Hiawatha Lodge presented an Indian tepee sitting on wheels, with Hiawatha and other figures drawn from Longfellow's legend.

Prize Winners.

The Canton prize drill prize went to the Canton from Calgary, Canada, and Hiawatha Canton of Pipestone, Minnesota, took the prize in the Patriarchs Militant degree contest. In the Encampment degree contest, Patriarchal degree, Eureka Encampment of Winnipeg took the first prize of \$200.00. Minneapolis took the first two prizes in the Twin City Rebekah degree contests, Pansy Lodge, No. 54, getting first honors. Star of the North, No. 15, of St. Paul, was third. Queen Esther Lodge of Winnipeg won the first honors in the international Rebekah degree contest; Oak Leaf Lodge of Wheatland, S. D., was second, and Maple Leaf Lodge of Edmondton, Canada, was third.

In the Subordinate Lodge first degree staff work, Swedish Olive Lodge of Moline, Ill., won the first prize of \$500.00 and Paris Lodge of Paris, Mo., the second prize of \$300.00. The latter also won the first prize of \$500.00 in the initiatory degree contest with a percentage of 97.4, and the Manufacturers' Lodge of Moline, Ill., was second.

St. Paul Day.

The afternoon of Thursday, the 18th, was set apart as St. Paul Day, that the Order and citizens in this city might extend honor to the members of The Sovereign Grand Lodge and visitors. The reception at St. Paul included seeing the city and the new State Capitol, together with a banquet. The trip to St. Paul was in every respect pleasant and successful. At the banquet eloquent and appropriate addresses of welcome were made by Brother Frank Powers, Past Grand Representative, and others, which were responded to by Judge Robert T. Daniel, Deputy Grand Sire.

We desire to call the attention of the Grand Lodge to Decision No. 1 of the Grand Sire, which decision was approved by the Sovereign Grand Lodge as follows:

"When a Subordinate Lodge has two or more applications for same degree, the vote must be taken separately on each candidate."
And also Decision 2, as follows:

"A Grand Lodge cannot pass a law allowing Subordinate Lodges, where they have two or more applications for the same degree, to vote collectively."

These decisions appear to be in conflict with Article V, Section III of the Constitution of Subordinate Lodges of California. (See Louderback's Digest, Section 1915.)

We would also call your attention to Decision No. 20, and owing to its importance we herewith submit the full report of the Judiciary Committee of The Sovereign Grand Lodge, which was adopted:

To The Sovereign Grand Lodge of the Independent Order of Odd Fellows:

Your Committee on the Judiciary, to whom were referred the decisions of the Grand Sire, beg to report, that we have carefully considered Decision 20, and are of the opinion that the answer should be:

Yes. The Lodge should pay the benefits: First, for the relief of the personal needs of the brother himself, if any; second, for relief of the needs of his wife and minor children, if any, and any benefits belonging to him not thus expended, to be held in a separate fund, to be accounted for to him in the event of his recovery, or in the event of his death to be paid to his widow, orphans or dependent relatives; if there be none such, said unexpended benefits to revert to the general fund of the Lodge. (See Journal 1886, pages 10,395, 10,474; Journal 1897, Decision 30, pages 15,168, 15,534, 15,584; Journal 1902, pages 870, 915; Journal 1904, Report 147, pages 686, 884; Journal 1907, Report 53, pages 286, 307; Journal 1910, Decision 7, pages 490, 740, 767.)

We, therefore, recommend that the answer to said Decision 20, be amended to read:

Answer: Yes. The Lodge should pay the benefits; first, for the relief of the personal needs of the brother, if any; second, for the relief of the needs of his wife and minor children, if any; and any benefits belonging to him not thus expended, to be held in a separate fund, to be accounted for to him in the event of his recovery, or in the event of his death to be paid to his widow, orphans or dependent relatives; if there be none such, said unexpended benefits to revert to the general fund of the Lodge.

The Representatives from California received the following committee assignments:

Representative W. W. Phelps, Committee on Appeals.

Representative Chas. L. Snyder, Committee on Correspondence and Grand Bodies not represented.

JOHN GLASSON,
E. H. BLACK,
JOS. FOSTER,
Grand Trustees.

The Trustees of the Odd Fellows Home presented their annual report, which was, on motion, adopted:

REPORT OF TRUSTEES OF THE ODD FELLOWS' HOME.

To the Grand Lodge, I. O. O. F., of the State of California:

Your Trustees of the Home herewith submit their annual report for the fiscal year, 1913-1914.

The report this year will necessarily be brief, as in previous reports we have submitted photographs of nearly all angles of the buildings and have fully explained their uses, etc.

Those who have recently visited the Home can fully appreciate what has been accomplished during the past year in the way of permanent improvements upon both buildings and grounds and in making the Home one of the beauty spots of California. To those of you who have not visited the Home during the year, we can only suggest that you pay it a visit at this time and see what our great Order has provided in the way of a Home for our good old Sisters and Brothers.

The grounds have been improved as much as possible during the brief space of one year. They have been graded, covered with loam and laid out in lawn, flower beds, walks and drives, and a large variety of beautiful plants, flowers and shrubbery have been planted, the roads and walks well graveled and rolled; drain sewers have been laid wherever necessary; water and irrigation pipes laid to all parts of lawns and garden and a thorough sprinkling system has been installed and a 5000-gallon tank placed over the septic tank with an automatic electric pump to elevate the water so that it may be used to irrigate the garden; pergolas for grapes and trellises for berries have been built and a large number of trees both fruit and ornamental have been planted; electroliers have been placed on front lawn and at main steps on terrace, and along the main driveway as far as Fruitvale avenue; improved and sanitary hog pens have been built and are now occupied by six fine Berkshire hogs of pedigree stock.

Many of our oak trees showed evidence of decay. Mr. Shinn, the original tree doctor, was employed for the purpose of treating the trees and the most satisfactory results have been attained, as the trees are now in splendid condition and very thrifty; rustic seats have been placed around them for the comfort of our Residents.

Tables and a screened kitchen have been built at our picnic grounds near the spring, for the convenience of Odd Fellows and Rebekahs who desire to picnic, may do so and without inconvenience or expense to the Order. Several outings of that character have already been held.

Brother H. D. Richardson, Grand Secretary, corresponded with Congressman John E. Raker, Past Grand Master, in relation to obtaining a bell from the Navy Department to place in one of the towers of the Administration building, and through the efforts of Brother Raker, Secretary Daniels of the Navy Department forwarded a bell from the ship Pensacola and it has been placed in the

tower by Brother Louis Johnston, one of our Residents, and was dedicated by Brother W. H. Barnes on Christmas day in the following language:

"In the name of the United States of America and of the Independent Order of Odd Fellows, we dedicate this bell to the principles of Liberty, Protection, Progress, Friendship, Love and Truth, and whenever its notes are heard may they be reminders of duty to our Government and duty to our Order."

All that could be done in the brief space of time and the money at our command to beautify the place and make it a comfort and pleasure ground for the Residents and a pride to the Odd Fellows of our great Jurisdiction has been accomplished.

Religious Services, Entertainments, etc.

We are indebted to the ministers and the good people near the Home for religious services which are held every Sunday afternoon, with praise services Sunday evening. Miss Roy, assisted by friends, has given a number of concerts during the year, which were greatly appreciated by the Residents.

At the time San Mateo Lodge held its picnic they formally presented the Home with a large davenport which has been placed in the lobby of the main building. It is a splendid piece of furniture and adds much to the comfort of all. Thanks to the Odd Fellows of San Mateo.

The General Relief Committees of Sacramento, Stockton, Oakland, San Francisco and San Jose visited the Home one Sunday, enjoyed a basket lunch at the picnic grounds and thereafter made a thorough inspection of the Home.

Too much praise cannot be given our good Brother, W. H. Barnes, for a number of visits to the Home and the splendid entertainments given by him to our family. He was present at the anniversary of the founding of the Rebekah branch of the Order. He also enacted the part of Santa Claus at our Christmas celebration, and again entertained on Washington's Birthday. Brother Barnes never fails to bring joy and happiness to our old people and we trust he may be spared to our Order for many years to come.

Items of General Interest.

Our family has grown considerably larger during the year and at this time there are one hundred and fifty-seven Residents. The health conditions are far better than at any previous time since the establishment of the Home; and while the high cost of living, which is ever staring us in the face, not only in our individual homes, has been felt at the Home, and the cost of all supplies increased, and it has become necessary to insure our employees, yet we still maintain the same standard of living that has ever been the pride of the Order.

Our good Matron, assisted by all the sister Residents, put up an immense amount of fruit and vegetables which were greatly appreciated at meal times.

We regret exceedingly the recent illness of the Superintendent, Doctor Burgess. However, the Matron, assisted by members of the Board of Trustees, were able to keep the Home running in good order, and with a nearby physician ready to respond to any call. The Doctor has fully recovered and has again assumed his duties.

Livestock at the Home.

The livestock at the Home consists of seven horses, twelve cows, one bull, six registered Berkshire hogs, with a number of small pigs, and about 350 chickens which we hope to increase to 600 during this year. All the stock are healthy and in first class condition.

Recommendations.

Your Board would recommend that the printing of the Physician's monthly report in our annual report be discontinued, for the reason that it is an item of considerable expense and does not seem to serve any purpose, it being always on file in the office of the Grand Secretary.

The Thermalito Property.

The President or Vice President of the Board have visited Thermalito at such times as there was any prospect of selling the property. At the present time no definite offers have been received. However, the buildings and grounds are kept in good condition by our caretaker. Yet unoccupied buildings do not improve with age, therefore your Board would appreciate any effort on the part of our Brothers to interest themselves and assist in effecting a sale of the property.

Donations.

The donations to the Home have been generous, and some very substantial, particularly the fourteen-foot oak and leather Davenport by San Mateo Lodge, No. 265, and the Odd Fellows of Los Angeles County for the 20 oak rockers for the Los Angeles County Villa, and 36 oak rockers for the Sisters. The Committee on Finance presented the following report:

REPORT OF FINANCE COMMITTEE.

To the Grand Lodge, I. O. O. F., of the State of California:

Report No. 2.

Your Committee on Finance beg to report that in accordance with resolution of the Grand Lodge, adopted at the session of 1904, they employed the firm of McLaren, Goode & Co., certified public accountants, to expert the books and vouchers of the Grand Secretary and Grand Treasurer, and the accounts of the Odd Fellows Home. The audit has been conducted on the same lines as in previous years and the accounts have been found to be correct and in good order. The balances have been verified with the certificates received direct from the various banks, who report that the balances appearing in the books are duly in their hands.

There is a liability of \$149,600 on account of the six per cent New Home Notes which have been issued and are now outstanding, not shown in the figures below. This amount is more than offset by the value of lands and improvements held by the Grand Lodge.

The Notes are fully accounted for in a special ledger, but in the opinion of the committee, the liability should also appear in the general ledger. We suggest, however, that it will be necessary for the Grand Lodge to first place a valuation on its holdings, and enter the amount as an offset, otherwise, the liabilities will appear as greatly in excess of the resources.

We therefore recommend that a committee be appointed to appraise the values of all the real estate, improvements and equipment owned by the Grand Lodge, with instructions to report the result of their findings at this session.

The Committee on Correspondence submitted the following report:

REPORT OF COMMITTEE ON CORRESPONDENCE.

To the Grand Lodge, I. O. O. F., of the State of California:

Report No. 3.

Your Committee on Correspondence beg leave to present their report. Every Jurisdiction is mentioned, a few of which we are unable to state conditions owing to lack of information obtainable.

Alabama.

Lodges, 494; membership, 19,670; loss, 1019.

H. C. Pollard, Grand Secretary, writes: The annual report of the past year will show a net loss, the greatest havoc being made in our ranks by suspension for non-payment of dues. However, we are more enthusiastic this year than ever before, for our Grand Master has entered upon the discharge of his duties with a determination to bring the Order in Alabama to the top notch. We are beginning to see a new era for Odd Fellowship in this Jurisdiction and we feel confident that our next annual report will show handsome gains in all branches of the Order.

Alberta.

Lodges, 89; membership, 6439; gain, 989.

The Grand Lodge of Alberta convened in eighth annual session at Calgary, February 18, 1913, Alf. Brown, Grand Master, who in his report says: I have endeavored to fill the position of Grand Master of this great Province of Alberta to the best of my ability. If I have failed, it is my misfortune, and not for the want of trying to help build up to its standard this worthy society of ours. While I have spent a good deal of time and energy in endeavoring to build up weak Lodges, it has been a great pleasure, as the glad hand of friendship has been extended to me on each occasion.

Arizona.

Lodges, 23; membership, 2064; gain, 51.

The Grand Lodge of Arizona met in thirtieth annual session at Tempe, Arizona, April 21, 1913, Robert S. Longmoor, Grand Master, who says: Although the growth and prosperity of the Order has not been all we hoped for, the year has not been without results. Two new Subordinate Lodges and one Rebekah Lodge have been added to the number, and, with the exception of one Lodge, all are in good condition. The coming year should show good results.

Arkansas.

Lodges, 608; membership, 26,788; loss, 3758.

The Grand Lodge of Arkansas met in sixty-fourth annual session at Hot Springs, October 28, 1913, George W. Reed, Grand

Master, who says: I believe the Order is in a healthier condition than it has been for some time, although as compared with a year ago we have lost some members which, in my opinion, is largely due to too rapid growth a few years ago. I am proud to say that I believe a reaction has taken place, as our reports for June 30, 1913, show a net gain of more than 600 since December 31, 1912, and I know of many initiations since the last official reports. I feel confident that this is the last year that a decrease in membership will be reported.

British Columbia.

Lodges, 58; membership, 6684; gain, 864.

Fred Darcy, Grand Secretary, writes: I am pleased to be able to point to a satisfactory increase of membership. The prospects of continued progress for the future are very encouraging.

California.

Lodges, 410; membership, 46,022; gain, 1200.

Your Committee is informed that satisfactory progress was made during the year 1913.

Colorado.

Lodges, 174; membership, 14,085; loss, 293.

The Grand Lodge of Colorado met in forty-sixth annual session at Grand Junction, October 28, 1913, J. M. Norman, Grand Master, who says: Odd Fellowship in Colorado is in a healthy condition. While we did not realize our desire to increase our membership by a thousand good men, yet when we take into consideration the financial depression and the unsettled industrial condition of the country, we should be satisfied with holding our own, and yet we have done better than this. I am pleased to report that so far as this office is concerned no litigation has occurred among the Lodges during the year. Peace and prosperity prevail throughout the Jurisdiction.

Connecticut.

Lodges, 93; membership, 22,689; gain, 592.

The Grand Lodge convened in annual session at New London, May 21, 1913, Frederic C. Burrows, Grand Master, who in his report, after comparing conditions of 1902 with those of 1913, says: This shows that we are steadily advancing in membership, financial strength, and are living up to the fundamental principles of the Order in visiting the sick, relieving the distressed, burying the dead and educating the orphans. The Committee on Correspondence make an elaborate report.

Delaware.

Lodges, 32; membership, 3213; gain, 122.

No report for 1913.

District of Columbia.

Lodges, 17; membership, 1892; gain, 19.

The Grand Lodge assembled in annual session at Washington, D. C., January 15, 1913, George Gerberich, Grand Master, who reports: Since assuming the office of Grand Master a year ago, I have endeavored to administer the duties thereof in an impartial manner and according to the dictates of my conscience, always to the end that harmony might prevail and prosperity result as the fruits of my efforts, and hope that in some measure at least those efforts have been successful. Also report a rally of the Subordinate Lodges which resulted on November 19, 1912, in the largest gathering of Odd Fellows ever brought together at one time in the District of Columbia.

Florida.

Lodges, 71; membership, 4356; gain, 46.

The Grand Lodge of Florida met in fifty-eighth annual session at Palatoka, on April 15, 1913, Willis Castaing, Grand Master, who reports: I have visited all the Lodges I could during the incumbency of my office. There has been much activity among the Brothers during the year. We have instituted three new Lodges and more are contemplated, two practically defunct Lodges have been revived, and we hope the work will ever go on.

Georgia.

Lodges, 527; membership, 33,932; loss, 421.

The Grand Lodge held its seventieth annual session in the city of Savannah, May 28 and 29, 1913, W. S. Coleman, Grand Master, who reports under the head of New Lodges: I have issued dispensations for the institution of thirteen new Lodges to the date of this writing, and before the opening day of the Grand Lodge, I confidently expect to add to this number several other Lodges. Each Lodge has opened with a membership sufficiently large to take care of the organization financially, with a splendid spirit of enthusiasm for their growth in the future. In South Georgia the increase in new Lodges has not been as large as I had hoped for. I am hopeful, however, that with the industrial development and wonderful expansion of this section of our State, Odd Fellowship may keep pace with the growth of our people along financial lines, and with the natural increase in population, our Order should find a foothold in localities where the flag of Odd Fellowship has not been hoisted. Under the head of Delinquent Lodges and Suspensions the tenor of his report is not so favorable or hopeful. He made many decisions.

Idaho.

Lodges, 138; membership, 8265; gain, 62.

The Grand Lodge met in thirty-first annual session at Weiser, October 21, 1913, S. S. Taylor, Grand Master, who reports: There has been much activity in this Jurisdiction during the past year. A prominent feature has been the large number of district and

central meetings and celebrations. The Home fund has grown from year to year until it now amounts to the splendid sum of about \$45,000.00.

Illinois.

Lodges, 991; membership, 102,531; gain, 2205.

The Grand Lodge met in seventy-sixth annual session at Springfield, November 18, 1913, John E. Jennings, Grand Master, who from his report certainly had a strenuous year. A pamphlet on Odd Fellowship was prepared by a committee appointed by him, pursuant to legislation passed by the Grand Lodge, at a former session, copies of which were printed and sent to every Lodge in the Jurisdiction to be presented to the membership, quotations from which follow in part:

"Do something for somebody, somewhere,
While jogging along life's road,
Help somebody to carry his burden,
And lighter will grow your load.

"Do something for somebody gladly,
'Twill sweeten your every care,
In sharing the sorrows of others
Your own are less hard to bear

" 'Tis Friendship ties men together as brothers,
When one shares success with the failure of others,
And Heaven will bless them who cheerfully give
Their time and their talent in helping men live.
What virtue this friendship has gathered in store,
Will rest in the bosom of love evermore,
And then with the emblem of truth will adorn,
The life that plants roses where once was a thorn."

Indiana.

Lodges, 765; membership, 83,210; gain, 822.

The Grand Lodge met in seventy-seventh annual session at Indianapolis, November 19, 1913, H. W. Carpenter, Grand Master, who, under the head, State of the Order, says, in part: Under this head, it is a pleasure to me to know that universal peace prevails. If we could look back with our eyes into the hearts and lives of our members over the State we would see that links of gold, moulded in the furnace of Friendship, Love and Truth, were today holding nearly 85,000 men together, and would further see connected with the silver cords of Faith, Hope and Charity the great band of Rebekah members administering the duties imposed upon them as devoted members of a great fraternal institution. The reports show that for the first six months we have had a gain of something over a thousand members, which would indicate that some Lodges have been busy while others have been content to let the year elapse without making any effort to strengthen the membership of their Lodges. Perhaps they forget that the hour demands of every Brother that he perform some duty toward his fellowmen. It is the one who loves his fellowmen, after all, who shall stand in the front ranks on the shores of the conqueror.

Iowa.

Lodges, 720; membership, 58,835; gain, 95.

The Grand Lodge met in sixty-sixth annual session at Fort Dodge, October 22, 1913, E. W. Cutting, Grand Master, who says, under the caption of Harmony: . At no time have all departments of our Order worked in better harmony. Each of the times that the heads of all four departments have been permitted to meet together has been looked forward to as a family homecoming. Each has done his own work besides helping the others. The splendid work done by each of the other three has been an inspiration, and to me especially have I come to know of the work of the President. The general condition of our Order in Iowa is the best it has ever been.

Kansas.

Lodges, 564; membership, 49,560; gain, 679.

The Grand Lodge met in fifty-sixth annual session at Hutchinson, October 15, 1913, John G. Mure, Grand Master, who says: I am gratified to be able to report that most of the Lodges show a degree of activity. Though the net increase is not as great as we had hoped for, we are glad to be able to show an increase, considering that the whole State is affected by a drought such as has not been experienced in the State in many years, which is affecting every line of business and has very materially affected the growth of the Order in this Jurisdiction by taking the spirit and enthusiasm out of the members. Under the caption Necrology he quotes:

"One army of the living God,
To his command we bow;
Part of the lost have crossed the flood,
And part are crossing now."

Kentucky.

Lodges, 400; membership, 28,044; loss, 1086.

The Grand Lodge met in annual session in Paducah, October 14, 1913, W. U. Carr, Grand Master: Much of the business of the session was regarding the Home. From the report of the committee on the death of Past Grand Master Lynn T. Graber, we quote:

"Our hearts are mournful; the shadows linger, but
'Tis written on the face of earth
'Tis painted on the sky,
'Tis grounded in the mind of man
By power from on high;
'Tis fixed in ocean's deepest depths
And melody as well—
Earth's tenor is a changeful dream
That shall speedily dispel
When He who made, shall take away,
This life to mortal given,
That man shall use it for a day
To make it fit for heaven."

Louisiana.

Lodges, 109; membership, 4387; loss, 212.

The Grand Lodge met in eightieth annual session at New Orleans, March 10, 1913, Dr. A. F. Barrow, Grand Master, who says: This past year has been one of much misfortune and many disasters throughout our State. I am pleased to report that peace and harmony prevails throughout this Jurisdiction, with pleasant and cordial relations existing between this and sister Jurisdictions. Our Home still continues to be a justifiable pride to all Odd Fellows in Louisiana.

Maine.

Lodges, 152; membership, 25,759; gain, 312.

The Grand Lodge met in seventieth annual session at Portland, October 15, 1913, Louis E. Flanders, Grand Master, who says: I am pleased to report that from my own observation, made in visiting Lodges in all sections of the State, and from reports given by my District Deputies, the Lodges for the most part are in a healthy and prosperous condition, and contentment and harmony prevail. During the past year many of the Lodges have shown unusual interest and activity. We quote from the Grand Master's Anniversary Proclamation:

"This day let songs of joy arise
Throughout our favored land,
From all the true and honest hearts
That form our noble band.
Our banners are unfurled today,
Our motto all may see,
Truth, Love and Friendship are combined
With Faith and Charity.

Manitoba.

Lodges, 87; membership, 9752; gain, 970.

The Grand Lodge met in its thirtieth annual session at Winnipeg, March 5, 1913, E. H. Dewart, Grand Master, who says, under the caption, State of the Order: I may say in this connection that the Order in this Jurisdiction is in a buoyant and healthy condition. The interest in Odd Fellowship is increasing and I look for a very large addition to our membership during 1913.

Maritime Provinces.

Lodges, 116; membership, 10,627; gain, 622.

J. J. McKinnon, Grand Secretary, writes: You will note that we are still moving in the right direction, adding eight new Lodges to our roll and increased our membership by 622, which is 41 better than the previous year. I can see no reason why we should not be able to report fully as large an increase next year.

Maryland.

Lodges, 125; membership, 12,840; gain, 992.

The Grand Lodge met in annual session at Baltimore, April 21, 1913, Fred. A. Groom, Grand Master, who says: I have been continually on the go, and not an opportunity has been lost during the entire year. The standard has been high because our net gain is 992 members and two new Lodges. The initiates are among the best men in the State. It has been my pleasure to attend all the District meetings, rallies and reunions held in different parts of the State during the year, and I cannot say too much in commendation of them. I think this is a splendid way to spread the spirit of Fraternity.

Massachusetts.

Lodges, 243; membership, 59,919; gain, 194.

The Grand Lodge convened in annual session at Boston, September 4, 1913, John W. Roberts, Grand Master, who has much to say about the delinquent members: I believe that getting in personal touch with these members will accomplish wonders in reducing the number of suspensions in our State and I cannot urge this too strongly upon the Lodges.

Michigan.

Lodges, 531; membership, 59,335; gain, 2884.

The sixty-ninth annual session of the Grand Lodge was held at Kalamazoo, October 21, 1913, Harry L. McNeill, Grand Master, who visited every county in the State and says: Our visitations have brought us into close contact with Lodges of every part of the State and we were able to study conditions as no other method would have permitted. I find with very few exceptions that the Lodges are prosperous and growing, each striving to promote true fraternity and making themselves felt as an influence uplifting to their community. The Grand Secretary, Fred. A. Rogers, says: In submitting this report it gives me unalloyed pleasure to state to you that our beloved Order throughout this Jurisdiction was never in a more healthful and flourishing condition than at the present time, and every indication points to a continuation of this happy state of affairs, which is very largely due to the earnestness, energy and zeal of the membership at large.

Minnesota.

Lodges, 262; membership, 22,326; gain, 563.

The Grand Lodge met in its sixty-first annual session in the city of Duluth, June 11, 1913, Harmon W. Phillips, Grand Master, who says in his report as to the condition of the Order: Possibly the most cheering matter to report to this sixty-first annual session of the Grand Lodge of Minnesota is the fact that, during my entire term of office, there has not been a substantial complaint received by me to the effect that the Lodges of this Jurisdiction or the members thereof have been remiss. The greatest of peace and harmony has prevailed.

Mississippi.

Lodges, 75; membership, 3234; loss, 456.

No report from this Jurisdiction as to conditions.

Missouri.

Lodges, 789; membership, 63,579; loss, 381.

The Grand Lodge met in seventy-fifth annual session in Excelsior Springs, May 20, 1913, Rev. A. Sterling, Grand Master. The Grand Secretary, after making an elaborate report statistically and otherwise, concludes: We are glad to report that an increased interest in every section of the State is being manifested at present, which means, if continued, a very successful year is just ahead of us. We believe with all of our mind that a more loyal band of Odd Fellows never lived. Pleading for united efforts in every department of the work the coming year will be an exceedingly prosperous one.

Montana.

Lodges, 97; membership, 6227; gain, 4.

The Grand Lodge met in thirty-ninth annual session in Bozeman, October 21, 1913, R. H. Swain, Grand Master, who says: I have worked earnestly during the year to promote the principles of our Order as I saw them. It is my hope that Odd Fellowship has been advanced in strength and usefulness and honor during the year just passed and that the coming years may each bring added success.

Nebraska.

Lodges, 330; membership, 24,337; gain, 509.

The Grand Lodge met in fifty-sixth annual session at Lincoln, October 15, 1913, T. W. Bass, Grand Master, who says: The activity in all branches of the Order, and the outlook for a good, healthy growth during the coming year, is very promising. During the year I have put in six new Lodges in various parts of the State. Not as many as I had hoped to institute, yet I am confident that the ones put in are of the kind that will make good, as I do not believe in instituting a Lodge when conditions do not warrant it.

Nevada.

Lodges, 25; membership, 1652; loss, 50.

The Grand Lodge met in forty-seventh annual communication in Elko, on the 17th day of June, 1913, David McLean, Grand Master, who, under the caption, State of the Order, says: I am pleased to report that I found a majority of the Lodges in good condition, the members all working in harmony to advance the interests of the Order.

New Hampshire.

The Grand Lodge met in seventieth annual session at Manchester, October 8, 1913, Frank M. Beckford, Grand Master, who

says: The individual Lodges in this Jurisdiction have, during the past year as a whole, evinced great interest and done splendid work, and with very few exceptions I can truthfully report them in good financial condition.

New Jersey.

Lodges, 263; membership, 29,921; gain, 453.

The Grand Lodge met in eightieth annual session at Trenton, November 19, 1913, George W. Shinn, Grand Master, who says: I have every reason to believe there has not been a period for many years when a greater degree of harmony and fraternal spirit has existed than at present. The law regarding smoking I find to be very generally disobeyed and a great deal of bitter opposition to its enactment and enforcement. I received many letters of protest, and when they came to me from Lodges who avowed their intention of complying, I have forwarded them to the Grand Sire. The eulogy pronounced upon Malcom W. Wood, Past Grand Master, deceased, concludes:

He has done the work of a true man,
Crown him, honor him, love him,
Weep over him tears of woman,
Stoop manliest brows above him,
No duty could overtask him,
No need his will outrun,
Or ever our lips could ask him,
His hands the work had done.

New Mexico.

Lodges, 45; membership, 2495; loss, 55.

Grand Lodge met in twenty-fourth annual session at Albuquerque, October 7, 1913, C. C. Hill, Grand Master, who says: I am sorry to say that I find in many Lodges conditions that are not conducive to the growth of the Order. Some few I find flourishing, but in others I find dissensions and internal strife that is very damaging.

New York.

Lodges, 933; membership, 124,434; gain 1721.

The Grand Lodge met in annual session at Poughkeepsie, August 19, 1913, Frederick J. Greifenstein, Grand Master, who says: In the discharge of the duties devolved upon us we again assemble in annual session and meet under cheering and favorable auspices. While the numerical increase in our membership is not as large as in some years, yet the past year has been a fruitful one to our Fraternity in this Jurisdiction; peace and harmony prevail in our ranks throughout the Empire State.

North Carolina.

Lodges, 268; membership, 16,088; gain, 46.

The seventieth annual session was held in Greensboro, May 20, 1913. Grand Master C. Dewey says: I can report a small gain in

numbers for the year. The number admitted on the club plan has been large. I fear that some of the Lodges in their zeal for members are not using the care they should in receiving and soliciting applicants.

North Dakota.

Lodges, 132; membership, 7068; gain, 91.

The twenty-third annual session was held at Fargo, June 3, 1913, E. M. Jackson, Grand Master, who says: My observation has been that Lodges that are in a prosperous condition are those composed of members that believe in and practice the principles of the Order and obey its laws. Those that are in a fair condition are those that are trying to do right, but have no initiative or governing power; they need help. Those that are in bad condition are those that do not practice the principles or obey the laws. They have a code of their own, one that in their opinion is best fitted to local conditions.

Ohio.

Lodges, 765; membership, 85,829; gain, 646.

The eighty-first annual session was held at Toledo, June 17, 1913, F. C. Goodrich, Grand Master, who says: During the year very little trouble has come to my attention and it has been remedied without any serious results, and on the whole the Order today is in a better condition than it ever has been before. The general complaint in this Jurisdiction, like nearly all others, is the vice of suspension for non-payment of dues.

Oklahoma.

Lodges, 595; membership, 31,708; loss, 243.

The third annual session of the consolidated Grand Lodge of the Jurisdiction of Oklahoma was held at Oklahoma City, October 7, 1913, Oliver C. Black, Grand Master. He reports the Incorporation of the Grand Lodge under the laws of Oklahoma. Regarding conditions he says: I am pleased to say that harmony and good will reign supreme throughout our entire Jurisdiction, and I believe that never before in the history of the Order in Oklahoma have the Lodges done better work than at the present time. The fraternity was never warmer, never more generous, never more ready to respond to the call of distress than now.

Ontario.

Lodges, 391; membership, 49,446; gain, 2474.

The fifty-ninth annual session of the Grand Lodge was held at Belleville, August 14, 1913, F. E. Evanson, Grand Master. W. Brooks, the Grand Secretary, says: Our Order has the confidence of the general public and is recognized as one of the strongest agencies in the social, moral and material advancement of our people. I am pleased to report that the great majority of our Lodges have shown unabated activity during the term just closed.

Oregon.

Lodges, 214; membership, 19,040; gain, 530.

The fifty-eighth annual session convened at Medford, May 21, 1913, W. A. Wheeler, Grand Master, who says: So far as my information goes, from personal visitations, reports from Deputies and Lodge Officers, the Lodges in Oregon are, generally speaking, in a prosperous condition both financially and in membership. The Grand Secretary reports: While our progress numerically has not been so good as desired, the general conditions are excellent. The year 1913 bids fair to show up a larger increase, and continued prosperity financially.

Pennsylvania.

Lodges, 1167; membership, 152,583; gain, 4075.

The ninetieth annual session convened in the Borough of Gettysburg, May 20, 1913, Herman W. Roller, Grand Master. We quote from his report: In a little less than two months this historic battlefield will witness a scene unparalleled in history. Here will again assemble the survivors of both the Union and Confederate armies. So at last, in the fullness of time, what is to take place here this summer will come as the ripened harvest of a nation's plentitude of joy, as the thanksgiving of a nation, and as the opening era of good feeling in which the "dead past will bury its dead" for all time. With the spirit of the universal Brotherhood of mankind and the Fatherhood of God, may not only our meeting here be characteristic, but may it leave behind the fragrance of divine compassion and peace when the boys in "Blue" and "Gray" commemorate the Fiftieth Anniversary of this historic field of Gettysburg. It is a source of great pleasure to me, and it is with a feeling of gratitude toward the members of the Order, that I am able at this time to announce that the past year has been one of great activity in all sections of the State, as the report of the Grand Secretary will show.

Quebec.

Lodges, 62; membership, 5551; gain, 230.

The thirty-fourth annual session of the Grand Lodge was held at Montreal, August 20, 1913, J. Irving McCabe, Grand Master, who says: I am pleased to report that peace and harmony prevails throughout the Jurisdiction, and that the majority of our Lodges are in a healthy condition. He recommends the establishment of a fund for maintenance of members of defunct Lodges. The Grand Secretary says: I am pleased to report that for the year ending June 30, 1913, we show a most gratifying increase in membership, one new Lodge instituted and a net gain of 298. This should be inspiring, and encourage us on to greater results during the coming year.

Rhode Island.

Lodges, 47; membership, 6369; gain, 79.

The seventieth annual session was held in Providence, May 6, 1913, Henry E. Whitney, Grand Master, who says: It gives me a great deal of pleasure to report a very substantial gain in member-

ship during the past year with prospects for a still larger gain the present year. There seems to be in the past few months renewed activity in many of our Lodges, due in a great measure, I believe, to the interest that seems to have developed along the line of degree work and sociability. We have endeavored in our remarks to try and impress upon the members the importance of the social and fraternal features of our Order, for I believe this is what we must look to in order to continue to enjoy prosperity. I trust we shall see good results from these visits.

Saskatchewan.

Lodges, 102; membership, 5832; gain, 1130.

The sixth annual session of the Grand Lodge was held at Saskatoon, June 4, 1913, J. W. Cunningham, Grand Master, who, under the caption, State of the Order, says: From information obtained from visits and reports of Deputy Grand Masters, the Lodges, with a few exceptions, are in a prosperous condition. I also find that Odd Fellowship is held in very high esteem by the public, and the institution of an Odd Fellows' Lodge is always welcome. Geo. M. Baird, Grand Secretary, says: In reviewing the work accomplished the past year, I notice that there has been even greater activity among the Odd Fellows of this Jurisdiction than upon any previous year of our existence as a Grand Lodge.

South Carolina.

Lodges, 75; membership, 3249; loss, 377.

S. F. Killingsworth, Grand Secretary, writes to Grand Secretary John B. Goodwin: We have made another small loss, but hope and believe that it is the last time in many years to come; things look decidedly better.

South Dakota.

Lodges, 181; membership, 12,288; gain, 139.

The thirty-eighth annual session of the Grand Lodge was held at Rapid City, May 21, 1913, James M. Patton, Grand Master, who says: During the past year we instituted three Subordinate Lodges. I seriously regret that a larger net growth was not made, but the losses shown by non-payment of dues are largely carried over from former years. Since January 1st I believe the growth has been most satisfactory, and with the report for the term, June 30, 1913, will again have a good showing.

Tennessee.

Lodges, 612; membership, 32,390; loss, 1473.

J. R. Harwell, Grand Secretary, writes: I am sorry to say that our work in Tennessee the past year has not been satisfactory. We had fewer initiations than usual and an unusually large number were dropped for non-payment of dues. Still, in some respects the Order made considerable progress, notably in the amount of invested funds, there being an increase of more than \$80,000.00. Some are drawn away from Odd Fellowship by the loss of Frater-

nal Life Insurance, but many of these are expected to return after a little experience. Altogether, the outlook in our Jurisdiction is good. We certainly are not discouraged—have no occasion to be. The Order has the esteem and confidence of the public and thousands of our best citizens are members.

Texas.

Lodges, 800; membership, 42,382; gain, 104.

W. H. Walker, Grand Secretary, writes: Odd Fellowship in Texas, after having gone through a period of little progress because of repeated crop failures covering about three years, has, I believe, reached a turning point and is now on an upward tendency. We have instituted sixteen Lodges since the meeting of our Grand Lodge, March 3-5 last, and encouraging reports are coming in from many parts of the field, showing that our Lodges, for the greater part, are actively engaged in the work of adding to their membership by initiation, reinstatement, etc. It seems impossible, however, to stop the great leakage occurring from year to year in the dropping from the rolls for non-payment of dues. However, Odd Fellowship in the aggregate is making material headway, hence we should not be discouraged by the reverses that sometimes beset us.

Utah.

Lodges, 44; membership, 3347; gain, 37.

No report received from Grand Lodge Officers. The Encampment and Rebekah branches give flattering reports.

Vermont.

Lodges, 76; membership, 7603; gain, 93.

The sixty-seventh annual session of the Grand Lodge convened at Burlington, May 15, 1913, F. G. Nichols, Grand Master, who says: Although there have been no Subordinate Lodges instituted the past year, our membership in the State has increased, and each District meeting showed more Lodges doing work, with less suspensions from their roll of members and their financial prospects good.

Virginia.

Lodges, 417; membership, 29,363; loss, 172.

The seventy-sixth annual session of the Grand Lodge convened at Roanoke, May 13, 1913, A. M. Southall, Grand Master, from whose report your Committee is of the opinion he had a strenuous year, doing much for the Order and recommending many improvements. It became his duty to report the death of Thomas Vose Turney, Past Grand Master, also the death of Thomas Wiley Davis, Grand Secretary. We copy from the Committee's report upon the death of Past Grand Master Turney:

"So let him sleep that dreamless sleep,
Our sorrows clustering round his head;
Be comforted ye loved who weep,
He lives with God—he is not dead."

Washington.

Lodges, 287; membership, 27,784; loss, 116.

The Grand Lodge convened in thirty-fifth annual session at Walla Walla, June 10, 1913, W. E. McCroskey, Grand Master, who says: I am truly proud that I am able to report an active and harmonious membership throughout the Jurisdiction. Good fellowship prevails generally and the spirit of brotherly love has never been stronger or more active than it is today. During the past year a number of the larger Lodges show an increase, while practically all of the smaller ones report a substantial increase in membership. The Grand Secretary reports five new Subordinate and six new Rebekah Lodges instituted during the year.

West Virginia.

Lodges, 348; membership, 25,406; gain, 1071.

The forty-eighth annual communication of the Grand Lodge was held at Parkersburg, October 14, 1913, E. J. Davies, Grand Master. In his letter No. 1, he in part says: Never in all the affairs of men has our country needed so much as now the practice of the teachings of Odd Fellowship. There is not a great question before our nation or community today which could not be solved by Faithful, Hopeful, Charitable men, practicing Friendship, Love and Truth. Is it not then our duty to disseminate our teachings, not only among our chosen friends, but to the whole world? Let us then go on, ever mindful that as a man is known by his good works, so is an Order, and, if our Order is so known, we need have no fear for the future. This has been a prosperous year generally. Crops have been good. Let us see if the Order cannot feel the impulse of these prosperous times. Get busy, Brothers, and do it now!

Lodges, 306; membership, 19,417; gain, 420.

The sixty-seventh annual session of the Grand Lodge was held at Fond Du Lac, June 3, 1913, Clement W. Crumb, Grand Master, who, among many other matters treated says: In going over the records I find that some of the Lodges have sustained quite a loss in membership, while the majority of the Lodges have made substantial gains. As a whole, the past year shows the largest gains for several years. Those Lodges that show an increase are the ones that are the best posted in the work and do their work without the use of the Ritual. A report of a special Committee on Revising Rules for District Associations was presented and referred to the Committee on the State of the Order. The Grand Master notes: There are good prospects in the near future for instituting several new Lodges, which, I believe, will be an honor to the Order.

Lodges, 42; membership, 3118; gain, 112.

The forty-first annual session of the Grand Lodge was held at Kimmerer, beginning October 8, 1913, Dr. S. W. Johnson, Grand

Master. From the Grand Secretary's report we take: I am sorry to be compelled to report that not one Subordinate Lodge has been instituted during the past year, but I am glad to announce the institution of two Rebekah Lodges, which bespeaks well for the Rebekah branch of the Order. We notice from the Proceedings of the forty-first annual session that Past Grand Sire W. L. Kuykendall made report September 14, 1913, as Grand Lecturer.

Canal Zone.

B. F. Sisson, District Deputy Grand Sire, writes, in part, to C. A. Keller, Grand Sire, under date of April 27, 1913: I have to advise you as to the condition or the Order in my Jurisdiction. Christobal Lodge, No. 2, not being able to get a quorum together to hold a meeting only occasionally, did not elect officers for the present term, and on March 14 they surrendered their charter and consolidated with Gatun Lodge, No. 5, which now makes a very strong and prosperous Lodge. All the Lodges in my Jurisdiction are in a prosperous condition. On account of the transferring of the men on the work from one town to another, making a number of transfers from one Lodge to another, and in some cases back to their original Lodge, the conditions existing here are very much different than in any other part of the world, and require a greater amount of care and oversight to meet these conditions for the best interests of the Order.

I have taken up the matter of smoking in the Lodge during Lodge sessions, and while in some instances there have been violations, yet all Lodges under my Jurisdiction have fully complied with the requirements of the law.

Cuba.

J. J. Neustel, District Deputy Grand Sire, writes, in part to C. A. Keller, Grand Sire, under date of March 16, 1913: I called on Camaguey Lodge, No. 9, but the most of the brothers there have lost their interest in Odd Fellowship and do not attend the meetings. So that the only way I can see to keep this Lodge alive is to make a Spanish Lodge of the same. There are 12 brothers that are Cubans and most of the Americans can speak Spanish. So I want your advice. Can they go on under the old charter, or do they have to have a new charter when they change from the English to Spanish? They have two Spanish Rituals now, so they can go on in Spanish and use the same charter, books and regalia.

Hawaii.

Harry T. Hollmann, District Deputy Grand Sire, writes, in part, to C. A. Keller, Grand Sire, under date of April 7, 1913: I have the honor to report that during the past year Odd Fellowship in Hawaii has shown remarkable progress, not in membership especially, but in the increase of fraternal love among the brothers and sisters. The members have been brought closer together; there has been a renewing of the covenant of friendship; they have come to a realization that paying benefits is but a part of our great work. All the Lodges are working in harmony in devising means to at-

tract attendance of members and obtain new members. All the Lodges in Hawaii are fortunate at this time to have in their chairs proficient, capable officers, insuring us of a prosperous year in fraternal Odd Fellowship.

Philippine Islands.

C. E. Helvie, District Deputy Grand Sire, writes, in part, to C. A. Keller, Grand Sire, under date of January 11, 1913: During the past year Manila Lodge, No. 1, took 7 members by initiation and 3 members by card, a total of 10; lost 2 members by withdrawal and 5 by suspension for non-payment of dues, a total of 7, leaving a gain of 3, the membership at present consisting of 14 Past Grands, 74 Third Degree members and 1 Initiatory member, or a total of 89. Fifty-nine weeks' sick benefits have been paid to 3 members. The interest in Odd Fellowship is strong. The institution of the Encampment has added new interest in the work. At a reunion smoker on January, 2, 1913, the Odd Fellows' Entertainment Club gave a reception and ball that was one of the best we ever have had. In short, the outlook of the Order in the Islands for the coming year is bright and the prospects good.

Yukon Territory.

D. C. Robertson, District Deputy Grand Sire, writes, in part, to C. A. Keller, Grand Sire, under date of March 10, 1913: I have not seen any chance to organize any new Lodges on the Yukon yet, but if the copper mining is a success at White Horse, I hope we will have a Lodge there before long. The Subordinate Lodge here, as you no doubt are aware, is under British Columbia, and I have not dealt with it, but will say that it is in a very prosperous condition. They have nearly 200 members and have taken in 17 members this year already, and more in sight. We have a fine Lodge hall and a club in connection. We are out of debt and we rank high in Dawson with other fraternal Orders.

QUASI INDEPENDENT GRAND JURISDICTION.

Australasia.

Lodges, 459; membership, 45,235; gain, 1619.

S. A. E. B. Gilder, Grand Sire of the Grand Lodge of Australasia, writes to C. A. Keller, Grand Sire, under date of May 3, 1913: I am pleased to be able to say that we are making good, steady progress in Odd Fellowship in Australasia, and since we have had the privilege of representation extended to us in The Sovereign Grand Lodge, we are working more closely on your lines, and it is bearing good fruit. For instance, some years ago spirituous liquors were allowed at functions, such as smoke concerts and annual celebrations, but upon Brother Geo. T. Clark's return from The Sovereign Grand Lodge we brought our State Grand Lodge of New South Wales into line with your laws on that subject, and I am glad to be able to report that the other States are now beginning to follow our example.

There is no doubt whatever that a periodical visit to The Sovereign Grand Lodge by one of our prominent members is a splendid thing for our beloved Order in this far distant land. George Aiken, Grand Master, Queensland, writes, in part, to C. A. Keller, Grand Sire, under date of March 30, 1913: At present we have a scheme in view to be brought before the next Grand Lodge session for the formation of a widow and orphan's fund, so as to assist them on the death of the bread-winner, also a scheme to assist a weak financial Lodge, should it have a heavy run on its sick pay. I do not know exactly what form it will take, but the strong should help the weak.

C. E. Wilson, Grand Secretary of the Grand Lodge of Victoria, writes, in part, to C. A. Keller, Grand Sire, under date of April 8, 1913: Want of education among members, want of suitable Lodge rooms, in many cases lack of enthusiasm and the inherent belief that Odd Fellowship is a mere beneficial society with but a single aim, prevent the initiation ceremony being committed to memory or performed with any zeal except in isolated instances, and the members desire it to be cut down. I hear of similar feelings in other societies. The remedy, to my mind, is to have some tangible evidence of the fraternal teachings of the Order in the shape of a Home or Homes, some worthy object to support, some outward and visible sign of the inward spirit of fraternity promulgated by the Order in its Ritual. It would be so easy to obtain by united effort, but it means a little more to pay, and that is the stumbling block. Here and there the idea of a Home is fostered, but the Grand Lodge in its wisdom has not set its hand to the work of erecting one. In short, we want education in the aims and ideals of the Order, and closer association with The Sovereign Grand Lodge is desirable for that reason. The Order as a whole takes its lead from its head. How can a lead be given those who seldom hear of the head? How can they profit from the example of the leaders in Odd Fellowship without a more intimate relationship?

R. Riley, Grand Master of the Grand Lodge of Western Australia, writes, in part, to C. A. Keller, Grand Sire, under date of March 17, 1913: Pleased to state that we are progressing in West-

ern Australia. As you know, we are but a young Jurisdiction. Up to the present we have here the only Orphans' Home in Australia; also 65 male Lodges, with a membership of over 3000 and 6 Rebekahs, all active and progressive. The new Rituals are recognized as being a distinct improvement, but they are still too long, in the minds of many. I am pleased to note the rapid strides the Order is taking, and feel proud that we have some share in its advancement, and I can assure you that I will do my utmost to further the interests of our beloved Order, and I am hoping that the time is not far distant when our Order will be represented in England. We shall value communications from you or your successors from time to time. Also trust that your works may be richly blessed.

W. Lucas, Past Grand Master, Grand Secretary of the Grand Lodge of South Australia, writes, in part, to C. A. Keller, Grand Sire, under date of May 14, 1913: I beg to report that 1912 was a fairly successful year in this State, although we have not progressed quite so well numerically as last year, but we have done fairly well, and financially we have done very well. We are pushing our propaganda work whenever opportunity offers; in fact, we endeavor to make the opportunity to do so, and indications point that we shall reap the benefit in the near future. Our roll shows thirty-nine Subordinate Lodges, ten Rebekah, twenty-one Juvenile and two Degree Lodges.

Germany.

Paul Gerlach, Grand Sire of the German Empire, writes, in part, to C. A. Keller, Grand Sire, under date of February 9, 1913: In reference to the present condition of our Order in Germany, I can say that it is satisfactory to me. During the past few years a stagnation has come, caused, very likely, by the difficult political and social relations which arose in Germany, and which, no doubt, oppress the whole world. These difficulties are not yet wholly overcome, indeed, they threaten to assume even more disastrous forms, but notwithstanding this, more activity and a noteworthy increase in membership are noticeable in all the Lodges of our Order. I am glad of this, and will gladly express the hope that these things may continue to increase. You are wholly right in saying that Odd Fellowship is the greatest working force in the world for the furtherance of Peace on Earth and Good Will to Man. Under our roof all nations and all religions have abode. Here are all men alike, independent of rank and position. Here only a good character decides in reference to worthiness, not his religion or his bank account. This our viewpoint, this noble principle we should emphasize at every opportunity. These teachings should not be left passive in the small circle of our Fraternity, but rather should they be carried out into the world and implanted everywhere and made discernible to everybody. To do this, the dedication of the Palace of Peace in The Hague gives us a chance.

Dr. A. Weiss, Grand Master of Wurttemberg, writes, in part, to C. A. Keller, Grand Sire, under date of April 17, 1913: In compliance with your wish I beg to report that the Order is making gratifying progress in the District of Wurttemberg; the number of Lodges has grown to 24 and the membership has increased. In the

Lodges there prevails almost uniformly a gratifying brotherly feeling and an active spiritual manifestation. We greatly regret that the Order has not reached a point when it will take a leading role in humanitarian questions. A Fraternity of such strength should not hesitate to let its voice be heard if the affairs of humanity may be served thereby. We Odd Fellows in the District of Wurttemberg would wish that The Sovereign Grand Lodge would strive to solve humanitarian questions and would aim to inspire its members to this end. Our Order would thereby earn the good will of all friends of humanity. Regarding the question whether we have smoking in the ante rooms and whether alcoholic liquors are served, would state that all Lodges have separate refreshment rooms. We lay stress upon cultivating social life, in order that brothers may not be induced to visit bar-rooms after Lodge hours. Assuring you that we will coöperate with you in every good work, and with sincere fraternal greetings in F., L. and T.

Enrich Walstein, Grand Master of the Grand Lodge, Silesia-Posen, writes, in part, to C. A. Keller, Grand Sire, under date of January 31, 1913: I answer to your especial questions that smoking and drinking does only not occur, but that, moreover, nobody ever bears a thought of doing it. Our meetings are carried on with the most perfect order and utmost dignity.

Sweden.

Fred Geijer, Grand Secretary of Sweden, writes, in part, to C. A. Keller, Grand Sire, under date of February 3, 1913: As regards our Swedish Jurisdiction, we have today 54 Lodges, with 6215 members, showing a gain of 2 Lodges and 295 members since our last report to Brother Goodwin. Our terms for Subordinates last one year, from April 1 until March 31, and therefore our net gain for one year is likely to become a good deal greater. The membership in our four Encampments is also steadily increasing, and about every fourth member is also a Patriarch. As a preparation for the Lodge, we have an institution called a club, and no such club can be formed without the consent of the Grand Sire, and from the moment that his approval is obtained, the club is placed under the immediate supervision of the Grand Officers. We have found this system very good for obtaining a good membership. If the club works well and becomes strong enough in a reasonable time, about a year or less, it is transverted into a Lodge. We have at present three clubs working and one of them will be transverted into a Lodge on March 15th.

Our capital is fast increasing, as well as our regular capital in Grand Lodge, Encampments and Lodges, as the funds collected by voluntary contributions of the members for benevolent purposes. So, for instance, our oldest Lodge has funds of this latter category of about \$57,000.00, another Lodge \$3000.00, the Grand Lodge \$6,900.00, etc. Just today the news reached me that a deceased member has donated to his Lodge \$2500.00.

Our next Grand Lodge meeting will take place this year in July. In order to prepare the matters as well as possible, the reports of the Grand Officers will be sent out at least 14 days before the meeting, with the motions; no representative is allowed to

make motions to the meeting later than one month before, but for natural reasons the right to make motions during the session is granted to the committees of the Grand Lodge, who are called to meeting about a week, as the work requires, before the session.

Switzerland.

Hermann Lanz, Grand Sire of Switzerland, writes, in part, to C. A. Keller, Grand Sire, under date of March 22, 1913: It is with pleasure that I can report that the year 1912 has been a good one for our small Jurisdiction. Our reports show a net gain in membership of 23 in the Lodge branch and 12 in the Encampment. The funds of the Grand Lodge have increased to \$13,561.14, and those of the Subordinate Lodges to \$45,969.79, although the 6 Lodges have paid out in 1912 the large amount of \$10,581.41 for relief. All our Subordinates are in healthy condition and peace and harmony prevail among the members. As to the question of smoking and drinking in the Lodge room, no law was necessary for our Lodges. We have always found it a rule of good breeding to omit such practice.

Netherlands.

H. J. Van Wankum, Grand Secretary, writes under date of April 24, 1913: We feel happy to state that we increased again in number of members, while in various places of our country, clubs are established, from which we may hope that within a short time they will be changed into Lodges. Although it lasted very long, it seems that our Order gained in popularity in our country and our continuous activity will be rewarded by that.

Japan.

T. Herlihy, District Deputy Grand Sire, writes, under date of April 9, 1913: We have a membership of 58, which is the largest membership the Lodge has ever had, and am pleased to say that we have more coming along. Whereas, Brother Hayes is nearly blind, though not totally blind, and is otherwise in good health for his years.

Representative Longley, of No. 385, presented the following resolution, which was on motion, adopted:

To the Grand Lodge, I. O. O. F., of the State of California:

Whereas, West End Lodge, No. 385, I. O. O. F., located at Los Angeles, did, on its last meeting night in March, 1914, regularly elect Representatives to this Grand Lodge, designating one of whom as a mileage delegate, and

Whereas, Said West End Lodge did thereafter, on April 16, 1914, consolidate with and into America Lodge, No. 385, I. O. O. F., and in consequence thereof, their name does not now appear in the present list of Lodges subordinate to this Grand Lodge; therefore, be it

The Representatives of No. 68, presented the following resolution, which was on motion adopted:

To the Grand Lodge, I. O. O. F., of the State of California:

Whereas, At the regular session of this Grand Lodge, held in 1912, Brother McClair, a member of Euclid Lodge, No. 68, of Upland, Cal., was by resolution admitted to the Odd Fellows Home and has been an inmate of the Home since February, 1913, pursuant to the agreement then made that said Euclid Lodge pay \$5.00 per week to the Trustees of said Home for the care and keep of said Brother while an inmate thereof; and

Whereas, Said Euclid Lodge has since said Brother's admission to the Home paid to the Trustees of said Home said sum of \$5.00 per week for care and keep of said Brother, and it having been shown to this Grand Lodge that said Euclid Lodge, in the exercise of the benevolence which our grand Order teaches and commands, has expended in the matter of relief, care and support of said Brother, a total sum of \$1590.00, a sum largely in excess of what said Lodge was able to pay, and that the drain on its funds due to this expenditure in behalf of Brother McClair, and increased demands in the last two years by way of sick benefits has depleted the funds of said Lodge to that point where it will be impossible for said Lodge to continue the payment of said \$5.00 per week to the Home for the care and keep of Brother McClair; therefore, be it

Resolved, That the obligation of said Euclid Lodge be reduced to the amount of \$2.00 per week, this being the amount of benefit Brother McClair is now entitled to by the By-Laws of his Lodge.

The Standing Committee presented the following report, which was laid on the table:

REPORT OF STANDING COMMITTEE.

To the Grand Lodge, I. O. O. F., of the State of California:

Report No. 7.

To the Standing Committee of the Grand Lodge, at the last session of the Grand Lodge, was referred the memorial presented by Representative Perley of No. 149, which said memorial is as follows:

MEMORIAL.

To the Grand Lodge, I. O. O. F., of the State of California:

Brethren:

The Odd Fellows' Home of California was established primarily for the aged and infirm of our Order who shall not be sick but indigent, as a refuge in their declining years.

The rules of the Home provide for the admission of such, and none others. This entire Jurisdiction has commended this rule, and praises the management of the Home for the splendid and impartial manner in which it has been carried out.

A large share of the membership, however, are not unmindful of the fact that the exercise of our charity and benevolence has not yet reached the perfect stage, and our field of usefulness is still open to enlargement.

We believe that the qualification for admission to the Home should not rest alone upon age and the infirmities incident thereto, but should extend to those members of our Order, of whatsoever age or sex, who are indigent and who from accident have become permanently disabled and thus are unable to earn a livelihood. That the misfortune of accident should not have added to it the misfortune of youth and thus the burden, no matter how worthy, no matter how absolutely helpless, be barred from admission, while his Lodge, often small and often poor, will be driven to bankruptcy, and he to some county hospital or charitable institution, there to remain the balance of his days, a living example of the failure of the practical workings of our scheme of benevolence of which we so often and so proudly boast.

We would, therefore, recommend that this Grand Lodge refer the subject matter of this memorial to a special committee composed of five members of this Grand Lodge, with instructions to take up the same and report their conclusions at this session of the Grand Lodge, at the earliest possible date.

Respectfully submitted,
GEO. PERLEY,
Representative Wildey Lodge, No. 149.

Your committee have given the subject matter their careful consideration, and believe it would be ill-advised for the Grand Lodge to attempt to establish any fixed rules or laws governing the admission of others than those now provided for. Your committee believes that such a law would open the door for many who are properly charges against individual Lodges that are amply able to take care of their members; and while some few Lodges might from time to time become embarrassed by the extraordinary claims of unfortunate brothers, we are of the opinion that such cases can safely be entrusted to your Standing Committee, which is composed of your elective officers (including the Grand Trustees); these working in harmony with the Trustees of the Home can always be depended upon to do justice to the brother, the Lodge, and the Order, unswerved by sentiment or by prejudice.

Your committee is of the opinion that if the door is opened as suggested by the "Memorial," that in a very short time the present quarters would become inadequate to accommodate all who would apply; that such an action is far in advance of the means and resources of the Order, and would entail additional assessments that would embarrass many of our weaker Lodges.

We therefore recommend the adoption of the following resolution:

Resolved, That in the future all cases for special admission to the Home be referred to the Standing Committee of this Grand Lodge, and the Trustees of the Odd Fellows Home, acting jointly, and, after investigation, if said Committee and Trustees deem it advisable to admit to the Odd Fellows Home a member belonging to this Jurisdiction, who, under the present rules for admission, could not be admitted to the Home by the said Trustees, then said Committee and said Trustees, acting jointly, shall have full power to admit such brother, upon such terms and conditions as in their judgment shall be proper in each case.

To your Standing Committee was also referred the following resolution:

Resolved, That all applicants for admission to the Odd Fellows' Home of California, except applicants for life membership, must be aged at least 65 years, and shall have been in good standing in his Lodge for a period of at least ten years.

W. W. WATSON, P. G. M.

We recommend its adoption.

The Special Committee on General Relief Committees presented the following reports, which were laid on the table:

REPORTS OF SPECIAL COMMITTEE ON GENERAL RELIEF COMMITTEES.**Majority Report.**

To the Grand Lodge, I. O. O. F., of the State of California:

Report No. 8.

Your Special Committee, appointed at the last session of the Grand Lodge to consider the various resolutions introduced at that session in relation to Relief Committees, would report that we have carefully considered the same, and find that there is no general sentiment among the members of the Order looking for any material changes in the present manner in which the affairs of the General Relief Committees of the State are conducted.

In regard to the resolutions appearing on page 273 of the Journal of Proceedings of 1913, we would urge the adoption of that portion in regard to the establishment of Relief Committees in communities having more than one Lodge.

We do not believe that these Committees should be directly under the control of the Grand Lodge, nor do we believe that the Grand Lodge should contribute toward their support. There are nineteen communities in the State having two or more Lodges, comprising eighty-eight Lodges. There are three hundred and twenty-four communities having but one Lodge each. The three hundred and twenty-four Lodges are doing the same work in Relief matters as the eighty-eight Lodges, and bearing the expenses of the same, and it hardly seems fair that they should be asked to assume the additional burden of paying one-half of the expense of the eighty-eight Lodges, who might and should organize Relief Committees.

We do not favor the latter part of the resolution, restricting Relief Committees in the amount of money they may have on hand, providing that the money is used only for the necessary expenses of the Committees, and the benevolent work of the Order, in caring for the sick, burying the dead and educating the orphan, in cases where the beneficiary's own Lodge is unable to do so. In fact we would encourage the accumulation of such funds.

In regard to the resolutions appearing on page 271 of the Journal of Proceedings of 1913, the same subject matter is covered in the foregoing.

In the matter of drafting a Constitution for the government of Relief Committees, we do not deem it advisable at the present time although we believe that the Grand Lodge should at all times recognize the Relief Committees as institutions of the Order fully qualified to perform the work for which they are organized.

After due consideration of the various matters submitted to us, we beg leave to submit our report as follows:

First. Resolution introduced by Brother W. W. Phelps:

Resolved, That in all cities within this Jurisdiction where there is now existing a duly organized General Relief Committee, all Subordinate Lodges within said cities shall affiliate with and become a member of such Relief Committee and share its proportion of the expenses thereof; provided no Lodge having its lodge room more than ten miles from the usual meeting place of such committee shall be required to join such committee.

Second. Resolution introduced by Representatives of No. 123 in relation to government of General Relief Committees. We submit the following Constitution: * * * * *

We do not favor the latter part of the resolution, restricting Relief Committees in the amount of money they may have on hand, providing that the money is used only for the necessary expenses of the Committees and the benevolent work of the Order in caring for the sick, burying the dead and educating the orphans, in cases where the beneficiaries' own Lodge is unable to do so. Report No. 10.

Your Committee on Laws of Subordinates, to whom was referred the resolution presented by Representative Ludlow, which reads as follows:

There having been such a difference of opinion with the District Deputy Grand Master and the various Lodges of this Jurisdiction, as to when the duties of a District Deputy Grand Master commence; if or not before he receives his form of commission; therefore, be it

Resolved, That the duties of a District Deputy Grand Master in this Jurisdiction shall commence immediately after the closing of the annual communication of each Grand Lodge.

M. H. LUDLOW, Rep. of No. 204.

We beg leave to report that the law now provides that District Deputy Grand Masters hold office until their successors are appointed by the Grand Master, as per Section 2223, page 581, Louderback's Digest, which reads as follows: "The term of a District Deputy Grand Master expires when his successor is appointed."

Houck, Deputy, your committee, to whom was referred the matter of the District Deputy Grand Master's decision of District No. 81, found on page 54, with reference to a By-Law of the Lodge fixing a fine for failure to visit the sick, submit the following report:

The By-Laws of the Lodge are not before us, and we are not in a position to state positively the language of the By-Laws of the Lodge on the subject. But we infer from the decision and are informed by the Grand Master that the By-Laws of the Lodge in question expressly place the matter outside of the principle decided in Section 1398, Louderback's Digest. We, therefore, recommend that the action of the District Deputy Grand Master be, and the same is hereby approved.

The Committee on Legislation presented the following reports, which were laid on the table:

REPORTS OF COMMITTEE ON LEGISLATION.

To the Grand Lodge, I. O. O. F., of the State of California:

Report No. 15.

Your Committee on Legislation, to whom was referred the amendment to Article V, Section 1, of the Constitution of Subordinate Lodges, and the repeal of Section 3 of said Article, report as follows on Section 1 thereof:

Section 1 of Article V now reads as follows:

"Section 1. Degrees. Application for election to either of the three Subordinate Degrees shall be accompanied with the amount required therefor, and presented to the Lodge, under the proper head, when the Lodge shall ballot upon the application, and if not more than two black balls or cubes are cast, he shall be declared elected; and if the Lodge does not confer the degrees upon its own members, a certificate shall be given the applicant, addressed to a Degree Lodge, or officer authorized to confer degrees, showing that he is a member of this Lodge, and has been authorized to receive them; provided that no brother shall have conferred upon him a higher degree in the Order until he has been found proficient by examination in open Lodge, or by a committee appointed by the Lodge, in the secret work and the signs, passwords and grips of the highest degree he has attained."

The amended section to read as follows:

"Section 1. Degrees. All those who have been elected to become members by initiation and have received the initiatory degree shall be entitled to receive the three Subordinate Degrees of Odd Fellowship, and if the Lodge does not confer the degrees upon its own members, a certificate shall be given the member addressed to some other Subordinate Lodge, or to a Degree Lodge authorized to confer degrees, showing that he is a member of this Lodge, and is authorized to receive said degrees; provided, that no brother shall have conferred upon him a higher degree in the Order until he has been found proficient by examination in open Lodge, or by a committee appointed by the Lodge, in the secret work and the signs, passwords and grips of the highest degree he has attained; provided, however, that should the Lodge or any member of the Lodge receive information that said applicant for a higher degree has conducted himself in such a manner as to render him undesirable for membership in the higher degrees, any member of the Lodge may request in open Lodge a new ballot, and said Lodge shall thereupon ballot upon the application of such member for a higher degree, and if not more than two black balls or cubes are cast he shall be declared elected."

The purpose of this amendment is to dispense with the necessity of balloting for applicants for the three Subordinate Degrees. Your committee have carefully considered the proposed amendment, and recommend that the amendment be not adopted.

Report No. 16.

Your Committee on Legislation, to whom was referred the matter of the repeal of Section 3, Article V, of the Constitution of Subordinate Lodges, which section reads as follows:

"Section 3. Two or more applicants for the same degree may be balloted upon at the same time, and if not more than two black balls or cubes be cast, all shall be declared elected to the degree balloted for; but if more than two black balls or cubes be cast, the Lodge shall then proceed to ballot upon each applicant for such degree separately."

Your committee have given this matter careful attention and considered it in connection with paragraphs 1 and 2 of "Legislation Affecting Lodges," pages 117 to 121; also referred to this committee, report as follows:

From the Proceedings of the Sovereign Grand Lodge it appears that a Grand Lodge cannot pass a law allowing Subordinate Lodges, where they have two or more applications for same degree, to vote collectively.

We recommend that Section 3 of Article V of the Constitution of Subordinate Lodges be repealed in accordance with the above legislation.

To read as amended:

Your committee would recommend the adoption of the following section as amended:

Section 2. This Lodge may provide in its By-Laws for the setting apart of a sum not exceeding ten per cent of its annual in-

come from all sources as a contingent or special fund, to be expended in its discretion, in the payment of necessary and proper obligations incurred by the Lodge, not included in or provided for by Section 1 of this Article; provided that every Lodge, to avail themselves of this section must, after making it a part of their By-Laws, annually set aside this fund by a vote recorded, and their books must show the standing of said fund.

The expense, however, of printing a complete new digest of laws and decisions would be large, and in our judgment unnecessary; therefore we would recommend that a committee of three be appointed by the Grand Master to prepare a digest of such laws and decisions as have been made since the date of the last complete digest, and that the same be published as a supplement to the digest of 1905.

To the Grand Lodge, I. O. O. F., of the State of California:

Report No. 24.

Your Committee on State of the Order, to whom was referred that portion of the Annual Report of the Grand Master relating to "Visitations," found on page 11, have examined and considered the same, and hereby report and recommend that a committee of three Past Grand Masters be appointed to rearrange the Grand Master's visitation districts and report thereon.

To the Grand Lodge, I. O. O. F., of the State of California:

Report No. 25.

Your Committee on State of the Order, to whom was referred that portion of the Annual Report of the Grand Master relating to "Disposition of Surplus Ohio Relief Funds," found on pages 30, 31 and 32, have examined the same, and it is gratifying to note that the recommendation that the fund be applied to the I. O. O. F. Orphans' Home at Gilroy was met without a negative reply from the Subordinate Lodges. It is recommended that the action of the Grand Master herein be approved.

FRANK KRULL.	C. H. CONNICK.
S. B. SMITH.	KARL C. BRUECK.
LYMAN M. KING.	

To the Grand Lodge, I. O. O. F., of the State of California:

Report No. 26.

Your Committee on State of the Order, having carefully considered the reports of the District Deputy Grand Masters, found on pages 33 to 58, reports as follows:

As to Dispensations Granted: These dispensations are for holding public installations and public entertainments in the name of the Order, and the granting of such dispensations by the District Deputy Grand Masters is hereby approved.

Attention of this Grand Lodge is called to the fact that many of our District Deputies report the granting of dispensations for joint installations with either Rebekah Lodges or with Encampments. A joint installation has been defined by this Grand Lodge (see Louderback's Digest, Sec. 1651) to be the installation of the officers of several Lodges by the same Deputy. From this ruling, it can readily be seen, that a joint installation of a Subordinate Lodge with a Rebekah Lodge, or with an Encampment, is an impossibility, because the installation ceremonies for the respective

branches are not performed by the same Deputy, nor at the same time.

As to decisions rendered by District Deputies, this committee calls attention to the Constitution of this Grand Lodge (Article IV, Sec. 7), where it is provided that all decisions made by Deputies shall immediately be reported by the Deputy to the Grand Master for his approval. This committee finds that but one of the Deputies (Deputy for District No. 81) has complied with the Constitution and reported his decision to the Grand Master, and as this decision treats on individual rights growing out of the construction of Lodge By-Laws, and as there has been no appeal therefrom, there is at present nothing before this Grand Lodge for immediate action. Therefore, this committee asks to be relieved from its further consideration.

As to all other decisions, reported by Deputies for Districts 21, 31, 35, 44, 53, 57, 60, 65, 67, 83 and 85, because they have not been heretofore referred to and been passed on by the Grand Master, as provided by the Constitution, therefore, this committee asks to be relieved from the further consideration of them.

Deputy for District 35, reports the loss of a ritual by Semi-Tropic Lodge, No. 371. We recommend that the matter of this loss be referred to the incoming Grand Master for his investigation and action, as the laws of our Order may demand.

The Representatives should carefully read the report of Deputy for District No. 48, wherein Deputy Beaver reports the programs for two district meetings. The subjects for discussion and for practical demonstration and illustration at said meetings are along lines which are of great interest and must prove of instruction and value to all members. These programs can well be undertaken by other district meetings, and when properly worked out will prove a method of educating our members in many of the features of our Lodge business.

REPORT OF COMMITTEE ON FINANCE.

To the Grand Lodge, I. O. O. F., of the State of California:

Report No. 27.

* * * * *

By unanimous consent, this report was withdrawn to permit of revision and the committee authorized to render a new report. (See Report No. 32, page 221.)

The following letter and invitation was received from the Panama-Pacific International Exposition, and on motion, the invitation was accepted:

PANAMA-PACIFIC INTERNATIONAL EXPOSITION—1915.

San Francisco, Cal., May 11, 1914.

Mr. H. D. Richardson, Grand Secretary, I. O. O. F.,

St. George Hotel, Santa Cruz, Cal.

My Dear Mr. Richardson:

Under separate cover, I am sending you an engrossed invitation from the Exposition to the Grand Lodge to meet in San Francisco in 1915. If the meeting should be held here, we will be glad to provide, if desired, a suitable hall for all its sessions; to set aside a special day at the Exposition in honor of the Grand Lodge, and to co-operate in every feasible way in working out plans to insure the success of the meeting.

Please express to the Grand Lodge our appreciation of its efforts to secure the 1915 meeting of the Sovereign Grand Lodge for San Francisco. We understand that final action in that matter must be taken at the meeting of the Sovereign Grand Lodge this year, and we will be glad to co-operate with your delegates for the effective presentation of the claims of California for next year.

With hearty wishes for a pleasant and successful session of the Grand Lodge, I am,

Very sincerely yours,

JAMES A. BARR,
Director of Congresses.

The President and Directors of the Panama-Pacific International Exposition, to be held in San Francisco in 1915, have the honor to extend to the Grand Lodge of California, I. O. O. F., a cordial invitation to hold its 1915 meeting in San Francisco.

This city has been selected by Congress with the approval of the President of the United States as the official site for celebrating the uniting of the waters of the Pacific and the Atlantic through the Panama Canal, the greatest physical accomplishment achieved by man. The Exposition will not only attempt to show that which is most advanced in Invention, most interesting in Art and of greatest Scientific value, embracing all that is most important in the material progress of the world, but it will be the aim of the Directors to make this rank in intellectual interest above all previous Expositions; to bring together so much of Wisdom, so much of Practical, Scientific Thought and so much of Broad Grasp of the World's Important Problems, that the progress of mankind shall be advanced a quarter of a century.

To assist in achieving this aim, we invite your presence in the City of San Francisco in the year Nineteen Hundred and Fifteen.

CHAS. C. MOORE, President.
RUDOLPH J. TAUSSIG, Secretary.

Resolved, That all the honors attached to the holding of an appointive office in this Grand Lodge shall fully attain at the end of one year's service in any appointive office in this Grand Lodge; provided, however, nothing in this resolution shall be construed as intending to change any established rule regarding the appointment of the regular committees; and, provided further, the terms of this resolution shall take effect at the close of the Grand Lodge session of 1915.

T. W. DUCKWORTH, P. G. M.

Representative Manley, of No. 375, presented the following resolution, which was laid on the table:

Whereas, This Assembly is neither a political convention nor a junketing expedition, but a body of earnest men intent on doing something for the advancement of our noble Order, without regard to their own personal feelings, and "for the diffusion of the principles of benevolence and charity;" and,

Whereas, San Francisco is the logical place for the holding of all business conventions in this state, and especially of the Grand Lodge of Odd Fellows, both on account of its ease of access from all parts of the state, the abundance and cheapness of its accommodations, the number of Lodges in the vicinity (thereby effecting a great saving in mileage), and the fact that the Grand Officers are situated there; therefore, be it

Resolved, That it is the sense of this Grand Lodge that the Annual Meetings of the Grand Lodge of the State of California be held in San Francisco.

GEO. P. MANLEY, of No. 375.

Representative Davis, of No. 179, presented the following resolution, which was laid on the table:

Resolved, That this Grand Lodge appropriate the sum of two thousand dollars to be devoted to the necessary expense connected therewith.

G. E. DAVIS, of No. 179.

The following petition was received from Vorwarts Lodge, No. 313, which was laid on the table:

To the Grand Lodge, I. O. O. F., of the State of California:

Dear Sirs and Brothers: By direction of our Lodge, and Brother Otto Ulrich's special request, I am instructed to make application of Brother Otto Ulrich, age 47, a good-standing member of Vorwarts Lodge, No. 313, I. O. O. F., of Oakland, totally helpless and indigent, suffering from spinal complication; benefits drawn from November 29, 1910; at present and for the past two years an inmate of the Alameda County Infirmary; willing to do what work he can; the Lodge to continue to pay his weekly sick benefit of \$2.00 per week direct to the Home Trustees for your consideration and approval. Fraternally and cordially submitted,

L. LORENZEN,

ROBERT KUERZEL,

Representative Brand, of No. 285, and others, presented the following resolution, which was laid on the table:

To the Grand Lodge, I. O. O. F., of the State of California:

The resolution appearing on page 186, from the General Relief Committee of San Francisco, and which was referred to the Committee on State of the Order, and by that committee referred to the Committee on General Relief Committee Matters, page 196, would report:

That as the subject matter is covered in the reports of the majority and minority of this committee, we do not deem further action necessary.

A. M. BRAND, of No. 285.

W. J. MELDRUM, of No. 4.

JAS. RYE, of No. 144.

B. E. UNDERWOOD, of No. 270.

R. C. O'HAYER, of No. 385.

Representative Fitzpatrick, of No. 153, and others, presented the following memorial, which was laid on the table:

To the Grand Lodge, I. O. O. F., of the State of California:

We, the undersigned Representatives, respectfully present to this Grand Body the case of Past Grand N. D. Sickles, of Apollo Lodge, No. 123, and ask that some action be taken to avoid having to bring an action before the civil courts, and that justice be done to this worthy brother. In the furtherance of this, we submit this statement of facts: Some time about the middle of July, 1913, one N. D. Sickles was assisted financially by Deputy Grand Master Johnson, and later by San Diego Lodge, No. 153.

In answer to our telegram, Recording Secretary Hammersmith replied that this brother was suspended in August, 1912, for non-payment of dues. He further stated that the brother had been injured by a fall from a street car in October, 1907, and was injured in the head and became mentally deranged, which time was almost five years before his suspension.

Later, San Diego Lodge, No. 153, and Sunset Lodge, No. 328, protested to Apollo Lodge, and asked that he be reinstated, on the ground that he was mentally incompetent at the time of his suspension and for at least two years prior thereto.

Our joint request was refused on the ground that this brother had not paid his dues from the year of 1907, which you will notice was the year of his mental unbalancing. After the refusal of Apollo Lodge, the same matter was placed before Grand Master Selvage, who says: "It presents a very perplexing case," and says: "There seems to be only one way in which the matter can be opened up, that is, to apply to the courts to have a guardian appointed and bring an action to have him declared incompetent; then take the matter to Apollo Lodge, and if it still refuses, then to bring the case before the Grand Lodge."

Believing that method would be very detrimental to the Order, we ask that all the papers in the case be read and this Grand Lodge find a speedy and adequate remedy.

Respectfully,

JOHN J. FITZPATRICK, of No. 153.

H. A. JEPSON, of No. 153.

M. H. PARKER, of No. 153.

L. B. FRISBIE, of No. 153.

Report No. 28.

Your Committee on Finance, to whom was referred the resolution of Representative Lampkin, of No. 109, to be found on page 190, would respectfully report that in our judgment such action would not be expedient at this time, and therefore ask to be relieved from further consideration of the subject.

REPORT OF COMMITTEE ON LEGISLATION.

To the Grand Lodge, I. O. O. F., of the State of California:

Report No. 29.

Your Committee on Legislation, to whom was referred the amendment of Section 6 of Article IX of the Constitution of the Grand Lodge, report as follows:

Section 6 of Article IX now reads as follows:

Section 6.—Consolidation of Lodges. Whenever two Lodges desire to consolidate and form one Lodge, each for itself shall address a petition to that effect to this Grand Lodge or to the Grand Master, in case, at the time of presenting the same, it is more than three months before the annual session of the Grand Lodge, showing that the question of such consolidation was submitted to each of the petitioning Lodges, and carried by an affirmative vote of three-fourths of all members present in each Lodge at the time of the voting, and provided, there are not five Third Degree members, in good standing in one of the Lodges, who object or protest against the same; provided, a final vote on the question of such consolidation shall not be had in any Lodge until after the resolution for such consolidation has been offered in writing and read at each successive meeting of the Lodge for one month prior to such vote, and provided further, that the time for final action thereon shall be fixed at the time such resolution is offered. The petition shall show that the foregoing requirements have been complied with, and shall also state which Lodge the petitioning Lodges shall be consolidated into, and the date at which the consolidation shall take effect. Upon receipt of such petitions, the Grand Lodge, or Grand Master, may grant or refuse the consolidation prayed; but if granted by the Grand Master, it shall be upon the express condition that he grants the same conditionally and subject to the approval or disapproval of the Grand Lodge; and if granted, a warrant to that effect shall issue, signed by the Grand Master, and attested by the Grand Secretary, under the seal of the Grand Lodge, and the consolidation shall take effect at the date fixed in the petition, unless otherwise fixed by the Grand Master or Grand Lodge. In cases of consolidation, all of the property of the Lodge which consolidates into another Lodge shall vest in the Lodge receiving the other Lodge and shall attach and incorporate into it the entire membership of such Lodge, as if it had gained the same by initiation.

And that said section 6, Article IX, as amended, shall read as follows:

Section 6.—Consolidation of Lodges. Whenever two Lodges desire to consolidate and form one Lodge, each for itself shall address a petition to that effect to this Grand Lodge or to the Grand Master, in case, at the time of presenting the same, it is more than three months before the annual session of the Grand Lodge, showing that the question of such consolidation was submitted to each of the petitioning Lodges, after due notice being made to all the members of each lodge at least one month before action thereon, and carried by an affirmative vote of three-fourths of all members present in

each Lodge at the time of the voting; provided, a final vote on the question of such consolidation shall not be had in any Lodge until after the resolution of such consolidation has been offered in writing and read at each successive meeting of the Lodge for one month prior to such vote, and provided further, that the time for final action thereon shall be fixed at the time such resolution is offered. The petition shall show that the foregoing requirements have been complied with, and shall also state which Lodge the petitioning Lodges shall be consolidated into, and the date at which the consolidation shall take effect. Upon receipt of such petitions, the Grand Lodge, or Grand Master, may grant or refuse the consolidation prayed; but if granted by the Grand Master, it shall be upon the express condition that he grants the same conditionally and subject to the approval or disapproval of the Grand Lodge; and if granted, a warrant to that effect shall issue, signed by the Grand Master, and attested by the Grand Secretary, under the seal of the Grand Lodge, and the consolidation shall take effect at the date fixed in the petition, unless otherwise fixed by the Grand Master or Grand Lodge. In cases of consolidation, all of the property of the Lodge which consolidates into another Lodge shall vest in the Lodge receiving the other Lodge and shall attach and incorporate into it the entire membership of such Lodge, as if it had gained the same by initiation.

We recommend that such amendment be adopted.

And a quorum of Representatives.

The Grand Lodge was opened with singing the opening ode and prayer by the Grand Chaplain.

The minutes of yesterday's session were read and approved.

The Committee on Honored Dead presented the following report, which was unanimously adopted by a rising vote:

REPORT OF COMMITTEE ON HONORED DEAD.

To the Grand Lodge, I. O. O. F., of the State of California:

Report No. 33.

Your Committee on Honored Dead respectfully report: Since the meeting of this Grand Lodge one year ago, the Grim Reaper of Death has been busy in our midst. Many Past Grands of this Jurisdiction have gone to that bourne from whence no traveler returns. They were called while in the line of duty. They laid their work aside and answered the call of the Sovereign Grand Master on High, and now sweetly sleep in the windowless palace of rest.

"All that tread
The globe are but a handful to the tribes
That slumber in its bosom. Take the wings
Of morning, and the Barcan desert pierce,
Or lose thyself in the continuous woods
Where rolls the Oregon, and hears no sound
Save its own dashings—yet the dead are there,
And millions in those solitudes, since first
The flight of years began, have laid them down
In their last sleep; the dead reign there alone."

Yet we mourn not as those without hope. If a man die, shall he not live again?

Their duties were well done and we hope for a re-union in the bright sunshine of eternity where cruel partings shall come no more.

Your committee recommends that the names of the dear, departed dead brothers be spread upon the memorial pages of the Journal of this Grand Lodge.

To the Grand Lodge, I. O. O. F., of the State of California:

The Grand Lodge has been the grateful recipient of a generous hospitality at the hands of the Odd Fellows and Rebekahs of Santa Cruz in particular, and in a more general degree from many individuals, firms and institutions of this city. The streets were decorated in patriotic colors in honor of our coming; entertainment of various kinds was freely proffered and accepted; a most pleasant reception greeted us all and these things have made our stay in Santa Cruz delightful. Therefore be it

Resolved, That this Grand Lodge hereby expresses its sincere appreciation of the favors shown to it, to the Representatives and Grand Officers and to the Order at large. To all who have in any way contributed to our pleasure or our convenience we voice our sense of obligation and extend our cordial thanks. Especially to the several newspapers of the city do we extend our thanks for generous publicity of our proceedings. And be it further

Resolved, That a copy of this sentiment of appreciation be furnished by the Grand Secretary to the press of Santa Cruz for publication therein.

Representative Connick, of No. 77, arose and addressed the Grand Lodge as follows:

Grand Master, Brother Officers, Representatives and Past Grands:

“Breathes there the man with soul so dead,
Who never to himself hath said,
This is my own, my native land!
Whose heart hath ne’er within him burn’d,
As home his footsteps he hath turned,
From wandering on a foreign strand!
If such there breathe, go mark him well
For him no minstrel raptures swell
High though his title, proud his name,
Boundless his wealth as wish can claim;
Despite those titles, power and pelf,
The wretch, concentered all in self,
Living, shall forfeit fair renown,
And, doubly dying, shall go down
To the vile dust from whence he sprung,
Unwept, unhonored and unsung.”

It was a nature vibrant with love of home and native land and a heart throbbing with the raptures of patriotic emotions that in-

spired the pen of Scotland's immortal bard as, upon the parchment of all future ages, were recorded these beautiful lines, unsurpassed in poetry of expression and breathing a sentiment stirring into life and action the manhood and womanhood of every clime and as enduring as shall be the dominion of man.

Several hundred miles up the coast line in the northern part of our golden state, where falls the last lingering kiss of the setting sun as, sinking to its rest in the western seas, it slowly drops the mantle of deepening purple over California's shores and where, as it were, the world is shut out, lies a little empire within itself, the County of Humboldt—beautiful with its carpet of velvet green, with its fertile valleys and fields of fragrant clover and waving grain and its sparkling streams and rivers winding their course as threads of silver through the rugged canyons and amid the great mountains majestic in beauty and in grandeur and robed with the towering giants of the forest whose massive arms, swaying with the caress of the whispering wind, have preserved inviolate the secrets of the centuries past.

And may it not be with pardonable patriotism that the loyal membership of Humboldt County is proud of the honor and distinction which are theirs in the elevation of one of their esteemed brothers to the most exalted official stations within the gift of this Grand Body, and particularly, my dear brothers, is Fortuna Lodge No. 221, proud and justly proud of the signal honor conferred upon her membership, for, during the present session of this Grand Lodge, its deliberations have for a second time, with dignity and ability, been presided over by a Grand Master chosen from that membership. In 1893 into the hands of Brother J. F. Thompson, then a member of Fortuna Lodge, but since summoned before the Grand Master of the Universe, was confided with appropriate ceremony the Gavel of Supreme authority in this Grand Lodge and to-day another honored member of Fortuna Lodge, our good Brother, Thomas H. Selvage, surrenders to his distinguished successor, that emblem of authority after a year dedicated to fidelity and efficiency of service in the cause of Odd Fellowship.

No greater or higher can be the honor than that of presiding, as their Chief Executive, over that vast brotherhood of the Priestly Order extending from snow-capped mountain domes of Shasta and of Siskiyou to that land of perfumed flowers and perennial summer, the sunny Southland, and with enlisted ranks more than 46,000 strong, drawn from the highest and the very best type of manhood and American citizenship. And, as we bring this session to its close, a loyal and devoted membership, offering in fullest measure the reward of faithful stewardship, "Well done," will inscribe high upon the Roll of Honor among those of his illustrious predecessors the name of our esteemed and honored Junior Past Grand Master, Brother Thomas H. Selvage, of Fortuna Lodge, No. 221, of Eureka. Gifted with a personality open-hearted, pleasing and uniformly courteous and ever in a manner gracious and generous, it has been, my brother, your rare privilege, with your words of counsel, encouragement and eloquent fraternal greeting, to have touched the heart strings of our chosen fraternity throughout the length and breadth of this great Commonwealth of the West.

And, to me, Brother Selvage, have been accorded at once the pleasure and the honor of presenting to you in the name and on behalf of the Grand Lodge of the Independent Order of Odd Fellows,

this beautiful Jewel, emblematical of that exalted position which these simple, yet impressive ceremonies will forever commit to the sacred realms of memory. May you ever wear it through the coming years, and, as the twilight shadows of each passing day slowly darken into the stillness of the night, may its sweet message of the brotherhood of man each day remind you that your labors of love and humanity during the year just closed are not forgotten by the fraternity and be an inspiration for you to dedicate, in the future as in the past, your tireless energy, your influence and enthusiasm, and your splendid abilities to the diffusion, the promotion, and the advancement of the grand principles of the Order. And animated and quickened by the patriotic sentiments of the occasion, may we all covenant the one with the other, as of old did Jonathan and David, son of Jesse, seal the pledge of eternal friendship, to stand shoulder to shoulder with our retiring Grand Master, resolved to build upon the everlasting cornerstone of Fraternity, temples greater, grander and more majestic than in all ages before and consecrated to the triune principles of Odd Fellowship and from whose stately spires, caressed by the first kiss of the morning sun, will spread upon the breeze of Heaven, side by side with the white and spotless Banner of our beloved Order, another and a sister Banner, the best beloved Banner of Freedom, the glorious old Stars and Stripes—these two, their beauteous folds mingling in the vaulted firmament, the greatest, the best, most glorious, the three-linked Banner and the Banner of the Stars.

With the passing of a few short hours, today with all its pleasant associations will be but a day of hallowed memories. Through the veil of mystery, hung by the Hand Divine, athwart the pathway of the future, we may catch the fleeting glimpses of shadow and cloud, the sparkle of the dew-drop and the ray of sunshine but, amid the ever-changing panorama of the days unborn, to you, my brother—aye, and to us all—may there come, as the rainbow of promise spanning the storm-tossed skies, these words of hope, of inspiration and of cheer:

“Oh, every year hath its winter,
And every year hath its rain—
But a day is always coming
When the birds go north again.

When new leaves swell in the forest,
And grass springs green on the plain
And the alder's veins turn crimson—
And the birds go north again.”

And, as you journey on towards the golden sunset of life, may the cherished recollections, clustering around the happy moments of the year that today will mingle with the unnumbered yesterdays of the past, ever be treasured in the secret chambers of the heart, in the sacred hours of reverie racing on the canvas of imagery the scenes of the days long gone and inspiring the softened melody as once again there trembles on your lips the poet's song of memory:

“Sweet as a rose leaf on the stream
That haunts me while it drifts away
With perfumes of a vanished day.”

My brother, the great Brotherhood of Friendship, Love and Truth bids you Godspeed.

Past Grand Master Selvage responded as follows:

Brother Past Grand Connick: When I say I thank you for this beautiful jewel, I am in no sense expressing the feelings existing in my heart at this moment. To me the occasion excites the most exalted and delightful sensation. Coming from you in the most eloquent address to which I have ever listened, it has within it the charm of a twofold delight—one that this great Order should so honor me with this evidence of its confidence and esteem, and the other that I should receive the token from you, whom I have for years valued as a worthy and loyal friend. From your early manhood days our friendship has been that of a younger and an elder brother. Sometimes the great prospect before us has been disturbed by the havoc of storm—sometimes the passing cloud has for a moment hidden the sun, but the road has always cleared and the sunlight of the blue sky has returned with greater brilliancy and warmth.

The honor which has been bestowed upon me by this Order is great, and one which I prize more than any tribute can express. Selected from the grandest body of men in which I have ever held membership, to be for the past year their leader, I am today at the close of my term surrounded by the membership listening to kindly words of commendation and cheer. I am congratulated beyond my deserts and applauded for more than my worth. Now in returning the proud office I have enjoyed, they climax their lavish gifts by the presentation of this beautiful jewel in a tribute of surpassing eloquence and beauty.

To the membership of this great Order I wish to say: The honor bestowed upon me is great, the evidence you give me of your appreciation of my efforts is delightful, and I would indeed be wanting in gratitude were I to fail to express my appreciation and thanks for this, your unbounded confidence, and I wish to tell you now, moved and controlled by the sweetness of this occasion, that the purest sentiments dwelling within my heart go out in thankfulness and gratitude to each and all of you. May your future be one of surpassing brilliancy, and mankind find its greatest benefactor in the Order of the Three Links.

On motion of Representative Cunning, of No. 204, Representative Connick and Thos. H. Selvage were requested to furnish copies of their addresses for publication in the Journal.

The Grand Master appointed the following Committee as provided in Report No. 22:

COMMITTEE ON REVISION OF DIGEST.

FRANK D. MACBETH, D. G. M.
W. W. WATSON, P. G. M.
HENRY NEWBURGH, of No. 71.

The Grand Master appointed the following Committee to re-arrange the Grand Master's Visitation District:

COMMITTEE ON GRAND MASTER'S VISITATION DISTRICT.

THOS. H. SELVAGE, P. G. M.
CHAS. L. SNYDER, P. G. M.
GEO. F. HUDSON, P. G. M.

A. P. Johnson, Jr., Grand Master, addressed the Grand Lodge as follows:

My brothers, in assuming the trust which you have committed to me, my first desire is to thank you most heartily for your confidence and for the great honor which you have conferred upon me. To be Grand Master is a distinction that has been accorded to many of our brothers and the office is one that many have honored by brilliant service, untiring zeal and loyalty to the tenets of the Order, all of which have combined to advance it to the high plane it has attained and to which it is so justly entitled.

If anything would make me falter or shrink from the obligations that this trust places upon me, it would be a cowardly fear that I might not be able to equal the achievements of my predecessors or keep the Order up to to high standard to which they have brought it, but never having shirked a trust—alone—I see great possibilities before me when I scan your faces, for I know that I shall not be performing for 50,000 critics, but that I shall have 50,000 of the best men in the best State in God's whole country working side by side with me, upholding the integrity and the high moral and intellectual standard of our Order. I know, my brothers, that with your help I shall be able to "shun the rocks and whirlpools" that have proved the wreck of others hopes and that when you and I return to this Grand Lodge a year hence, we shall have the gratification of knowing and reporting that everything that we have done was honest and sincere and for the best interest of Odd Fellowship as we saw it and if we fail, it will not be because we did not try, for I believe it is better to have tried and failed, than not to have tried at all.

My brothers, I shall dedicate this year, to the service of Odd Fellowship. My business associates understand that this year it is Odd Fellowship first and business second. I shall endeavor to visit every lodge in my District. My brothers, I want you to change the old stereotype way of doing business when your Grand Master visits you this year. I want you to cut out the degree work. I want you to cut out the banquets, and in place of these I want you to hold an open meeting; and I want every brother who attends any of these meetings to bring one person with him whom he believes to be eligible for membership; then we will tell our visitors about Odd Fellowship, what it is; what it has done; what it is doing and what it is going to do; and I want you, Past Grand Masters, to prepare yourselves, for I am going to call upon you to help me. I know you will do it. You business men; if business was dull, would you sit behind closed doors and talk about it with your clerks? No, you would send your clerks out to educate the public, so they would want your goods. Business in Odd Fellowship is dull. Why? Because we sit down behind closed doors and hold love feasts and tell stories we have all heard a hundred times, about the great doings of Odd Fellowship, but we never breathe a word of it to our neighbors. If Odd Fellowship is good for us, it should be good for our neighbors. Let's tell them about it. Let

us each put our shoulder to the wheel and make this a banner year for Odd Fellowship; and let's have a motto. Let's make our motto quality, not quantity, and let's have a rule—let's make it a rule never to invite anyone to join our lodge that we would not be perfectly willing to invite to our home to meet our wife, our daughter, our sister, or our mother. If you will make this your motto, and this your rule, Odd Fellowship will continue to be known and acknowledged as the cream of American citizenship.

My brothers, I wish to again thank you for the great honor you have conferred upon me, and before closing I want to leave this thought with you.

"If you see a tall fellow ahead of a crowd,
A leader of men, marching fearless and proud,
And you know of a tale, whose mere telling aloud
Would cause his proud head to in anguish be bowed,
It's a pretty good plan to forget it."

"If you know of a skeleton hidden away
In a closet, and guarded, and kept from the day,
In the dark, and whose showing, whose sudden display,
Would cause grief and sorrow and lifelong dismay,
It's a pretty good plan to forget it."

"If you know of a thing that will darken the joy,
Of a man or a woman, a girl or a boy,
That will wipe out a smile, or the least will annoy
A fellow, or cause any gladness to cloy,
It's a pretty good plan to forget it."

Remarks were also made by Frank D. Macbeth, Deputy Grand Master, and Wm. P. Schlosser, Grand Warden.

At 1 oclock p. m., the Grand Lodge adjourned sine die.

H. D. Richardson

Resolved, That all Past Grands and Representatives attending any, or all of the future sessions of this Grand Lodge, shall be required

to enroll their names and the name and number of their respective Lodges on entering the Grand Lodge, in a book provided therefor by the Grand Secretary, in order that a full roll of the Past Grands and members in attendance at every session may be preserved.—Journal 1878, page 917.

Resolved, That the Lodges in this jurisdiction, in the adoption of their By-Laws, be recommended, in the establishment of dues and benefits, not to give as weekly benefits, an amount to exceed two-thirds of that collected annually as dues.

Resolved further, That it is the sense of this Grand Lodge, that whenever the By-Laws of a Subordinate Lodge prescribe penalties or forfeitures for "habitual drunkenness," the term "habitual drunkenness," should be construed to mean such drunkenness of the accused brother "as disqualify him a great portion of the time from properly attending to business, and so continuing for the period of one year."—Journal 1888, page 1168.

Resolved, That when any appeal papers shall be received by the Grand Secretary, thirty-five days prior to the regular session of the Grand Lodge, he shall immediately deliver the same to the chairman of the Committee on appeals, and said chairman shall examine said appeal papers, and shall, as soon as possible, transmit the same with his opinion thereon, to the next member of said Committee, who shall thereupon examine the same, and after adding his opinion thereto, shall transmit the same to the third member of said Committee, and such course shall be followed until each member of said Committee shall have acted on said case, and the last member of said Committee receiving such report, shall transmit the same to the chairman thereof, at least seven days before the date of the commencement of the regular annual session.—Journal 1889, page 142.

Be it enacted by this Grand Lodge, that the law regulating appeals by one Lodge in this jurisdiction against the action of another Lodge thereof, as found in Journal of 1863, page 420, be amended so as to read as follows:

An appeal taken by one Lodge against the action of another Lodge, shall be taken within twelve weeks from and after the time the appellant shall receive notice in writing of the action of the appellee. Such appeal shall be taken as follows:

First. The appellant shall determine to appeal by resolution entered on its minutes.

Second. The Secretary shall thereupon, and within said twelve weeks transmit to the appellee a copy of such resolution, certified to by the Secretary, together with a statement on appeal, of all the facts as the appellant claims them to be, and also, such affidavits and documents or copies thereof, certified to by the Secretary as the Lodge deems expedient to prove the facts.

Third. The appellee shall, on receipt thereof, transmit to the Grand Lodge, a statement on appeal, stating therein what facts in appellant's statements it admits, and what facts therein it denies, and stating all other facts of the case, and such affidavits and documents on its behalf, or copies thereof, certified to by the Secretary, as the Lodge deems expedient to prove the facts as it claims them to be, and together with copies of all its minutes and documents relating to the case.

Fourth. Appellant shall transmit, also, to the Grand Lodge, certified copies of all its minutes and of all the documents relating to the case.

Fifth. The appellant and appellee shall send to each other, copies of all papers sent by them to the Grand Lodge, on the same day that they are transmitted to the Grand Lodge.

Sixth. If an appeal is not taken within time, the action of the Lodge shall be considered as acquiesced in and final.

Seventh. This Law shall be applicable to General Relief Committees.—Journal 1892, page 134.

Resolved, That all Lodges of this jurisdiction are required to have the Constitution of Subordinates existing at the time of the admission

of new members, for them to append their signature thereto, as required by our laws.—Journal 1890, page 449.

Resolved, This Grand Lodge declares that no one should be elected Trustee of a Lodge who is indebted to the Lodge for any money loaned to him by the Lodge, or any of its Trustees; and this Grand Lodge disapproves of the practice of Trustees loaning to themselves or any of their number, any of the money of the Lodge, and the Committee on Legislation are hereby requested to present an amendment to the Constitution of Subordinates, covering the above proposition.—Journal 1890, page 449.

Resolved, That any member of a Subordinate Lodge, who has been suspended therefrom, for any cause whatever, for the term of one year, shall stand suspended from any Rebekah Lodge, within this Grand Jurisdiction, to which he may belong.—Journal 1891, page 715.

Whereas, it is to the best interests of Odd Fellowship that the unwritten work of our Order should be thoroughly learned by all the members; and

Whereas, The only effectual way in which such work can be properly communicated to the brotherhood at large is through the medium of the District Deputy Grand Master during the year; therefore, be it

Resolved, That the District Deputy Grand Master of the several districts in this jurisdiction be, and they are hereby, instructed to visit each and every Lodge in their respective districts, for the purpose of instruction in the unwritten work of our Order applicable to the Lodges in their districts, at least once in each term; the reports of all such meetings of instruction shall be made to the Grand Master by the District Deputies and the Grand Master shall incorporate the substance of such reports in his annual report to this Grand Lodge.—Journal 1891, page 729.

Resolved, That in future, Subordinate Lodges wishing to withdraw from one district and be placed in another, shall first have the consent of a majority of the Lodges in the district from which they wish to withdraw, and also from the one in which they wish to go.

Resolved, That any Representative entitled to mileage in attendance at the annual session of this Grand Lodge, who fails to remain until the close of the session, unless he can furnish a written excuse signed by the Grand Master, shall forfeit his right to said mileage. Sickness of himself or family shall be the only excuse allowed.—Journal 1894, page 767.

Itemized Accounts to be Sent by Lodges.

Resolved, That each Lodge in this Jurisdiction shall, at every annual session of this Grand Lodge, send by its Representative thereto, a detailed and itemized account of all moneys paid to the Grand Secretary, and all supplies and property received from him during the past year, which reports shall be delivered to the Finance Committee of the Grand Lodge, and by that Committee compared with the books of the Grand Secretary, and if any discrepancies are found, the same shall be immediately reported to this Grand Lodge. "That on the last meeting night in March of each year, said financial statement shall be submitted, and after being duly approved

by the Finance Committee shall be approved by the Lodge and immediately thereafter transmitted to this Committee."—Journal 1902, page 879.

Resolved, That in order to secure prompt compliance with the foregoing resolution, the Grand Secretary shall, at least sixty days before the annual session of the Grand Lodge, transmit by mail, post-paid, to each Lodge, a copy of the foregoing resolution, and shall report at the opening of the Grand Lodge whether or not he has fully complied with this direction.—Journal 1894, page 767.

Resolved, That this Grand Lodge re-establish the rule requiring all Subordinate Lodges to keep a black book, and a proper record of all brothers suspended, expelled, and all applicants for membership rejected.—Journal 1895, page 246.

Resolved, That it be illegal for any Past Grand to install into the office of Noble Grand or Vice Grand until said Past Grand has examined the brother and finds him sufficiently acquainted with the work to perform the duties of the office.—Journal 1895, page 252.

Resolved, That the following be, and the same hereby, is made a standing rule of this Grand Lodge, viz.:

When a ballot is being taken at an election of Officers in the Grand Lodge, every person in the room, except the collectors, shall be required to be and remain seated during the taking thereof; and the Grand Master shall appoint a sufficient number of collectors to assign one for each row of seats; and the collectors shall simultaneously start from the head of the room (that nearest the Grand Master's station) and proceed together to collect the ballots in order from the brothers in their respective rows of seats, and from no others, and shall immediately deposit the same with the tellers.—Journal 1902, page 925.

Resolved, That the following be, and the same hereby is, adopted as a standing rule of this Grand Lodge, viz: "The distribution of election cards in his own behalf, the solicitation of votes for himself, and similar electioneering practices, by a candidate for office in this Grand Lodge, are in conflict with the usages of the Order and repugnant to the spirit of Odd Fellowship, and shall not be permitted at sessions of the Grand Lodge.—Journal 1902, page 925.

Resolved, That hereafter, Representatives to this Grand Lodge shall not be paid their mileage until the last day of the session of the Grand Lodge.—Journal 1900, page 245.

Resolved, That hereafter when amendments to the Constitutions of either this Grand Lodge or Subordinate Lodges be referred to a committee for its consideration; that when said committee submits its report to this Grand Lodge, said committee shall set out in full the proposed amendment as well as the original—Journal 1905, page 950.

A majority of the Finance Committee of the Grand Lodge must be residents of the same place as the Grand Secretary.—Journal 1860, page 82.

DIGEST

Compiled by Henry Newburgh, P. G.

AMENDMENTS TO CONSTITUTION OF GRAND LODGE.

1. Consolidation of Lodges.

Section 6 of Article IX.—Provision that five objecting members of either lodge can prevent consolidation, stricken out.—1914 Journal, 192, 215, 229.—Subject to approval by the Sovereign Grand Lodge.

CONSTITUTION OF SUBORDINATE LODGES.

2. Election to Receive Degrees.

Section 1 of Article V.—By the amendment a person elected to receive Initiatory Degree is entitled to receive the other degrees without ballot, provided ballot may be required in case of objection in certain cases.—1914 Journal, 200, 211.

3. Joint Balloting for Degree.

Section 3 of Article V.—Repealed.—1914 Journal, 201, 211.

4. Contingent Fund.

Section 2 of Article IX.—Amended to read as follows:

Section 2. This Lodge may provide in its By-Laws for the setting apart of a sum not exceeding ten per cent of its annual income from all sources as a contingent or special fund, to be expended in its discretion, in the payment of necessary and proper obligations incurred by the Lodge, not included in or provided for by Section 1 of this Article; provided that every Lodge, to avail themselves of this section must, after making it a part of the By-Laws, annually set aside this fund by a vote recorded, and their books must show the standing of said fund.—1914 Journal, 201, 211.

5. Consolidation.

See Amendments to Constitution of Grand Lodge.—Subject to approval by the Sovereign Grand Lodge.

6. Contingent Fund.

See Amendments to Constitution of Subordinates.

7. Degrees.

See Amendments to Constitution of Subordinates.

8. District Deputies—Term of Office.

The term of office of a District Deputy Grand Master begins upon the receipt of his official commission from the Grand Master and expires when his successor is appointed.—1914 Journal, 184, 197, 211.

DECISIONS OF DISTRICT DEPUTY GRAND MASTERS.

A decision of a District Deputy Grand Master should be reported immediately by him to the Grand Master, in writing.—1914 Journal, 205.

9. Installation—Joint.

Attention to this Grand Lodge is called to the fact that many of our District Deputies report the granting of dispensations for joint installations with either Rebekah Lodges or with Encampments. A joint installation has been defined by this Grand Lodge (see Louderback's Digest, Sec. 1651) to be the installation of the officers of several Lodges by the same Deputy. From this ruling, it can readily be seen, that a joint installation of a Subordinate Lodge with a Rebekah Lodge, or with an Encampment, is an impossibility, because the installation ceremonies for the respective branches are not performed by the same Deputy, nor at the same time.—1914 Journal, 204.

10. Officers of Grand Lodge—Appointive—Honors.

Whereas, This Grand Lodge has among its membership an army of energetic Odd Fellows, who are capable of filling high places of trust and honor, and who are filled with laudable ambitions and worthy aspirations, the number of such worthy members far exceeding the number of places to be filled by appointment in this Grand Lodge, therefore be it

Resolved, That all the honors attached to the holding of an appointive office in this Grand Lodge shall fully attain at the end of one year's service in any appointive office in this Grand Lodge; provided, however, nothing in this resolution shall be construed as intending to change any established rule regarding the appointment of the regular committees; and, provided further, the terms of this resolution shall take effect at the close of the Grand Lodge session of 1915.—1914 Journal, 212, 226.

11. Official Title of Location of Odd Fellows Home of California.

Whereas, The Odd Fellows' Home is situate near the city of Saratoga, in Saratoga Township, Saratoga School District, Saratoga voting precinct, State of California, and

Whereas, freight, merchandise and mail is delivered from Saratoga to the Home at much less cost and with much greater dispatch than from any other city, town, station or postoffice; therefore be it

Resolved, That the postoffice address of the Odd Fellows' Home is and hereafter shall be Saratoga, California; and, be it further

Resolved, That the Trustees of the Odd Fellows' Home be, and they are hereby instructed to have printed on the letterheads and stationery of the Board and of the Home, "Saratoga, Cal.," and that they discontinue the use of any other printed address on any such stationery.—1914 Journal, 190, 208.

SOVEREIGN GRAND LODGE DECISION.

Requirements therefor prescribed by Sovereign Grand Lodge. Performance of required service is sole determining factor.

13. Rank of Past Grand.

Service in office as Noble Grand for majority of meeting nights, of term, unless excused for sickness, personal to himself, and until the end of the term, is necessary to entitle a member to the rank of Past Grand.—1914 Journal, 67, 124.

ADDENDA

Exhibits in the case of N. D. Sickles, P. G., of Apollo Lodge No. 123, as referred to in Memorial of John J. Fitzpatrick and others of San Diego Lodge No. 153—Page 214.

Hall of Apollo Lodge, No. 123, I. O. O. F.

San Francisco, July 20, 1913.

A. P. Johnson, Jr., Deputy Grand Master,
San Diego, California.

Dear Sir and Brother: Wired Secretary A. B. Knoles, P. G., No. 153, I. O. O. F., his instructions, as ordered by this Lodge, which I repeat.

"Refuse Sickles, suspended Past Grand, financial assistance; will write."

As your letter refers to the same matter, this may be used as your guide, and then refer it to San Diego Lodge, No. 153.

N. D. Sickles was suspended August 16, 1912, for non-payment of dues. Prior to 1907, N. D. Sickles was considered the most popular member of this Lodge. Generous and extremely warm-hearted, and had no limit, sacrificing time and money to accomplish a kind deed to a member of the Order. It would consume too much time to enumerate all the good acts N. D. Sickles was connected with.

The loss of over \$18,000, in the failure of the California Safe Deposit and Trust Company, upset him completely. He met with a severe accident and was injured in the head. After his recovery he became indifferent, and had all kinds of theories. He imagined he was a great lecturer and writer.

Seven months ago I bought a house and lot, and my lawyer said: "Always have it down in writing, sworn to, and then you can probably depend upon it, and avoid these misunderstandings."

Have it distinctly understood that I refer to San Francisco, my native city, and no reflections on San Diego.

In all seriousness, an Odd Fellows' Lodge could not furnish funds to a suspended member. Still, members would like to have N. D. Sickles employed, instead of roaming about, friendless and homeless, if such is possible. When he was prosperous and successful he was loved, and when overtaken by reverses, the most popular member fell to pieces, suspended and practically without a friend.

With deep regret I had to use the word "refuse," but it was my duty. Pardon my lengthy letter, brothers. You will agree with me that it is important to keep up payment of dues, and let me repeat again, N. D. Sickles would never have applied if he had known he was a suspended Past Grand of Apollo Lodge.

Fraternally submitted,

LOUIS HAMMERSMITH, P. G.,
Recording Secretary, No. 123.

San Francisco, Cal., September 23, 1913.

To the Noble Grand, Vice Grand, Officers and Members,

San Diego Lodge, No. 153, and Sunset Lodge, No. 328, I. O. O. F.,
San Diego, California.

Dear Sirs and Brothers:

Apollo Lodge desires to acknowledge receipt of a letter signed by the committee appointed by San Diego Lodge, No. 153, and Sunset Lodge, No. 328, in reference to the suspension of N. D. Sickles, a former member and Past Grand of this Lodge.

The undersigned committee was appointed by Apollo Lodge to submit to you the facts in connection with the suspension of our former brother, and herewith enclose you an abstract from the books of our Financial Secretary, which we would ask you to carefully examine. This report shows that N. D. Sickles, P. G., owed Apollo Lodge:

July 1, 1907.....	\$10.00	June 30, 1910.....	\$14.00
December 31, 1907.....	15.00	December 31, 1910.....	14.00
June 30, 1908.....	4.00	June 30, 1911.....	18.00
December 31, 1908.....	12.50	December 31, 1911.....	26.50
June 30, 1909.....	18.50	June 30, 1912.....	35.00
December 31, 1909.....	6.00	August 16, 1912.....	37.00

We also desire to call to your attention that during this time our Financial Secretary, A. J. Doyle, P. G., paid out of his own pocket from time to time cash amounting to \$37.00, which he placed to the credit of N. D. Sickles, P. G., for the purpose of preventing his suspension, and that on August 6, 1909, the members of Apollo Lodge passed the hat around and collected from its members \$21.50, which amount was also placed to the credit of N. D. Sickles, P. G.

You will also note that N. D. Sickles, P. G., did not personally pay a cent to Apollo Lodge from July 1, 1907, to the date of his suspension, August 16, 1912, nor did he at any time return a single penny to A. J. Doyle, P. G., for the money paid out by him. During December, 1911, our Financial Secretary, A. J. Doyle, wrote Brother Sickles, P. G., that his (Doyle's) wife would soon undergo an operation and that it would be impossible for him to pay anything more on the account of his dues, and requested Brother Sickles, P. G., to pay in enough from time to time to keep from being suspended.

At a regular meeting of Apollo Lodge, held October 18, 1907, Brother Sickles, P. G., was reported on the sick list, caused by being knocked off a crowded street car when riding on the outside, but as he was not in good standing he did not receive sick benefits. The Noble Grand of Apollo Lodge at the next meeting reported he had visited Brother Sickles and that Brother Sickles stated he did not want the Sick Committee to visit him officially, and in due course of time he was declared off.

This committee believes that Apollo Lodge showed great leniency toward N. D. Sickles, P. G., and further believe you have been misinformed by statements probably made to you by our former Brother Sickles, and by letters from our Secretary, Louis Hammer-smith, P. G., who in the goodness of his heart, desired to compliment our past Brother Sickles for some of the good things he had done for Odd Fellowship, and to let him down as easy as possible

without saying or writing anything which would be detrimental to our former brother, and not suspecting for a moment that his words would lead you to think our past brother had in any way been mistreated or misused by Apollo Lodge.

This committee believes there are other reasons why Apollo Lodge would refuse to vote favorably upon the application of N. D. Sickles for reinstatement. With this information before you, we believe San Diego and Sunset Lodges will coincide with the action which was taken by Apollo Lodge in reference to our former brother, N. D. Sickles, and that Apollo Lodge has not in any way committed an act which would reflect upon his good name or bring reproach upon the Order.

Apollo Lodge exceedingly regrets that San Diego and Sunset Lodges saw fit to forward to the Grand Master and Deputy Grand Master a copy of the resolutions passed by your committee without first ascertaining all the facts from this Lodge. A copy of this letter and abstract has been mailed to Sunset Lodge, No. 328.

Assuring you that Apollo Lodge at all times intends to live up to the letter and true spirit of Odd Fellowship, we are,

Yours, in F. L. and T.,

C. H. OLINGER, P. G.

A. J. DOYLE, P. G.

WM. C. JOHNSON, P. G.

Committee.

San Francisco, December 27, 1913.

Mr. John J. Fitzpatrick,

Ocean Beach, San Diego, Cal.

Dear Sir and Brother: Having under consideration the matter of N. D. Sickles, I wish to say that it presents a very perplexing case. There seems to me to be but one way in which the matter can be opened up, and that is to have some brother make application to a Court to be appointed as guardian, and in that proceeding to take testimony as to the mental competency of the brother, and if unbalanced, from what date such condition existed.

If the Court should determine that he has been unbalanced since the time indicated in your letter, application could be made at once to Apollo Lodge for benefits, and if the Lodge deny his right to benefits, or his existence as a member, the matter could be carried from that to the Grand Lodge, and have it permanently settled.

This will entail some expense, but I can see no other way to raise the question. I am herewith returning the letters you sent me.

Fraternally and cordially yours,

THOMAS H. SELVAGE,

Grand Master.

GRAND LODGE AND ASSEMBLY WEEK AT SANTA CRUZ.

Every attention for the pleasure and comfort of the Representatives to the Grand Lodge and Delegates to the Rebekah Assembly and their friends, was made manifest by the members of the fraternity of Santa Cruz and County. Afternoons were given over to pleasure, either on land by auto or car rides, or in boats on the bay where fishermen were busily engaged in hauling in their drag nets well filled with fish, a sight never before witnessed by but a limited number of the visitors. The degree work presented by various Subordinate and Rebekah Lodges reflected credit on the participants and valuable object lessons to all those who witnessed the interesting ceremonies. The special session of the Grand Encampment, the Rebekah Minstrel Show, the Veteran's meeting and annual banquet, the Humboldt County gathering, the rides to the celebrated big trees, the big basin, Lavega Park, Ocean Cliffs, Seabright, Capitola, the light house on the Ocean's edge, the fish hatchery, the swinging bridge leading over the river to the Cowell big tree site, the wondrous scenery in and about the mountains, the Odd Fellows Home of California, at Saratoga, the I. O. O. F. Orphans' Home at Gilroy, visited during the week of business and pleasure, were brought to a delightful close by a grand ball at the Casino. Many thanks were accorded the lodges of Santa Cruz and County by the visiting Representatives and Delegates for the success in which the following program was carried out to a degree of perfection:
